Fighting Agenda 21 around the country

Trans Pacific Partnership

The Obama Administration is negotiating, *in secret*, a dangerous trade and global governance agreement called the Trans Pacific Partnership (hereinafter referred to as TPP). Sold under the guise of "free trade", the TPP is an assault on our constitution. It will transfer large swaths of Congress' and state power to international tribunals, all the while "harmonizing" U.S. law with international rules.

Sovereignty

Please take time to read this article titled, "***It's war: stop the TPP AND TAFTA***" by accessing the following link:

<http://www.newswithviews.com/Devvy/kidd624.htm>

Today we launch two "**Action Pages**" to show Congress we are not in favor of giving up our sovereignty. And that is exactly what this trade agreement will do, on a local, state and federal level. It is globalism under the guise of trade. Please help us stop it. Here's how.

My name is Jim Kinney. I have recently begun working as the Executive Director for the Convention of States Project, and I have some great news.

The COS Project is about to begin a brand new series of free, interactive webinars entitled *Article V: The Real Deal*. *The Real Deal* will walk you through the Convention of States process in plain, simple English and answer some of the most common questions about Article V before, during, and after the convention.

Part I – Before the Convention: Mythbusting

Michael Farris, head of the COS Project, will kick things off on **February 3 at 8pm EST** by doing some myth busting. A number of objections have been raised against a Convention of States, and Michael would like to respond to a few of them.

Part II – During the Convention: We Know the Rules

On **February 13 at 9pm EST** Prof. Rob Natelson, leading expert on Article V, will explain how a Convention of States would operate based on previous interstate conventions as well as legal precedent.

Part III – After the Convention: A Vision for the Future

Finally, on **February 20 at 9pm EST**, Mark Meckler, President and Founder of Citizen's for Self-Governance, will paint a picture of America after we hold a Convention of States.

WARNING! THE GOVERNMENT HAS THEIR SIGHTS ON YOUR RETIREMENT ACCOUNTS!!!

Glenn Beck Slams New Obama Initiative as 'The Biggest Heist in Human History'

The article concludes with a warning: "Here's the thing: according to the IRS, there is well over \$5 trillion in US individual retirement accounts. For a government as bankrupt as Uncle Sam is, \$5 trillion is irresistible. They need that money. They need YOUR money. And this MyRA program is the critical first step to corralling your hard earned retirement funds."

<http://www.theblaze.com/stories/2014/01/30/glenn-beck-slams-new-obama-initiative-as-the-biggest-heist-in-human-history/>

The Lord has been warning His people for many years that the IRAs and 401ks will be confiscated as the government gets more desperate for revenue in their attempt to sustain the entitlement programs they have created to make the people in America dependent on the government for! You will want to see the next action/prayer/fyi alert to understand why they will need more of YOUR money!

Therefore, seek the Lord now if you haven't already done so in order to secure your financial assets accordingly. Do NOT let the fact that you will have to pay a tax penalty to get your 401k or IRAs out to invest in PHYSICAL gold or silver sway you. The tax penalty is a small price to pay in lieu of losing everything you have saved for!

Do NOT invest any of your money for investments on paper such as stocks, bonds, and even gold and silver they "say" you own, but you do not physically possess! It will be totally worthless!

Action/Prayer/FYI Item #6:

Generating income while America falls

by Kirk Elliott, Ph.D.

As I watched the State of the Union address and was watching the instant polls come across, I was somewhat surprised by the results. The democrats were not as enthusiastic about the speech as I expected, and the republicans were not as opposed to it as I thought would have been the case. This represents a disconnect from the American public and lawmakers. The alarming thing to me is this: Trust has diminished. We need leaders not politicians, as there is a difference. The lack of trust shows we have a lack of true leadership.

One thing is alarming. The economy is getting worse. Dependence on public money is increasing rapidly. Watch the following video. I am working on a webinar that analyzes the parallels of the fall of Rome to America today. When I finish the webinar I will get you all a copy. In the meantime, an excerpt is below.

Excerpt from Parallels of the Fall of Rome and America

https://www.youtube.com/watch?v=ziHQPLPUG8&inf_contact_key=de75b140e06f8b2c35e4d3a7e9f0a8ba158daf74388f46d5fd4ac976381d99a7

When Rome fell from a Republic into a dictatorship ruled by emperors, about 33% of Rome was receiving public assistance from the government. Where is America? 81% of all federal revenue goes towards mandatory payments (like Social Security), or entitlements like Medicare, Medicaid, food stamps, Women Infant Children programs, etc. WOW!!!! Another alarming trend I show in the excerpt below is that 33 states now have welfare benefits is MORE INCOME than someone working full time on minimum wage! OH MY WORD!!!! Imagine, move to Hawaii, get on welfare, and then sit on the beach instead of working where you collect more than \$60,000 per year. FOR NOT WORKING!!!!

States where welfare payments are MORE than a minimum wage job

Hawaii \$60,590	D.C. \$50,820	Massachusetts \$50,540
Connecticut \$44,370	New York \$44,370	New Jersey \$43,450
Rhode Island \$43,330	Vermont \$42,350	New Hampshire \$39,750
Maryland \$38,160	California \$37,160	Oregon \$34,300
Wyoming \$32,620	Nevada \$29,820	Minnesota \$29,350
Delaware \$29,220	Washington \$28,840	North Dakota \$28,830
Pennsylvania \$28,670	New Mexico \$27,900	Montana \$26,930
South Dakota \$26,610	Kansas \$26,490	Michigan \$26,430
Alaska \$26,400	Ohio \$26,200	North Carolina \$25,760
West Virginia \$24,900	Alabama \$23,310	Indiana \$22,900
Missouri \$22,800	Oklahoma \$22,480	Louisiana \$22,250

The end result is going to be higher taxes for everyone. The government will need to print more money to fund obligations, and job security will diminish as taxes increase, people spend less, and unemployment rises.

I am blessed to know people all over the country and the world who are EXPERTS in generating income for people. In a time when job security is going away, some of the business development experts helping hard

working people on numerous continents generate income that is not dependent on location or attached to your current job.

In a nutshell, they can help you:

- **Generate income 24/7 that you can take with you anywhere**
- **Give you TIME FREEDOM and FINANCIAL FREEDOM**
- **Reduce stress levels associated with the stress that comes from uncertainty of jobs, political upheavals, and economic downturns.**

Create legacies and income streams that can be passed on to future generations. I urge you to fill out the form below if you are interested in hearing from them. They will reach out to you, and determine if they can help you THRIVE in this economy, rather than just existing in survival mode. There are amazing opportunities, even in this economy. You just have to know who look, and allow yourself to be mentored by experts that can generate income that produces FREEDOM! I am an expert and PROTECTING AND PRESERVING your assets once you have acquired them (i.e. retirement accounts and other investing accounts)--these experts are not financial advisors, but rather business people who have dedicated their lives to helping people generate income. SO IMPORTANT IN TODAY'S WORLD.

2 22
CONFERENCE

FEBRUARY 21ST - 23RD **MOTT AUDITORIUM**

SPEAKERS: KRIS VALLOTTON CHERYL ALLEN
MATT LOCKETT DEAN BRIGGS
LOU ENGLE WILL FORD

COST IS FREE.
REGISTRATION REQUIRED. **REGISTER NOW** >

Register now for the 2 22 Conference in Pasadena, CA! with Lou Engle at the following link:

<http://www.thecall.com/Groups/100000220/TheCall.aspx>

I am excited to invite praying saints from around the nation to our 2 22 conference! Historically the numbers 2 22 have been huge in the prayer assignments I have received for California, America, and for my spiritual sons and daughters. From Genesis 22:2, "Take now your son, your only son whom you love, and offer him on the mountain I will show you...", to Isaiah 22:22, "Then I will set the key of David on his shoulder, what he opens no one will shut, and what he shuts no one will open", I have learned that sonship and identity are critical to the release of governmental authority and spiritual breakthrough. These crucial concepts are what will fuel our 2 22 conference!

As I preach at this 2 22 conference, I hope to ignite a 40 day fast for two generations! I believe this will be the catalyst of revival, a student volunteer mission's movement, and a jubilee season of divine harvest. We are in a moment where purely historic revival is no longer an option. Something must move us beyond conference to consecration, as we first gather at this 2 22 conference and then march to TheCall Berkeley October 4th! A great rebellion took place in Berkley, but a great Jesus movement was able to overtake it! Therefore, it is fitting to conclude, with the statement of Mario Murillo who saw that great awakening in 1974 in Berkeley,

"You stand before the greatest door in history. Beyond this door lie the most

precious gifts of God. Beyond this door, you will find the keys to the secrets of heroes of faith who have gone before you. They shook their generations, they shut the mouths of lions, they established justice, and they stood, at one time, where you now stand.”

It's been 40 years! The time has come for our sons and daughters to claim and encounter a new Jesus movement rooted in identity for their generation!

Please join us for three power packed days of teaching and worship in the historic Mott Auditorium, beginning at 2pm on February 21st and ending at 7pm on February 23rd. We will have incredible speakers from all over the United States some of which include: Lou Engle, Kris Vallotton, Dean Briggs, Chris Berglund, Matt Lockett, Will Ford, and Cheryl Allen. With presence worship by David Brymer, Daniel Mathews, and Ryan Hall.

You will not want to miss Kris Vallotton, of Bethel church, will also bring a defining word on who we are as sons of God and the life of faith. Then on Saturday afternoon (2/22) you will hear an amazing story of two men, Will Ford and Matt Lockett, who are currently receiving the keys to challenge racism and abortion in America.
