Urgent: Call Capitol Switchboard at 202-224-3121 to Reject UN Disabilities Treaty

The Scottish Government has just passed plans to introduce a named person or state guardian for ALL children under 18 living in Scotland (GIRFEC or *Getting It Right For Every Child*). This named person will be responsible for monitoring every child's well-being. We CANNOT allow this treaty to be ratified by Congress which would allow the same thing to happen here.

<http://www.scotland.com/forums/family-parenting/29680-state-guardian-all-scottish-children.html>

Supporters of the UN Convention on the Rights of Persons with Disabilities (CRPD) will be lobbying in force for Senate ratification of this dangerous United Nations treaty. They are busing in activists, making phone calls, and pulling out all of the stops. We must match their efforts.

Please call your two U.S. Senators right now and politely but firmly urge them to defeat the CRPD. Then, make a point to call again on Tuesday afternoon; we understand treaty supporters have scheduled a rally for that time, and we need to meet strength with strength.

Your message can be as follows:

“I urge you to oppose the UN Convention on the Rights of Persons with Disabilities. This treaty surrenders U.S. sovereignty to unelected UN bureaucrats and will threaten parental care of children with disabilities. Our nation already has laws to protect Americans with disabilities. This treaty is unnecessary and will hurt families by giving bureaucrats, instead of parents, the power to decide what is in the best interests of a child with disabilities.”

Senate staffers may argue that the Senate Foreign Relations Committee added Reservations, Understandings, and Declarations (“RUDs”) to the CRPD to answer our concerns with the treaty. RUDs are considered to be weaker than treaty language under international law, as my recent analysis shows at the following link:

The UN Disabilities Treaty is Fatally Flawed and RUDs will not Protect Us

Michael Farris
HSLDA Founder and Chairman

<http://www.hslda.org/docs/news/2014/201407221.asp>

Do we dare to trust our God-given right to direct the education and upbringing of our children to these RUDs?

Other staffers may argue that the treaty is only a statement of support for people with disabilities, and will not change US law. Remind these staffers that Article VI of the US Constitution says treaties that are ratified with the consent of the Senate “shall be the supreme Law of the land; and **the Judges in every State shall be bound thereby**, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.” The US already is the world leader in advancing the rights of persons with disabilities – we don’t need to ratify a UN treaty to remain the leader.

You can reach your senators by calling the Capitol Switchboard at 202-224-3121 and asking for them. You can also find their contact information by clicking on your state at Parentalrights.org/states.

Please Contact Your Members Of Congress And Urge Them To Co-Sponsor The Child Welfare Provider Inclusion Act Of 2014

In California, Massachusetts, Illinois, and D.C. religious adoption and foster care providers have had their government funding pulled and have been forced to end services, simply because they continue to believe in the importance of a child having a mom and a dad.

It's a sad sign of the times that some states have preferred to sever longstanding partnerships with faith-based providers rather than allow them to continue caring for and placing children informed by traditional moral beliefs about the family.

This important legislation sponsored by Congressman Mike Kelly in the House and Senator Mike Enzi in the Senate will ensure that the interests of children are placed ahead of political correctness. Specifically, this bill will prohibit discrimination against faith-based child welfare service providers by the federal government and by states receiving federal funds for adoption and foster care services.

The Child Welfare Provider Inclusion Act will prohibit such discrimination against faith-based child welfare service providers and will threaten states continuing such discrimination with a loss of federal funding. This important legislation will ensure that the maximum number of child welfare service providers can continue to advocate for children and will ensure that many adoptive families can continue to work with a provider which shares their core beliefs.

Please contact your Representative and Senator and urge them to co-sponsor the Child Welfare Provider Inclusion Act of 2014 by accessing the following link:

August 4th is Ninth of Av! Why is this date significant? Listen and learn concerning what happened on the Ninth of Av throughout history!

Mystery of The Ninth of Av by Jonathan Cahn

<https://www.youtube.com/watch?v=mEe9QO3tJAE>

Published on May 13, 2014

1890 The Ninth of Av Mystery by Jonathan Cahn. The stunning revelation of one of the most amazing mysteries that God wove into human history that spans over two and a half thousand years. From the destruction of Solomon's temple into the 20th century.

What Happened on the Ninth of Av throughout history?

Source: <http://www.aish.com/h/9av/oal/48944076.html>

On Tisha B'Av, five national calamities occurred:

- During the time of Moses, Jews in the desert accepted the slanderous report of the 10 Spies, and the decree was issued forbidding them from entering the Land of Israel. (1312 BCE)
- The First Temple was destroyed by the Babylonians, led by Nebuchadnezzar. 100,000 Jews were slaughtered and millions more exiled. (586 BCE)
- The Second Temple was destroyed by the Romans, led by Titus. Some two million Jews died, and another one million were exiled. (70 CE)
- The Bar Kochba revolt was crushed by Roman Emperor Hadrian. The city of Betar – the Jews' last stand against the Romans – was captured and liquidated. Over 100,000 Jews were slaughtered. (135 CE)
- The Temple area and its surroundings were plowed under by the Roman general Turnus Rufus. Jerusalem was rebuilt as a pagan city – renamed Aelia Capitolina – and access was forbidden to Jews.

Other grave misfortunes throughout Jewish history occurred on the Ninth of Av, including:

1. The Spanish Inquisition culminated with the expulsion of Jews from Spain on Tisha B'Av in 1492.
2. World War One broke out on the eve of Tisha B'Av in 1914 when Germany declared war on Russia. German resentment from the war set the stage for the Holocaust.
3. On the eve of Tisha B'Av 1942, the mass deportation began of Jews from the Warsaw Ghetto, en route to Treblinka.

Action/Prayer/FYI Item #6:

How can the US and the world expect Israel to make peace with Hamas, a terrorist organization, when Hamas clearly states in the Hamas Charter: 1) that Israel will exist until Islam will obliterate it 2) The land of Palestine is to be Islamic consecrate to the future Muslim generations until Judgment Day 3) There is only one solution to resolve the conflict and that is Jihad. Every Christian needs to read this report.

Below are the links to the Hamas Charter Part 1 and Part 2 and some excerpts taken from them that you will find to be very interesting. They will also substantiate why Israel will NEVER have peace with Hamas and the Palestinians.

Hamas Charter Part 1

Hamas Charter, Unabridged (1988), Part 1

<http://middleeast.about.com/od/palestinepalestinians/a/me080106b.htm>

Introduction

*“For our struggle against the Jews is extremely wide-ranging and grave, so much so that it will need all the loyal efforts we can wield, to be followed by further steps and reinforced by successive battalions from the multifarious Arab and Islamic world, **until the enemies are defeated and Allah’s victory prevails.** Thus we shall perceive them approaching in the horizon, and this will be known before long: “Allah has decreed: Lo! I very shall conquer, I and my messenger, lo! Allah is strong, almighty.”*

Article Seven: The Universality of Hamas.

“ Hamas is one of the links in the Chain of Jihad in the confrontation with the Zionist invasion. It links up with the setting out of the Martyr Izz a-din al-Qassam and his brothers in the Muslim Brotherhood who fought the Holy War in 1936; it further relates to another link of the Palestinian Jihad and the Jihad and efforts of the Muslim Brothers during the 1948 War, and to the Jihad operations of the Muslim Brothers in 1968 and thereafter. But even if the links have become distant from each other, and even if the obstacles erected by those who revolve in the Zionist orbit, aiming at obstructing the road before the Jihad fighters, have rendered the pursuance of Jihad impossible; nevertheless, the Hamas has been looking forward to implement Allah’s promise whatever time it might take. The prophet, prayer and peace be upon him, said: The time will not come until Muslims will fight the Jews (and kill them); until the Jews hide behind rocks and trees, which will cry: O Muslim! there is a Jew hiding behind me, come on and kill him! This will not apply to the Gharqad, which is a Jewish tree (cited by Bukhari and Muslim).

Article Eight: The Slogan of the Hamas

“Allah is its goal, the Prophet its model, the Qur’an its Constitution, Jihad its path and death for the case of Allah its most sublime belief.

Article Thirteen: Peaceful Solutions, [Peace] Initiatives and International Conferences:

“For renouncing any part of Palestine means renouncing part of the religion; the nationalism of the Islamic Resistance Movement is part of its faith, the movement educates its members to adhere to its principles and to raise the banner of Allah over their homeland as they fight their Jihad: “Allah is the all-powerful, but most people are not aware.” From time to time a clamoring is voiced, to hold an International Conference in search for a solution to the problem. Some accept the idea, others reject it, for one reason or another, demanding the implementation of this or that condition, as a prerequisite for agreeing to convene the Conference or for participating in it. But the Islamic Resistance Movement, which is aware of the [prospective] parties to this conference, and of their past and present positions towards the problems of the Muslims, does not believe that those conferences are capable of responding to demands, or of restoring rights or doing justice to the oppressed. Those conferences are no more than a means to appoint the nonbelievers as arbitrators in the lands of Islam. Since when did the Unbelievers do justice to the Believers? “And the Jews will not be pleased with thee, nor will the Christians, till thou follow their creed. Say: Lo! the guidance of Allah [himself] is the Guidance. And if you should follow their desires after the knowledge which has come unto thee, then you would have from Allah no protecting friend nor helper.” Sura 2 (the Cow), verse 120 There is no solution to the Palestinian problem except by Jihad.”

Hamas Charter Part 2

Hamas Charter, Unabridged (1988), Part 2

<http://middleeast.about.com/od/palestinepalestinians/a/me080106c.htm>

Article Twenty-Two: The Powers which Support the Enemy:

*“They also used the money to establish clandestine organizations which are spreading around the world, in order to destroy societies and carry out Zionist interests. **Such organizations are: the Freemasons, Rotary Clubs, Lions Clubs, B’nai B’rith and the like.** All of them are destructive spying organizations. They also used the money to take over control of the Imperialist states and made them colonize many countries in order to exploit the wealth of those countries and spread their corruption therein. As regards local and world wars, it has come to pass and no one objects, that they stood behind World War I, so as to wipe out the Islamic Caliphate. They collected material gains and took control of many sources of wealth. They obtained the Balfour Declaration and established the League of Nations in order to rule the world by means of that organization. They also stood behind World War II, where they collected immense benefits from trading with war materials and prepared for the establishment of their state. They inspired the establishment of the United Nations and the Security Council to replace the League of Nations, in order to rule the world by their intermediary. **There was no war that broke out anywhere without their fingerprints on it...**”*

Is their belief as stated above without merit? Especially since the Holy Spirit had me research and write about the following in my writing titled, *“Is there not a cause greater than ourselves?”* Part 3 of 4 which is under the 2012 Prophetic Word on my website which can be accessed at the link below:

<http://www.angeloffaith777.com/2012-prophetic-word.html>

Below is an excerpt from this teaching:

If you are willing to watch this video which will substantiate Free Masonry and the century old plan to bring America and the world to where we are now, this video will show how all three world wars were planned ahead of time so they could achieve their One World Order. World War I and World War II achieved the end result they predetermined.

Free Masonry and the Plan For A Single Political System

<http://netnewsnetwork.net/index.php?aid=277>

As a matter-of-fact, Albert Pike, who by the way is related to Zebulon Pike Jr.*, that Pike’s Peak located 10 miles west of Colorado Springs, Colorado is named after, wrote a letter to Mazzini (an *Illuminati Revolutionary head, 1834-1871*) on January 22, 1870, calling for a One World Order where he wrote about all three world wars.

*source:<http://www.geni.com/people/Brig-General-Zebulon-Pike-Jr-USA/6000000003978413223>

Following is Albert Pike’s assessment for World War III. Remember this was written back in 1870.

*"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and **political Zionism** (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion... We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, **disillusioned with Christianity**, whose deistic spirits will from that moment be without compass or direction,*

anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

Source: <http://portland.indymedia.org/en/2006/07/342663.shtml>

These men and women have sold their souls to Lucifer whom the Illuminati refer to as "the" *Enlightened One* who will use the Antichrist and false prophet to lead his army for the kingdom of darkness. Lucifer (a.k.a. Satan) is also referred to as an "angel of light."

Just like Lucifer, these men and women think they know better than God, and desire to exalt themselves above God, just like Lucifer tried to do before he was thrown out of heaven for the first time. This is why they believe they have the right to decide who lives and who dies as they seek to reduce the world's population by 2/3 and why they seek to proliferate abortion, same-sex marriage, eugenics, manufacture cataclysmic events, including genocides, and institute "sustainable development" the UN initiative under the umbrella of Agenda 21.

The Antichrist and his army will seek to destroy both Israel and America because their end goal is a New World Order with **world dominance by the Islamic Caliphate and instituting Sharia worldwide.**

Their biggest obstacle in achieving their agenda is people who believe in Yahweh, the God of Abraham, Isaac, and Jacob, and His Son, Jesus Christ. Therefore, anyone unwilling to claim Allah as their god must be eliminated. This is why Islamic Jihadists harbor so much hatred for the Jewish people and Christians. This is why they are "anti" anything of God and need to remove God from the public square and use Atheists for the time being to **silence** believers in Jesus Christ. The Apostle Paul's exact words in 2 Thessalonians 2:1-4 are those "...**who opposes and exalts himself ABOVE all that is called God.**"

The only thing standing in their way from achieving their One World Order/New World Order is **America's sovereignty**. Once America loses her sovereignty these end-time events will happen rapidly just like the contractions increase in intensity and frequency just before a woman gives birth.

Article Thirty-Two: The Attempts to Isolate the Palestinian People

" Within the circle of the conflict with world Zionism, the Hamas regards itself the spearhead and the avant-garde. It joins its efforts to all those who are active on the Palestinian scene, but more steps need to be taken by the Arab and Islamic peoples and Islamic associations throughout the Arab and Islamic world in order to make possible the next round with the Jews, the merchants of war. "We have cast among them enmity and hatred till the day of Resurrection. As often as they light a fire for war, Allah extinguishes it. Their effort is for corruption in the land, and Allah loves not corrupters." Sura V (Al-Ma'idah—the Table spread), verse 64.

'Son of Hamas': Taking down Hamas is a necessity

<http://www.jpost.com/Middle-East/Son-of-Hamas-Taking-down-Hamas-is-a-necessity>

"Let's not forget that our enemy is a barbarian enemy and they are using women and children as shelter, and in situations like this we [Israel] are very limited, because we care about our citizens," he added."

So my question to all Americans and Christians reading this report is this: Why is the US pushing Israel to enter into a peace agreement with Hamas and the Palestinians when there will never be peace as they have clearly written in the Hamas Charter?! Do you think the powers to be don't know what the Muslim Brotherhood/Islamic Caliphate objectives are?

As a matter of fact, they do! And, it is for this reason that the Islamic Caliphate are in bed with the Vatican, Socialist, Communists, IMF, Council on Foreign Relations, UN, the global elite, etc. to name a few in order to establish their New World Order/One World Order/Revived Roman Empire/Antichrist Kingdom. And, this time around they will seek to kill both Jews and the Christians until the day of Resurrection! And, it is for this very reason I am going to release a teaching titled, "Are We Seeing The Rise Of The Final Beast Kingdom Based On Revelation 13 And The Interpretation Of The Great Image That King Nebuchadnezzar Saw In His Dream Detailed In Daniel 2:31-45?" which is under the 2014 Prophetic Word on my website.

Therefore, all these things have been orchestrated by the powers to be—the global elite, from the beginning! We are all being played by both sides and they are purposely bringing division because they know that united we stand and divided they will conquer us all. This is one of Satan's favorite strategies! Wake Up!

I hope and pray that this prophetic update will help you to fully understand how dire and late the hour actually is as we are seeing the rise of the final beast kingdom right before our very eyes based on Revelation 13 and the interpretation of the great image that King Nebuchadnezzar saw in his dream detailed in Daniel 2:31-45.

Furthermore, I hope and pray that God will give you eyes to see and ears to hear so that you will know beyond a shadow of doubt that it is time to prepare ourselves spiritually, mentally and physically for the things which are about to transpire and get right with God NOW before it is too late to make course correction!

And, last, but certainly not least, just so that you know, I would never ask you to do what I am not willing to do first myself. Therefore, I have taken the time to watch and inquire of the Lord concerning these five videos I am sharing in this teaching with you. Moreover, I have studied the Word of God and other resources to confirm the validity of what is being said in them. And, in doing so I have found some discrepancies based on Scripture, but for the most part, they are right on the mark! Therefore, I ask that you to do your own homework and ask the Holy Spirit to reveal His truth to you concerning all these things which are presented in these videos and in this writing!

US Senate Blocks Iron Dome funding for Israel

<http://www.jpost.com/Operation-Protective-Edge/US-Senate-blocks-Iron-Dome-funding-to-Israel-369699>

"I will make you (Abram) a great nation; I will bless you And make your name great; And you shall be a blessing. I will bless those who bless you, And I will curse him who curses you; And IN you all the families of the earth shall be blessed." ~ Genesis 12:2-3 (NKJV)

*Thus says the Lord: “Against **all My evil neighbors who touch the inheritance** which I have caused **My people Israel to inherit**—behold, **I will pluck them out of their land** and **pluck out the house of Judah from among them.**” ~ Jeremiah 12:14 (NKJV)*

Therefore, if we want to be blessed by the Lord, instead of cursed by Him for **not** standing with the nation of Israel and the Jewish people, not only should we as the body of Christ pray unceasingly for Zion’s salvation, it is our duty to provide materially for them as well based on the following Scriptures.

*“For **Zion’s sake** I will not hold My peace, And for **Jerusalem’s sake** I will not rest, **Until her righteousness goes forth as brightness, And her salvation as a lamp that burns.** The Gentiles shall see your righteousness, And all kings your glory. You shall be called by a new name, Which the mouth of the LORD will name. You shall also be a crown of glory In the hand of the LORD, And a royal diadem In the hand of your God.” ~ Isaiah 62:1-3 (NKJV)*

*“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their spiritual things, their **DUTY IS ALSO TO MINISTER TO THEM IN MATERIAL THINGS.**” ~ Romans 15:27 (NKJV)*

The Illegal Immigration Issue will be escalating, for some to the point of violence! How should we respond? Heed this warning and pray without ceasing during the next four months.

Every Christian, and those who are members of the Tea Party, the 912 movement, and all the grassroots organizations needs to read and heed this warning!

Immigration Provocation: Overcoming Evil with Good.

<http://unitedforawakening.com/multimedia-archive/immigration-provocation-overcoming-evil-with-good/>

The powers to be with the *Spirit of Antichrist* are trying to provoke a race war with the script they have already written in the DHS Rightwing Extremist Report the Lord had someone send to me several years ago while I was at a prayer meeting. Their script is posted on my website under the tab titled “*Are you a threat to homeland security?*”

Now I would like you to listen to this sermon by Jeremiah Johnson titled, “*When Ceilings Become Footstools*” In this sermon Jeremiah Johnson released a prophetic word for August 2014. Please take the time to listen to this word concerning DC being on high alert during August, September, October and November, the immigration crisis will be escalating and what it will take for you to breakthrough your ceiling of limitations to come up higher with God. We will need to know what to pray for and how to pray in the next four months so we can partner with God for His will to prevail.

The 2014 Mid-Term Elections Are Coming Up! Why it is important for believers to vote in this election and according to God's principles found in His Word based on the United States Reformation Prayer Network (USRPN) Voter's Guide for Every State in America

We are less than 100 days away from the 2014 mid-term elections, which will be held on November 4! It's vital that believers across the nation get involved and vote for godly candidates this year.

Here's why:

- The United States Senate and House of Representatives will be elected.
- Most state Senates and Houses will be elected.
- Most state executive offices (governor, lieutenant governor, secretary of state, attorney general, etc.) will be elected.
- Important ballot measures will be voted on. Some of these will decide key issues such as the legality of same-sex marriage and marijuana use.

Voting is a privilege and a fundamental freedom that we've been blessed with!

Unfortunately, only half of the Christian community is registered to vote. And an even more shocking fact is that only half of those who are registered actually vote! (1) This means that a **meager 25% of the Church participates in elections** and plays a part in setting our government leadership in place. Imagine how the nation would change if 100% of the Church voted! Or even 75%!

To assist you in voting for godly leadership, we've developed simple, easy-to-use election guides for each state. We

encourage you to select yours, and use it to aid you in voting this year! Please access the link below your state to see your election guide.

Action/Prayer/FYI Item #1:

Calling all hands on deck: It is time to take action on a local level against Common Core (aka Sunshine States Standards) for students attending Hillsborough County Public Schools

Recently there were four events where we came together in an organized fashion and encouraged our school board and local legislators to STOP COMMON CORE! The next event will be held on August 12th 2014 at 3:00 p.m. at the Hillsborough School Board Meeting.

However, our plea to stop Common Core has fallen on deaf ears! As such, we are organizing and asking all parents, grandparents, and patriots to take an active role in making this a reality in Hillsborough County Florida. If you are interested in our children's welfare then you must be advocates for them NOW! Please contact Terry Kemple if you are willing to step up to the plate to help stop Common Core in Hillsborough County by attending these meetings and taking action in an organized focus fashion. Terry Kemple, who is running for School Board for District 4 in Hillsborough County Florida can be reached via email at tkemple@integrity.com

At a recent town hall meeting in Plant City people asked Superintendent Elia questions about Common Core (aka Florida Standards). Many were concerned about the convoluted methodology even the youngest students were being required to use to solve problems.

When Terry Kemple challenged her responses she told the crowd that she was in favor of better standards for our children. In the way she phrased her answer she was implicitly saying that those who oppose Common Core don't want better standards.

Terry Kemple's immediate reply was, "We want better standards. We just don't want Common Core!" At that the room exploded in applause!

Your vote for Terry Kemple will put someone on the school board who isn't afraid to speak out on issues like this!

2014 County-by-County Election Recommendations

After considerable difficulty the first **2014 County-by-County Election Recommendations** are being posted at www.UnitedChristiansOfFlorida.com .

You will note that in order to foster more interest and enthusiasm for the Primary Election, we have included some available General Election information. Let's emphasize the importance of School Board, Judicial and some other critical Primary contests with the potential voters.

At United Christians we learned that next election year a new and improved website is mandatory. For now, you can View/Print/Share the first few counties at:

HILLSBOROUGH County
