Sign ACLJ's Petition to stop the Genocide of Christians in Iraq Plus, ISIS Militants Issue Death Threats against Pastor Saeed from Within Rajai Shahr Prison and ministry people working in the area are in danger as well! PRAY! PRAY! PRAY!

"Dire."

That's the word President Obama is using to describe the situation for Christians and other refugees in northern Iraq.

That's an understatement.

The world's most powerful jihadist army is on the attack.

It's massacring Christians, selling Christian women into slavery, and obliterating their safe havens.

Like Hitler's Germany marked Jewish homes and businesses, these jihadists are marking Christian homes and businesses - marking Christians for death.

We have allies on the ground, ready to stop the advancing enemy, but we haven't supplied them with the arms they need. ISIS is still strong. Our allies are still weak.

At the ACLJ, we are working day and night to move Congress, President Obama, and the United Nations to action, to stop genocide.

Your voice matters. Stand with us.

I received this email this morning, please be in prayer for this situation.

> Dear Friends,  
>  
> Just a few minutes ago I received the following text message on my phone  
> from Sean Malone who leads Crisis Relief International (CRI). We then  
> spoke briefly on the phone and I assured him that we would share this  
> urgent prayer need with all of our contacts.  
>  
> "We lost the city of Queragosh (Qaraqosh). It fell to ISIS and they are beheading children systematically.  
This is the city we have been smuggling food too. ISIS has pushed back  
> Peshmerga (Kurdish forces) and is within 10 minutes of where our CRI  
> team is working. Thousands more fled into the city of Erbil last night.  
> The UN evacuated it's staff in Erbil. Our team is unmoved and will stay. Prayer cover needed!"  
>  
> Please pray sincerely for the deliverance of the people of Northern Iraq from  
> the terrible advancement of ISIS and its extreme Islamic goals for  
> mass conversion or death for Christians across this region.

> May I plead with you not to ignore this email. Do not forward it before you have prayed through it. Then send it to as many people as possible.  
> Send it to friends and Christians you may know. Send it to your prayer group. Send it to your pastor and phone him/her to pray on Sunday during the service - making a special time of prayer for this. We need to stand in the gap for our fellow Christians.

**Obama has blocked delivery of critical weapons to Israel in the middle of war. Demand that the Obama Administration stop blocking weapons to Israel! Sign this petition by CUFI and pray!**

We were shocked to read reports in the Wall Street Journal, the Times of Israel and other reliable sources that President Obama has blocked delivery of critical weapons to Israel in the middle of a war. If these reports are true, they mark a new low point in our relationship with Israel.

**Report: Obama Blocks Israel Missile Shipment**

The President acknowledges that Israel has a right to defend itself from Hamas rocket fire. And the United States government has long recognized Hamas as a terrorist organization. Thus it defies logic, strategy and decency to learn that the President may be denying Israel the very weapons it needs to defend itself from these terrorists.

We have prayed that President Obama would bring greater moral clarity to his discussion of Israel's struggle against Hamas. We have encouraged Secretary of State John Kerry to remember that Israel, not Hamas, is our ally in the region. Now we're seeing this moral confusion bear the bitter fruit of dangerous policy.

Take Action!

**Apostasy Alert: Joel Osteen Rebukes Apostles Paul, Peter, and John** And, when asked by Piers Morgan if openly practicing gay/homosexual people will be accepted into heaven, Joel Osteen responded, “*I believe they will.*”

Joel Osteen Rebukes Apostles Paul, Peter and John

<http://unitedforawakening.com/joel-osteen-rebukes-apostles-paul-peter-and-john/>

### **What would Jesus say to Joel Osteen?**

First, Jesus would say, “*Repent!*” And, then He would say “*Woe to the shepherds who destroy and scatter the sheep of My pasture!*”

And, concerning Joel Osteen’s comment about practicing homosexuals being allowed into heaven Jesus has already spoken in His Word concerning this matter in 1 Corinthians 6:8-10 which says, “*No, you yourselves do wrong and cheat, and you do these things to your brethren! DO YOU NOT KNOW THAT THE UNRIGHTEOUS WILL NOT INHERIT THE KINGDOM OF GOD? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor HOMOSEXUALS, nor SODOMITES, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God.*”

# **Faith & Freedom Works: It is our time as Christians to raise our voice and speak into the political arena. We must speak up for Godly values and moral leaders.**

Use the Voter Lookup tool which can be accessed at the link below to make sure you're registered to vote! This is what they say on their site! However, I would hope that you would know if you are registered to vote!

Therefore, use this tool to check to see if your friends, family and neighbors are registered to vote and then talk to them about the importance of voting! And, if you are a Christian, please VOTE based on the precepts and principles of God's Word rather than affiliation to either political party and their agenda! Pastors please talk to your people now about this critical issue and hold voter registration at your church!

## **Action/Prayer/FYI Item #5:**

**Convert to Islam, Pay the Tax, Flee-or Die: This is what Christians are being told by radical Islamic Jihadist in Iraq. Learn how you can help Christians in Iraq.**

Imagine waking up one morning to find a red spray-painted symbol on the front of your house, identifying you as a Christian. The Arabic letter for "nun," meaning "Nazarenes," was recently painted on homes of Christians in the city of Mosul, Iraq, by an organized terrorist group called IS (Islamic State). Then on July 17, Christians were given a choice: convert to Islam, pay a high tax, flee or die.

VOM workers reported that some recited the *shahada* (Muslim confession of faith) and converted to Islam. None paid the tax to stay, and most fled the city to save their families' lives. The believers fled without their belongings, many on foot.

Access the following link for how we can help the persecuted Christians in Iraq as we pray for them.

**Florida Awakening Announces an Exciting Call for Florida's Destiny—and a special update on a "Biblical proportion" plague called citrus greening.** Citrus greening is caused by an insect that destroys both the citrus fruit and the trees. There is no cure despite millions of dollars being spent.

## **September 8 - October 17, 2014**

### **THE SITUATION:**

The State of Florida has a divine destiny to be a forerunner in the United States. A forerunner can be explained like this. Picture the United States as a large ship that is going in the wrong direction. She is headed towards a major storm that can cause significant damage. Florida is like the rudder of that ship. It is a small part of the ship yet it can change the course of direction at the hand of the Captain, Jesus Christ.

### **THE OPPORTUNITY:**

Currently Florida is experiencing a "Biblical proportion" plague called citrus greening. Citrus greening is caused by an insect that destroys both the citrus fruit and the trees. There is no cure despite millions of dollars being spent. The situation is desperate because it is predicted that within 10 years the entire \$9 billion industry will be devastated.

We believe that the issue of greening is a spiritual one and not primarily physical. The citrus greening plague is a catalyst or wake-up call to get the attention of the Church in Florida to pray for the healing of the land.

**A catalyst is that which causes transformation.**

Greening is also a symptom of the areas that need prayer for this healing to take place. But we are not merely praying for a problem to be solved; we are praying for a transformative revival in Florida that will impact our nation. With God's healing of the land in Florida, she will be a testimony of God's goodness and grace. As a forerunner she will be able to say to America, behold the Lamb of God who takes away sin. Florida, as destined by God, will be like the rudder of the ship of our nation that can help bring forth a Godly change of direction.

### **THE SOLUTION:**

As promised in His Word, we believe the Lord wants to heal the land in Florida. Yet the question is how? As a forerunner state, Florida must take the lead in exemplifying the power of true repentance which in turn moves the Lord to heal the land. To do this, Florida must practically demonstrate the enduring truth of God as prescribed in 2 Chronicles 7:14:

*“And my people, my God-defined people, respond by humbling themselves, praying, seeking my presence, and turning their backs on their wicked lives, I'll be there ready for you: I'll listen from heaven, forgive their sins, and restore their land to health.” (The Message Bible)*

This verse is quoted often yet the evidence of its truth must be seen in reality. This requires the Body of Christ in Florida to obey God's Word and then God will do what only He can do – heal our land of the greening disease. Such an answer by the Lord will serve as an example and encouragement to believers throughout America to obey 2 Chronicles 7:14 for their State. Together we can see a transformative revival then take place in our nation.

It is not assumed that the healing of the land in Florida will come overnight. Nor is this about any individual, denomination, ministry, or name. Many streams in the Body are working together to sound this call for such a time as this. Therefore, in response to God's promise to heal our land, a State-wide 40 days of humility, prayer, seeking God's presence, repentance, and fasting is being trumpeted.
