GOD'S STRATEGIC PLAN

Foreword

The reason why I have the state of Florida depicted in this plan is because Florida is the forerunner state for awakening and reformation to sweep across this nation initiating the final great awakening worldwide. As a matter-of-fact, the Word of the Lord as delivered by Ken Malone during a prayer gathering back in February 2012 is as follows:

*"The Tampa Bay region **CAN** determine the destiny of this nation **THIS** year **IF** His Ekklesia arises in this region."*

This is one of the reasons why God opened the door for me to be on the board of the Save America Foundation, be the state Director for the TeaParty Command Center, and the state of Florida coordinator of the Black Robe Regiment. It is all about divine strategic connections and alignments.

This word of the Lord delivered by Ken Malone (who has apostolic authority for the state of Florida) is very significant for those of us residing in Florida, particularly the Tampa Bay Region, which includes, Pinellas, Clearwater, Brandon, Plant City, Lakeland, Apollo Beach and Tampa. In other words, God is saying, *"**If** His church arises and becomes fully engaged in this spiritual battle, which includes taking action in the election process, we **CAN** determine the destiny of America this year!."*

As such, God is looking to His leaders to unite and become a focused, organized army to take Florida back for the Lord. Then depending on the success of us doing this for the state of Florida, we can then implement this same strategy in every state across this nation.

I wrote my first book titled, *"Shattered Dreams-Wake Up America Before It Is Too Late!"* for the Lord in 2004 when the Holy Spirit prophetically showed me the demise of our nation. The bulk of this book was for the purpose of calling His people to return back to our first love Jesus Christ by turning from our wicked ways—repenting. Furthermore, I just got done writing His second book titled, *"God's Blueprint For His End-Time Church—Let His Church Arise!"*

The “root” cause of everything we are reaping in America is because His people (not the lost) have rebelled and forsaken God, our Creator, who is the one who gave us certain unalienable rights to life, liberty and the pursuit of happiness in the first place. **Until this “root” cause is dealt with we will not save this Republic.**

The Lord says there is a lot of fasting and praying going on—but for the most part His people who are called by His name are not living Holy and must repent! This is all conveyed under the 2012 Prophetic Word on my website at www.angellofffaith777.com titled *America, Repent or Perish*. However, if you want to understand the “big” picture of what we are facing and how late the hour truly is read the word I just sent across this nation in a four part series titled *“Is there not a cause greater than ourselves?”* After you read part 3 of 4 of this series you will know beyond a shadow of doubt why God is our only hope for saving our nation and ourselves!

Moreover, in this hour the Lord is networking and interweaving all His ministries/mandates together for His purposes and glory to be accomplished to save America. At this time, my top mandate is to network His faithful remnant who will set aside their own agendas and help implement God’s strategic plan across this nation, and it begins in Florida.

God’s strategic plan for winning this spiritual battle we are engaged in is comprised of 7 “Key” strategies. They are as follows:

Key #1- A fresh anointing and outpouring of the Holy Spirit

Key #2 – Invoking 2 Chronicles 7:14 and Joel 2:12-17 **REPENTANCE IS A MUST!**

Key #3- Focus on what God has asked us to do THEN take action.

Key #4- Take the land in a unified, organized, focused manner. United we stand, divided we shall fall.

Key #5 - Unifying “key” organizations and people God has raised up for a time such as this to take dominion and authority in all seven mountains in our society for God’s glory and purpose to prevail. This will be accomplished by forming strategic alliances on a county by county basis in **every** state across America. This includes taking back the power and authority the federal government was never suppose to have by restoring the sovereign commonwealth back to the states .

Key #6- Identifying and uniting **all** Houses of Prayer which will become places of refuge

Key #7 – Education is critical- “His people perish from lack of knowledge.”

Do you know why we are losing this critical battle to take back our land from the hand of the enemy? The missing link is we are not a unified, focused army like the left is with a national leadership team to spearhead this initiative. I became sick to my stomach when the Lord took me through an exercise a couple years ago to see how many organizations are out there for His cause. It is no different than having a church on almost every corner in America yet we have become irrelevant in influencing our society and is why America looks more like Satan's lair rather than "One nation under God." If we were following the headship of Jesus Christ and were one in Spirit and in Truth like we are supposed to be we wouldn't have all this division. Satan knows if he can divide, he will conquer. Furthermore, the enemy always uses chaos to achieve division.

Furthermore, we keep reinventing the wheel and not pooling our resources and expertise with one another. Many organizations are currently duplicating each other's efforts. Do you know how many grassroots organizations there are for the state of Florida alone, but they do not work in tandem with one another? Just via FreedomWorks alone there are over 300 grassroots organizations in the state of Florida each with their own website and the leaders of these groups keep their contact information hidden. As a matter-of-fact if you want to send out an action alert for the state of Florida you need to update it on all 300 groups individually instead of being able to propagate it to all the groups by one touch of the send button. How insane! They "say" they want to work together but their actions speak differently. As a matter-of-fact, many have been infiltrated by the GOP and are doing their bidding! Do you know how many different websites there are out there? We are becoming paralyzed by too much information coming from various sources, when they need to come under one umbrella. All the groups in the family mountain working together, all the legal groups working together, all the groups such as Oath keepers/Sheriff Mack's initiative/the state militia working together, all the groups in the education mountain working together, all the grassroots groups working together, all the prayer groups working with all these groups etc.

We must work smarter, not harder, and we have no time to reinvent the wheel. Also, prayer is one of the most critical aspects in this strategic plan and as such, **prayer and action must go hand in hand**. An example of what I am talking about is when many intercessors created a fortress of prayer and prophetically declared and decreed God's will to be done at the capitol in Tallahassee. At the same time many Christian activists all over the state of Florida sent emails, letters, and telephoned their congressmen concerning pro-life legislation. Based on the passage of five pro-life bills during the last

legislative session, I would say prayer and action are crucial in establishing God's Kingdom in our society and will allow us to take back America for Him.

EDUCATION IS CRITICAL

Educating believers and non-believers, especially our children, on our Judeo-Christian Heritage, the uncompromised Word of God, and the season we are entering into includes but is not limited to the following:

- The fact our nation was founded under the divine providence of God according to the precepts and principles found in His Word.
- Our legal right to fight against those groups or legislative issues eroding our Judeo-Christian precepts and principles our country was founded on.
- Identify and research the character of political candidates running for office. We must watch what they "do," not what they "say." Voting based on the political affiliation of both the Republican and Democratic parties must be thrown out the window. Both parties are corrupt beyond measure. We must identify potential candidates based on their integrity and character alone! Then we must vote according to God's precepts and principles found in His Word.
- Our founding documents-the U.S. Constitution, Bill of Rights and our Declaration of Independence.
- Our Jewish roots in Christianity and understand why it is critical America and the Body of Christ honors the Abrahamic Covenant and stands with Israel and the Jewish people like never before.
- Our elected officials are unknowingly, mostly due to ignorance of God's Word, cursing our nation. We need Godly people to build relationships with our elected officials to help educate and persuade them to enact God's principles and precepts into public policy. If they do not listen, we need to confront them and pray that God will remove them as a public servant. We must also come alongside and help Godly

men and women who are running for office for the first time, with prayer and action. This includes rallying the Body of Christ to help them with their campaigns by volunteering their time, donating financially, and last but certainly not least, voting for them.

You will then understand what the Lord is saying in this hour when you read Isaiah 8:1 through 9:21. He is saying He will use our enemies to bring judgment to America just as He did to Israel long ago on our current path. Particularly pay attention to the following verse in Isaiah 9:8-10 which states: “*The Lord has sent a message against Jacob; it will fall on Israel. All the people will know it— Ephraim and the inhabitants of Samaria—who say with pride and arrogance of heart,* ¹⁰ *“The bricks have fallen down, but we will rebuild with dressed stone; the fig trees have been felled, but we will replace them with cedars.”*”

In the beginning of our Republic’s founding by the divine providence of God, our Creator, **and** established on Judeo-Christian values thereof, a wise, Spirit-filled man once said...

*“If Satan rules in our halls of legislation, **the pulpit is responsible for it.** If our politics become so corrupt that the very foundations of our government are ready to fall away, **the pulpit is responsible for it.** Let us not ignore this fact, my dear brethren; but **let us lay it to heart, and be thoroughly awake to our responsibility in respect to the morals of this nation...** If our politics become so corrupt that the very foundations of our government are ready to fall away, **the pulpit is responsible for it.** Let us not ignore this fact, my dear brethren; but let us lay it to heart, and **be thoroughly awake to our responsibility in respect to the morals of this nation. The Church must take right ground** in regard to politics. . . . The time has come that **Christians must vote for honest men,** and **take consistent ground** in politics or the Lord will curse them. . . God cannot sustain this free and blessed country, which we love and pray for, **unless the Church will take right ground.**”*

*Politics are part of a religion in such a country as this, and **Christians must do their duty to the country as a part of their duty to God**. . . . [God] will bless or curse this nation, according to the course [Christians] take [in politics].” ~ Charles G. Finney, a leader in the Second Great Awakening, December 4, 1873*

BIBICAL PRINCIPLES/PARALLELS

EXAMPLE #1 – WE MUST REBUILD THE BROKEN DOWN SPIRITUAL WALL FIRST IN OUR OWN HOUSES. THEN IN OUR NEIGHBORHOODS, COMMUNITIES, STATE AND NATION

Our nation is on the verge of forever being lost due to the broken down spiritual wall all across America. We need to do what Nehemiah did and not just discuss what the problems are, but actually “do” something about them based on the revelation we receive from the Lord. Also, like Nehemiah, we need to take back this nation for the Lord by rebuilding the broken down spiritual wall first in our homes, then on a **local** basis in our neighborhoods, communities, state, and then our nation.

Just as when God first called Nehemiah to rebuild the broken down walls in Jerusalem, Nehemiah found a disorganized group of people with no effective leadership. There was no one to show them where to start and what direction to take. The current problem we are facing is the lack of effective leadership and delegating specific tasks within the five-fold ministry of Jesus Christ. No one person or group can accomplish this mandate from the Lord by themselves. We need each other and must be willing to work in tandem with one another before it is too late for America.

Just as Glenn Beck has repeatedly stated for at least the past year, the Radicals/Islamists/Communists/Socialists are working together to create the New World Order (One World Order). Currently they have their eyes set on Israel and America. Removing America’s sovereignty is their **only** stumbling block for them to fully realize their agenda.

It is clear the enemy’s army does not have a problem unifying in an organized, focused manner. It is for this very reason they are winning the battle to fundamentally transform America. They have embraced and perfected the power of having a fortified army based on their expertise in community organizing. God’s people must do the same.

We need to rely on the **apostolic** leadership in the body of Christ for the overall vision and action needed to be taken. In the overall scope of this mission we need to form strategic alliances (coalitions), with leaders in the Black Robe Regiment, Tea Parties, 912 groups, political leaders (county commissioners, school board members, etc), law enforcement agencies, education forums, media, business alliances, arts and entertainment, and family focused groups.

How can this be accomplished? The answer is found in the book of Nehemiah. Nehemiah organized, managed, supervised, encouraged, met opposition, confronted injustice, and kept going until the walls were rebuilt—he was a man of action! There comes a time when God expects us to be obedient to “do” what He has already instructed us to do through prayer.

As in the case of Nehemiah, God still wants His people to be united and to mobilize others to pray **and put together an action plan**. Prayer alone is not enough! Nehemiah constantly combined prayer with preparation and planning then he acted on the vision. Through prayer, God guides our preparation, teamwork, and diligent efforts to carry out His will. Nehemiah was successful with what God called him to do because he realized that prayer and action **must** go hand in hand! Seemingly impossible tasks, CAN be accomplished when God is helping those who honor Him **and** when our efforts are united.

We need to infiltrate the seven mountains of culture in our society (Religion, Family, Government, Business, Education, Arts/Entertainment and Media) by being the salt and light in our “secular” society. Only then will we be able to take the land back from the enemy. How can we become relevant for turning the tide for our nation’s moral depravity and making a difference for His Kingdom if we only associate with each other in the Body of Christ? We cannot. Furthermore, we need to employ the same strategies like Nehemiah did. They are as follows:

- ✚ Nehemiah was willing to give up a comfortable and wealthy position in Persia to rally the people to rebuild the wall. Are we willing to lose our tax exempt status and set aside our own agendas by building our own ministries to answer the cry of God’s heart to take the state of Florida, then America back for Him? To accomplish more for the sake of God’s kingdom, we must pray, persevere, and sacrifice like Nehemiah did.

- ✚ Nehemiah organized the people into groups and assigned them to specific sections of the wall. (See chapter 3 of the book of Nehemiah). Also, he devised a plan of defense that would unite and protect his people—half the men worked while the other half stood guard as watchmen.
- ✚ Furthermore, just like all the citizens of Jerusalem did their part on the huge job of rebuilding the city wall, the work of the church requires **every** member's effort in order for the Body of Christ to function effectively (1 Corinthians 12:12-27). This effort will require the five-fold ministry of Jesus Christ—not just the intercessors! Also, in the secular world just focusing on the “political” aspect is doomed to failure because this is a spiritual battle we are engaged in for the hearts and souls of the people in this nation!
- ✚ The work of rebuilding the wall did not come without opposition from the enemy. However, Nehemiah employed a strategy to frustrate the enemies—prayer, encouragement, guard duty, consolidation. (See chapter 4 of the book of Nehemiah).
- ✚ After the rebuilding of the wall was complete, Nehemiah continued to organize the people, taking a registration and appointing gatekeepers (watchmen), pastors and priests, and other officials. In today's scenario this would be leaders in the Black Robe Regiment, Tea Parties, 912 groups, political arena, law enforcement agencies, education forums, media, business alliances, arts and entertainment and last, but certainly not least, family focused groups. (See Chapter 7 of the book of Nehemiah).
- ✚ Although the rebuilding of the wall was complete, the work was not done until the people rebuilt their lives spiritually by listening to the uncompromised truth of God's Word. Nehemiah partnered with Ezra, who led the city in worship **and** Bible study to bring the people back to the Lord **by living** according to His precepts and principles found in His word with absolutely no compromise, tolerance, or political correctness allowed. **This brought about national repentance.** As they were taught by Ezra they recognized the sin in their lives, admitted it, and took steps to remove it. (See Chapters 8 and 9 of the book of Nehemiah).
- ✚ This led to a reaffirmation of faith by repentance and revival as the people promised to serve God faithfully. (See Chapters 10, 11 of the book of Nehemiah).
- ✚ Nehemiah identified leaders who would be accountable to follow thru with eradicating sin from the land. (See Chapters 12, 13 of the book of Nehemiah).

✚ Like Nehemiah, we must first meet the physical needs of people by providing food, water and shelter. Then God will use this opportunity for us to meet their spiritual needs of deliverance and healing to bring them to the saving knowledge of Jesus Christ. When Jesus healed people He didn't first tell them they had to accept Him as their Lord and Savior. He healed them and delivered them, and as a result, they accepted Him and gave God the glory and praise. Then they became evangelists automatically by sharing what He did for them to others resulting in the masses seeking the Messiah. (See Part II-Identifying Houses of Prayer/Houses of refuge)

EXAMPLE #2- UNITY AS ONE BODY OF CHRIST UNDER THE HEADSHIP OF JESUS CHRIST

Genesis 11:1-9 details the story of the Tower of Babel and why God stopped the people from speaking the same language and scattered them. It was because they wanted to build a great city for themselves with a tower that reached into the sky to make **them** famous. **The word of the Lord is, "Unless I build the house, its builder's labor in vain. There will be no other agenda except that which is established by Me. All false unity movements will fail if the intent is to build your own ministries."**

When we are joined in unity with one another we must all come to the same consensus with what the Lord has said and this applies to implementing the strategies He has given us as well. There is NO division in the spirit. As such, when we agree and move forward in true unity with what the Holy Spirit leads us to do "nothing we set out to do will be impossible for us."

EXAMPLE #3- IT WILL TAKE THE FIVE-FOLD MINISTRY OF JESUS CHRIST WORKING TOGETHER TO WIN THIS SPIRITUAL BATTLE WE ARE ENGAGED IN (Apostles, Prophets, Evangelists, Pastors, Teachers) NOT JUST THE INTERCESSORS

This is based on Ephesians 4:12 and 1 Corinthians 12. Yet, for the most part His Body is working independently from one another believing we do not need each other.

We need to rely on the **apostolic/prophetic** leadership in the Body of Christ for the overall vision and action needed to be taken. They are the ones who have been given spiritual authority to gather others in the work of the Lord.

Most **pastors** in the Body of Christ are burned out because they were **never** intended to meet the needs of the body by themselves. They need to learn to embrace and delegate

their responsibilities to the rest of fivefold ministry. Furthermore, Isaiah 56:10-11 reveals why many pastors are not fully engaged in this spiritual battle, nor are they rallying their flocks to be either.

We need to partner with the **evangelists** in the Body of Christ to bring new converts to the Houses of Prayer and churches for discipleship, deliverance and healing for the sole (soul) purpose of equipping them to go out and bring in the end-time harvest.

Furthermore, we need to rely on the **prophets** and **watchmen** in the Body of Christ to watch and alert the flock when they see danger approaching and the unfolding of end-time prophecy taking place on the world scene.

Also, the Lord has shown me many are praying for things that are not in alignment with His will because they just petition God but never take the time to listen for His answers and the cry of His heart. How effective is it to pray against God's will? Some of these things we are currently witnessing, especially concerning Israel, must come to pass because "It is written...."

EXAMPLE #4-WE MUST SHARE PROPHETIC WORDS FOR THE PURPOSE OF STRENGTHING THE ENTIRE CHURCH

Based on **1 Corinthians 14:1-17** the purpose of speaking a word of prophecy is to strengthen the **entire** church which includes the pastors, prophets, teachers, apostles and evangelists based on **Ephesians 4:11**.

Based on **2 Timothy 3:16** "*All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness...*" Words of prophecy are given by the inspiration of God through the Holy Spirit and if we do not share these words of prophecy with the Body of Christ, then how will they be used for reproof, for correction, for instruction in righteousness? An analogy is like believers reading the Bible and then not applying what it says to do with the way we live our lives. When the Lord gives us words of prophecy and revelation if we do not use it to make course correction for the corporate Body of Christ what is the point?

Furthermore, if we do not go outside the four walls of the church/ Houses of Prayer and infiltrate the seven mountains in our culture to be the salt and light, how have we truly made a difference for preventing further decay in our society? In other words, if we only interact with others in the Body of Christ how do we prevent further decay in our society and bring the lost to the saving knowledge of Jesus Christ? This is based on the sermon Jesus gave from the Sermon on the Mount in **Matthew 5:14-16** which states "*You are the*

light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house. Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven." Many of God's people do not even know the Houses of Prayer exist in Florida to go to for discipleship, deliverance and healing.

EXAMPLE #5 - PERSONAL ACCOUNTABILITY AND IMPLEMENTING A NATION-WIDE RELIGIOUS EDUCATION PROGRAM TO DISPEL THE FALSE TEACHINGS OF THE APOSTATE CHURCH AND THE LIES OF THE MAINSTREAM MEDIA IS CRUCIAL

In **2 Chronicles 24:23-25** the Lord sent many prophets to King Joash including the prophet Joel to warn the nation of Judah that they were headed for destruction but they did NOT listen. God in His mercy always sends prophets to call for repentance BEFORE dispensing judgment and punishment. America just like the nation of Judah back in King Joash time believes it is too big and prosperous to fail. Pride always leads to destruction and will be America's undoing. Leading the pack is the Body of Christ who is too busy building their own kingdoms, rather than uniting based on the revelation received by the Holy Spirit detailing God's strategic plan.

At the turn of the year the army of Aram marched against Joash, invading Judah and Jerusalem killing all the leaders of the people. They sent all the plunder to their king in Damascus. Although the Aramean army had come with only a few men, **the Lord (this is a judgment by the Lord)** delivered into their hands a much larger army because Judah had forsaken the Lord. How does this apply to America? Right now there is a regiment of Chinese soldiers in Texas and radical Islam jihadists waiting for the appointed signal to attack and take over. As a matter-of-fact, they are coming in through our borders, especially Mexico. God is about to use our enemies to bring America to repentance.

This judgment against the nation of Judah (America) from God could be averted and was averted before in history under the leadership of King Jehoshaphat. When faced with an invasion from the Moabites and Ammonites who came to make war on Jehoshaphat, what did he do to avert this disaster? King Jehoshaphat called upon the entire nation to fast, repent and cry out to the Lord. (2 Chronicles 20-1-13). As a result God fought the battle for them and they were spared (2 Chronicles 20:15-30).

It is too late to avert God's judgment but we can begin to cry out to God for mercy **and** build the infrastructure we need to lead the nation back to God once judgment fully awakes people to seek God like never before. How? We can use the example of King Jehoshaphat who knew the people of Judah were Biblically illiterate. They had never taken time to listen to and discuss God's law and understand how it could change them. King Jehoshaphat realized that knowing God's command was the first step to getting people to live as they should, so he initiated a nation-wide religious education program. Because of this initiative by King Jehoshaphat 's he reversed the religious decline that had occurred at the end of King Asa's reign by putting God first in the people's minds and installing in them a sense of commitment and mission. Because of this action, the nation began to follow God. With all the false teachings and the swift emergence of the apostate church we **must** get people to read, understand and then act on the Word of God.

EXAMPLE #6- WE MUST REPENT BY REMOVING EVIL INFLUENCES FROM OUR LIVES, WORSHIP THE LORD DEMONSTRATED BY OUR OBEDIENCE, SHARE OUR RESOURCES AND EXPERTISE FOR THE GOOD OF THE BODY OF CHIRST AT LARGE AND PERSERVERE DESPITE PERSECUTION

In **2 Chronicles 29-32** under the leadership of King Hezekiah, Judah began to experience a spiritual revival because:

- **He beseeched the people of Judah to return to the Lord. (2 Chronicles 30:6-9).**
- **He kept doing what was right despite ridicule (2 Chronicles 30:10)**
- **He aggressively removed (REPENTED) evil influences from his life (2 Chronicles 30:14 and 31:1)**
- **He was open to spontaneity in worship (2 Chronicles 30:23)**
- **He contributed generously from His own resources which enabled God's work to continue (2 Chronicles 31:3)**

History of what King Josiah did as a result of hearing the Word of God which resulted in his true repentance and compelled him to take action and initiate a radical

religious reformation throughout the nation under his leadership

This story begins in 2 Kings Chapter 22

In the eighteenth year of his rule, King Josiah ordered the High Priest Hilkiah to use the tax money which had been collected over the years to renovate the temple. It was during this time that Hilkiah discovered the Book of the Law. While Hilkiah was clearing the treasure room of the Temple he claimed to have found a scroll described as "the book of the Law" or as "the book of the law of Yahweh which is the Torah.

Hilkiah brought this scroll of God's Word to King Josiah's attention, and the king ordered it read to a crowd in Jerusalem. He is praised for this piety by the prophetess Huldah who made the prophecy that all involved would die without having to see God's judgment on Judah for the sins they had committed in prior generations.

King Josiah **was so grieved** by what he heard from the Book of the Law when it was read, that he **sincerely repented, and it compelled him** to send his servants to go and **inquire of the Lord** so he would know how to lead his people!

*"Now it happened, when the king **heard** the words of the **Book of the Law**, that **he tore his clothes**. Then the king commanded Hilkiah the priest, Ahikam the son of Shaphan, Achbor the son of Michaiah, Shaphan the scribe, and Asaiah a servant of the king, saying, "**Go, inquire of the LORD for me, for the people and for all Judah, concerning the words of this book that has been found; for great is the wrath of the LORD that is aroused against us, because our fathers have not obeyed the words of this book, to do according to all that is written concerning us.** So Hilkiah the priest, Ahikam, Achbor, Shaphan, and Asaiah went to Huldah the prophetess, the wife of Shallum the son of Tikvah, the son of Harhas, keeper of the wardrobe. (She dwelt in Jerusalem in the Second Quarter.) And they spoke with her." ~ 2 Kings 22:11-14 (NKJV)*

Hear the Lord's response to King Josiah's inquiry based on 2 Kings 22:15-20 below.

*"Then she said to them, "Thus says the LORD God of Israel, 'Tell the man who sent you to Me, "**Thus says the LORD: 'Behold, I will bring calamity on this place and on its inhabitants—all the words of the book which the king of Judah has read—because they have forsaken Me and burned incense to other gods, that they might provoke Me to anger with all the works of their hands. Therefore My wrath shall be aroused against this place and shall not be quenched.'"** But as for the king of Judah, who sent you to inquire of the LORD, in this manner you shall speak to him, 'Thus says the LORD God of Israel:*

“Concerning the words which you have heard— because your heart was tender, and you humbled yourself before the LORD when you heard what I spoke against this place and against its inhabitants, that they would become a desolation and a curse, and you tore your clothes and wept before Me, I also have heard you,” says the LORD. “Surely, therefore, I will gather you to your fathers, and you shall be gathered to your grave in peace; and your eyes shall not see all the calamity which I will bring on this place.” So they brought back word to the king.” ~ 2 Kings 22:15-20 (NKJV)

So instead of King Josiah taking the attitude of “Oh well, there is nothing we can do” he **immediately** took action and helped restore true worship to the Lord hoping that it would spare the people from the destruction the Lord had stated He would bring against his nation and the inhabitants of Judah.

Therefore, King Josiah started to radically bring reformation throughout the land by **destroying and removing all the abominations to the Lord** when he understood **the depth of the spiritual sickness in his land** because of **all the false idols the people in his nation were worshipping**, instead of the one and only true God.

King Josiah immediately put his faith into action by destroying and cleaning up whatever he recognized as not belonging to the worship of the true God. He immediately set out to start cleaning God’s house by initiating a radical religious reform throughout the entire nation as indicated in 2 Kings 23:1-25 below.

“Now the king sent them to gather all the elders of Judah and Jerusalem to him. The king went up to the house of the LORD with all the men of Judah, and with him all the inhabitants of Jerusalem—the priests and the prophets and all the people, both small and great. And he read in their hearing all the words of the **Book of the Covenant** (God’s Torah as written by Moses for the New Testament was not written yet) which had been found in the house of the LORD.”~ 2 Kings 23:1-2 (NKJV)

*“Then the king stood by a pillar and made a covenant **before the LORD**, to follow the LORD and to keep His commandments and His testimonies and His statutes, with all **his heart** and **all his soul**, to perform the words of this covenant that were written in this book. And all the people took a stand for the covenant.”* 2 Kings 23:3 (NKJV)

*“And the king commanded Hilkiah the high priest, the priests of the second order, and the doorkeepers, to **bring out of the temple of the LORD all the articles that were made for Baal, for Asherah, and for all the host of heaven**; and he*

burned them outside Jerusalem in the fields of Kidron, and carried their ashes to Bethel.” ~ 2 King 23:4 (NKJV)

“Then he **removed** the idolatrous priests whom the kings of Judah had ordained to burn incense on the high places in the cities of Judah and in the places all around Jerusalem, and those who burned incense to Baal, to the sun, to the moon, to the constellations, and to **all the host of heaven**. (In other words, King Josiah removed those idolatrous priests who worshiped the created, rather than God their Creator that were ordained by the kings of Judah). And he brought out the wooden image from the house of the LORD, to the Brook Kidron outside Jerusalem, burned it at the Brook Kidron and ground it to ashes, and threw its ashes on the graves of the common people.” ~ 2 Kings 23:5-6 (NKJV)

“Then he tore down the **ritual booths** of the perverted persons that were in **the house of the LORD**, where the women wove hangings for the wooden image. And he brought **all the priests from the cities of Judah**, and **defiled the high places where the priests had burned incense**, from Geba to Beersheba; also he **broke down the high places at the gates** which were at the entrance of the Gate of Joshua **the governor of the city**, which were **to the left of the city gate**. Nevertheless **the priests of the high places did not come up to the altar of the LORD** in Jerusalem, but **they ate unleavened bread** (leaven in the Bible represents sin) **among their brethren.**” ~ 2 King 23:7-9 (NKJV)

“And **he defiled** Topheth, which is in the Valley of the Son of Hinnom, that **no man might make his son or his daughter pass through the fire to Molech.**” (This is the modern day practice of abortion) ~ 2 Kings 23:10 (NKJV)

“Then **he removed the horses that the kings of Judah had dedicated to the sun**, at the entrance to the house of the LORD, by the chamber of Nathan-Melech, the officer who was in the court; and **he burned the chariots of the sun with fire.**” ~ 2 Kings 23:11 (NKJV)

“The altars that were on the roof, **the upper chamber of Ahaz**, which **the kings of Judah had made**, and the altars which Manasseh had **made in the two courts of the house of the LORD**, the king **broke down and pulverized there**, and **threw their dust** into the Brook Kidron.” ~ 2 King 23:12 (NKJV)

“Then the king **defiled the high places** that were east of Jerusalem, which were on the south of the Mount of Corruption, which Solomon king of Israel **had built for Ashtoreth the abomination of the Sidonians**, for **Chemosh the abomination of the Moabites**, and for **Milcom the abomination of the people of Ammon**. And he **broke in pieces the sacred pillars** and **cut down**

the wooden images, and filled their places with the bones of men.” ~ 2 Kings 23:13-14 (NKJV)

“Moreover **the altar that was at Bethel**, and **the high place** which Jeroboam the son of Nebat, **who made Israel sin, had made**, both that altar and the high place **he broke down**; and **he burned the high place** and crushed it to powder, and burned the wooden image. As Josiah turned, he saw the tombs that were there on the mountain. And he sent and took the bones out of the tombs and burned them on the altar, and **defiled it according to the word of the LORD** which the man of God proclaimed, who proclaimed these words. Then he said, “What gravestone is this that I see?” So the men of the city told him, “It is the tomb of the man of God who came from Judah and proclaimed these things which you have done against the altar of Bethel.” And he said, “Let him alone; let no one move his bones.” So they let his bones alone, with the bones of the prophet who came from Samaria.” ~ 2 Kings 23:15-18 (NKJV)

“Now Josiah also **took away all the shrines of the high places** that were in the cities of Samaria, **which the kings of Israel had made to provoke the LORD to anger**; and he did to them according to all the deeds he had done in Bethel.” ~ 2 Kings 23:19 (NKJV)

“**He executed all the priests of the high places** who were there, on the altars, and burned men’s bones on them; and he returned to Jerusalem.” ~ 2 Kings 23:20 (NKJV)

“Then **the king commanded all the people**, saying, “**Keep the Passover to the LORD your God, as it is written in this Book of the Covenant.**” Such a Passover surely had never been held since the days of the judges who judged Israel, nor in all the days of the kings of Israel and the kings of Judah. But in the eighteenth year of King Josiah **this Passover was held before the LORD in Jerusalem.**” ~ 2 Kings 23:21-23 (NKJV)

“Moreover Josiah **put away those who consulted mediums and spiritists, the household gods and idols, all the abominations** that were seen in the land of Judah and in Jerusalem, that **he might perform the words of the law which were written in the book** that Hilkiah the priest found **in the house of the LORD**. Now **before him there was no king like him, who turned to the LORD with all his heart, with all his soul, and with all his might, according to all the Law of Moses; nor after him did any arise like him.**” ~ 2 Kings 23:24-25 (NKJV)

Wow! King Josiah was indeed a changed man which is evidenced by him **immediately** taking action to cleanse the land of all the evil which was practiced by the priests, the

prophets, all the people, both small and great, including the government officials in his nation.

However, was King Josiah's radical religious reform he enacted throughout the entire nation enough to stay God's verdict of impending judgment as proclaimed by the Lord in 2 Kings 22:16-17 below, because the inhabitants of Judah had forsaken the Lord and burned incense to other gods?

“Behold, I will bring calamity on this place and on its inhabitants—all the words of the book which the king of Judah has read— because they have forsaken Me and burned incense to other gods, that they might provoke Me to anger with all the works of their hands. Therefore My wrath shall be aroused against this place and shall not be quenched.” ~ 2 Kings 22:16-17 (NKJV)

No! King Josiah's radical religious reforms did **not** turn away the wrath of God against Judah based on 2 Kings 23:26-27 below.

“Nevertheless the LORD did not turn from the fierceness of His great wrath, with which His anger was aroused against Judah, because of all the provocations with which Manasseh had provoked Him. And the LORD said, “I will also remove Judah from My sight, as I have removed Israel, and will cast off this city Jerusalem which I have chosen, and the house of which I said, ‘My name shall be there.’” ~ 2 Kings 23:26-27 (NKJV)

Unfortunately, despite King Josiah's concerted heartfelt efforts it was not enough and done too late to stay the judgment of God from coming forth which substantiates the fact that even though we may repent and ask for forgiveness concerning a situation, does not mean we will not reap the consequences of our actions! Have you ever heard the phrase, ***“too little, too late?”*** This idiom applies to this Biblical example and to America.

You may be thinking that King Josiah went above and beyond everything He could have done in order to prevent God's wrath from coming forth, and you would be correct. However, as this example clearly illustrates, enacting religious/political/social reforms are not enough!

In the example of King Josiah his heart was truly repentant which compelled King Josiah to take action, however, God's Word remains silent about the elders and the priests who were commanded by Josiah to gather together the people to hear the Word of the Lord.

God's Word does **not** say that the elders, priests, and the people of the nation had the same heart-wrenching repentance that Josiah experienced when he heard the Word of the Lord.

As a matter of fact, after King Josiah's death his son Jehoahaz, when he became king, **immediately** went back to practicing idolatry & Baal worship which is substantiated according to 2 Kings 23:32 which says, "And he (Jehoahaz) *did evil in the sight of the LORD, according to all that his fathers had done.*"

Therefore, what is the moral of this story?

True reformation can only take place by the transforming power of the Holy Spirit transforming the hearts of God's people! Religious/political/social reforms by themselves are **not** enough because they only change the **conduct** rather than the **character** of the people.

In other words, Josiah's radical religious reform changed the outward religious practices of the people, but the people's hearts remained indifferent to the Lord! Therefore, they were only compliant to the laws that Josiah implemented because they had no choice. And, as soon as Josiah's rule ended by His death, they went right back to doing what they had previously done.

Therefore, no amount of laws imposed from the outside can change a rebellious heart that is motivated by fear and lack of love or faith. Such laws may regulate behavior and restrain sin, but they can never alter human nature or instill in us the mind of Christ.

Therefore, without God's people returning to their first love—Jesus Christ, with all their heart, soul, mind, and strength, we will continue to **not walk** and **live** according to God's Word because rules **without** relationship always equals rebellion.

Jesus succinctly describes what happens when God's people are not being obedient to His commandments because they have a heart issue when Jesus says in Matthew 15:8, "*These people draw near to Me with their **mouth**, And honor Me with their **lips**, But **their heart is far** from Me.*"

And, as Jesus said in Mark 7:20-23 below, it is the thoughts from a man's heart which defiles him and this is where all evil comes from. And, this is why America has become a nation of people that calls evil good and good evil. We have a heart condition only the transforming power of a great outpouring of the Holy Spirit can fix.

*"And He (Jesus) said, "What **comes out** of a man, **that defiles a man**. For **from within, out of the heart of men**, proceed evil thoughts, adulteries, fornications, murders, thefts, covetousness, wickedness, deceit, lewdness, an evil eye, blasphemy, pride, foolishness. **All these evil things come from within and defile a man.**" ~ Mark 7:20-23 (NKJV)*

God allowed 9-11 to happen to America because His people had a severe heart condition that only He could heal. As a result of the events of 9/11 occurring we took notice and immediately sought His face. We were given a second chance to change our hardened hearts which were the result of the spiritual darkness which has permeated every facet of our culture. And, because we chose **not** to return to our first love—Jesus Christ and permanently change our lifestyles by living according to God’s Word, our heart condition is now so grave we may not survive. America is flat lining.

The only way our beloved nation can be saved is by a heart transplant. God is the only donor who meets the requirements needed to take a hardened, corrupted heart and transform it to its intended purpose—to sustain life. We must submit to the “*Great Physician*” and allow Him to perform this needed surgery. True restoration of our nation begins with the transforming power of the Holy Spirit within our hearts. This is the only form of transforming America we need to embrace. If we choose not to submit to this life saving procedure we will surely die. The epitaph on America’s tombstone shall read, “*Perished due to heart failure.*”

What we can learn from King Josiah:

- ✚ As the Word of God was read to King Josiah he was shocked, frightened, and humbled when he realized what a great gap existed between his efforts to lead his people to God and God’s expectations for his chosen nation. He was overwhelmed by God’s holiness and immediately tried to expose his people to that holiness. King Josiah realized the people must humble themselves in order to have their minds and hearts renewed and cleansed by God’s Word in order to change their lives and their evil, corrupt nation.

- ✚ When King Josiah realized how corrupt and evil his nation had become, he tore his robes and wept before God with a humble and contrite heart exhibiting true repentance.

- ✚ As a result of his sincere repentance, King Josiah cultivated a close, personal relationship with God.

- ✚ King Josiah is an example to all of us of God’s willingness to provide ongoing guidance to those who set out to be obedient.

- ✚ King Josiah put his faith into action and became a passionate reformer who made a valiant effort to lead his people back to God as he instituted radical religious reformation throughout his nation under his leadership.
- ✚ However, despite King Josiah's best heartfelt efforts, it did not stop the inhabitants of Judah from reaping the consequences of their actions when God finally acted on His proclamation that they would perish. Yet, because of King Josiah's heartfelt repentance and **his** actions, God had mercy on King Josiah and he died peacefully **before** God brought judgment on the people of Judah for their rebellion and iniquities.

The parallels of King Josiah as it applies to God's people in America

Today we have the Bible in our homes, on our phones, on the internet, and we hear sermons all the time. Yet, our nation has become corrupt and evil! Why?

One reason is that God's people are **not** reading and studying the Bible for themselves. And, as a result, we are living according to the worldview rather than God's Word. It is only by God's people reading His Word on a regular basis can His Word renew and cleanse our minds and hearts.

Many of God's people are **not** reading His Word for ourselves, and this is the number one cause for the apostate church flourishing all over America. Without God's Word washing over us and renewing our minds, we will continue to walk according to the worldview rather than God's Word. **Not reading God's Word for ourselves is the number one cause for the state of spiritual darkness inhabiting the minds and hearts of "We the People."**

Moreover, there are many apostate pastors, teachers and so-called believers all across America that has drifted so far from God's precepts and principles found in His Word, it calls for drastic changes to be made. And, it is for this very reason; that most Christians are **not** influencing the culture. Instead we have been influenced by the worldview, and brought it into God's temple which is our mind, heart, and soul and as we enter the building we *call "the Church"* we defile the whole assembly of believers!

The church as we know it is about to drastically change for this reason. God will not allow His church to remain as we currently are. It will be God Almighty who will be shaking His Church—which is us!

As evidenced in the case of King Josiah, who **did** what was right in the eyes of the Lord and **walked** in all the ways of his father David, not turning aside to the right or to the left it began by him instituting serious religious reforms in the house of God.

This is what **should** lead to repentance when we come to the knowledge of what God's Word requires of His people to live holy because God is holy and we want to please the One we profess to serve.

First, we cannot change anything we do **not** acknowledge is wrong. Then when we realize we have been wrong concerning a matter, we **should** change our mind concerning an issue and get into agreement with God's Word. And, as a result, this **should** change our thoughts, words, deeds and actions. Moreover, we need God's grace to enable us to change, walk, and live our lives for God's glory to prevail as we submit to the Holy Spirit which sanctifies us.

Moreover, many people in our nation have stopped attending church altogether, and those who do attend church, for the most part, rely on getting spoon-fed from their spiritual leaders a compromised, tolerant, watered down version of God's Word which leads us to be more concerned with pleasing man than God. The truth of the matter is that the majority of believers just want to hear a sermon that makes them feel good.

The Word of God and the transforming power of the Holy Spirit should cause us to change our thoughts, words, actions and our lives to bring them into harmony with God's will. We can **"say"** we repent all we want but true repentance produces changed attitudes, actions, and lives. When enough of God's people truly repent and turn back to our first love—Jesus Christ, we will see a change in our society.

In other words, like in the case of King Josiah, God wants us to be so grieved by the moral decay we are experiencing in our society it compels us to do something about it! It is not enough to say we believe what is right; we must respond with action for faith without works is dead based on the following passages of scripture:

*"What does it profit, my brethren, if someone **says he has faith** but does **not have works**? Can **faith** save him? ~ James 2:14 (NKJV)*

*"But someone will say, "You have **faith**, and I have **works**." Show me your **faith without** your works, and I will show you my **faith by my works**." ~ James 2:18 (NKJV)*

*“But do you want to know, O foolish man, that **faith without works is dead?**” ~
James 2:20 (NKJV)*

Therefore, we must “do” what faith requires for faith without works is dead! This means God’s people in America must become the salt and light in our homes, schools, work places, in the marketplace rather inside the four walls of the church! Jesus transformed whole cities and communities when He walked the face of the earth!

However, before God’s people can transform their cities and communities, we must be transformed by the power of the Holy Spirit in our hearts and homes! How do we expect to win our neighborhoods, communities, and cities for the sake of the gospel if we cannot even transform our own lives for goodness sake?

There are only three ways for our minds and hearts to be transformed. 1) We must seek God with all our heart, mind, soul and strength. 2) We must renew our minds with His Word. 3) We must submit to the transforming power of the Holy Spirit!

We have perverted God’s Word to preach and teach the doctrines of men, rather than God!

Because we have stopped preaching and teaching from the **whole** counsel of God’s Word, most people in America get fed what their itching ears want to hear. In addition, many have perverted God’s Word to substantiate the doctrines of men rather than God.

Three examples of how pastors, priests, false prophets, and many so called believers have changed the gospel that was once delivered to the saints that readily comes to mind is the following:

1. The body of Christ teaches that the Old Testament and the Torah are no longer applicable to New Covenant believers.
2. The body of Christ at large celebrates the pagan holiday of Easter instead of Passover like we are commanded to do according to the truth of God’s Word. This has resulted in the vast majority of Christendom has decided to worship God as they see fit by celebrating holidays giving credence to the worship of Baal instead of God. I dedicated many chapters in my second book substantiating this fact, but for the purpose of this writing I will give you one of many scriptures substantiating this truth since preachers and teachers like to quote the Apostle Paul more than Jesus!

“Your glorying is not good. Do you not know that a little leaven leavens the whole lump? Therefore purge out the old leaven (sin) that you may be a new lump, since you truly are unleavened. For indeed Christ, our

*Passover, was sacrificed for us. **Therefore let us keep the feast**, not with old leaven, nor with the leaven of malice and wickedness, but with the unleavened bread of sincerity and truth." ~ 1 Corinthians 5:6-8 (NKJV)*

Passover is **Yahweh's Feast of Unleavened Bread** that Jesus the One we are supposed to following, celebrated with His disciples just before He became our "Passover" lamb without spot or blemish that particular Passover! The Roman Catholic Church, which has perverted the gospel that was once delivered to the saints, which most denominations were birthed from, has turned this into "the last supper" and "communion" when Jesus told His disciples to celebrate Passover in remembrance of Him!

3. We teach, preach, and believe the pre-tribulation rapture of the church, and, as a result, many are not engaged in this **spiritual** battle for the hearts and souls of people in this nation for they believe in any minute we will be making our exodus from planet earth! God gave me the title for this section of my second book I am currently writing which is to be called, "*The Fantasy of Flight.*" This false teaching of the pre-tribulation rapture falls right in line with our narcissistic mentality prevalent in our society which is this. "*It is all about me!*" When God's Word clearly says just the opposite!

Moreover, just like in the days of King Josiah we are seeking to enact many outward religious/political/social reforms such as signing this pledge and that petition, fighting to bring back the Ten Commandments in the public square, putting license plates on our vehicle saying choose life, etc.

Guess what folks? Without our hearts and character being changed by the transforming power of the Holy Spirit, this is utterly a waste of time for the following reasons.

How will we stand firm on the pledges and petitions we sign, when our word no longer means anything? The integrity of many of God's people has become so corrupt our "word" or "promises" no longer means anything!

Many of God's people will look someone right in their eyes and promise to do something, and then we will turn right around and **not** "do" what we said we would do!

How many of us have made a pledge before God to honor, love, and cherish our spouses for better or worse until death do we part, then when the marriage goes south and we experience trials and tribulation that arise in the best of marriages, we file for divorce?

How will bringing the Ten Commandments back to the public square matter if we as believers in Jesus Christ **cannot** stand firmly on and put into **practice** just two of the greatest commandments Jesus told us to obey in Matthew 22:37-40 below?

“You shall love the LORD your God with all your heart, with all your soul, and with all your mind.’ This is the first and great commandment. And the second is like it: ‘You shall love your neighbor as yourself.’ On these two commandments hang all the Law and the Prophets.” ~ Matthew 22:37-40 (NKJV)

Then we drive our vehicles around with license plates that say choose life. Yet, many of these same so-called believers say it is a woman’s right to choose **and** then they vote for those who proliferate abortion by the legislation they pass like Obamacare which is using our hard earned money to fund abortion!

Then when God uses His people to send out notices to help stop legislative issues such as Obamacare, abortion, gay marriage, His people refuse to have anything to do with the governmental mountain in our society and say *“Christian’s are not supposed to be in politics, yada, yada!”*

Then we have the audacity to shake our heads in disbelief when we see the moral and ethical decay permeating every facet of our society! Our salt and light is supposed to permeate every facet of our society to prevent further decay and for God’s purpose and glory to prevail!!!

The truth of the matter is that reading and studying God’s Word is of no effect unless we **apply** it to the way we live our lives. There is no issue we are facing whether it is political, financial, moral, ethical, etc., that God has **not** provided the answer to in His Word. This is especially true of God’s instructions and guidelines found in the Torah, the first five books of the Bible written by Moses, which for the most part Christendom says no longer applies to New Covenant believers!

Therefore, God’s Word has become for many a smorgasbord of us picking and choosing which scriptures we want to teach and preach from that will **not** make us change the way **we** have decided to worship God, obey His commandments, and live our lives! This is the main reason why we have allowed the culture to influence His church instead of His church being the salt and light, the head and not the tail, in our society.

So the question I feel led to ask is this. How is this worshipping God **in spirit** and **in truth**? The body of Christ is in serious trouble if we cannot stand on this basic truth of Christianity based on John 4:24 which proclaims **“God is a Spirit: and they that worship him must worship him in spirit and in truth.”**

Furthermore, there is one more critical reason of why America looks more like *Satan's Lair* instead of *One nation under God!*

THE SPIRIT OF GOD HAS LEFT THE TEMPLE AND NO LONGER INHABITS THE MAJORITY OF GOD'S PEOPLE IN AMERICA!

In Ecclesiastes 8:10-13 below, Solomon one of the wisest men to ever live pondered why he witnesses men and woman attend the temple week after week, offer their sacrifices, yet they did not fear God and their hearts remained unchanged. And, when they died they were buried with the wicked!

*"Then I saw **the wicked buried, who had come and gone from the place of holiness**, and they were forgotten in the city where they had so done. **This also is vanity**. Because the sentence against an evil work is not executed speedily, therefore **the heart of the sons of men is fully set in them to do evil**. Though a sinner does evil a hundred times, and his days are prolonged, yet I surely know that it will be **well with those who fear God**, who fear before Him. **But it will not be well with the wicked; nor will he prolong his days, which are as a shadow, because he does not fear before God.**" ~ Ecclesiastes 8:10-13 (NKJV)*

Hence, this scripture sheds some light on the most important factor of why most in the body of Christ have Bible study after Bible study, sit in church week after week, and attend all the conferences we still have the privilege to take part in. Yet, we still leave the same way as we came—unchanged.

America is full of these mega "user friendly" churches that have people who sit in the pew week after week leaving the same way as they came in—unchanged!

Let's seek God's Word to understand why His people minds and hearts are **not** being transformed even though they attend Bible studies and church.

Many believers in the body of Christ do **not use** the authority and power to **take** dominion over **all** the ploys of the enemy we were given **when** Jesus Christ destroyed **all** the works of the enemy on the cross. Notice the word "use" and "take" requires action on our part!

This free gift of God's grace is available to every believer **when** we ask for, believe, and receive the baptismal of the Holy Spirit as evidenced with speaking in tongues. Instead, we have been taught that God's grace gives us the license to sin!

God's grace gives us the ability to do all that He has called us to do! And, it is God's anointing (grace) that breaks the yoke to enslavement to the enemy as well.

Furthermore, many in the body of Christ refuse to embrace the gifts of the Holy Spirit and this is what the Apostle Paul was talking about in 2 Timothy 3:5 below when he states, *"having a form of godliness but denying its power..."* This warning is very serious and is a now word for believers today. Notice the Apostle Paul emphatically states, *"...from such people turn away*

*"But know this, that **in the last days** perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, **having a form of godliness but denying its power.** And **from such people turn away!**" ~ 2 Timothy 3:5 (NKJV)*

In addition, we have lost the reverential fear of God. And, as stated in Proverbs 1:7 (NKJV), *"**The fear of the LORD is the beginning of knowledge, But fools despise wisdom and instruction.**"*

Moreover, as proclaimed by Psalm 111:10, *"**The fear of the LORD is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth for ever.**"*

Furthermore, last, but certainly not least, *"We the People"* have a heart which is spiritually bankrupt! This is the "root" problem with the people in this nation! We have a "heart" issue which can only be fixed by the transforming power of the Holy Spirit!

This is why we are losing our freedoms in America when 2 Corinthians 3:17 (NKJV) says, *"Now the Lord is the Spirit; and **where the Spirit of the Lord is there is liberty.**"*

Moreover, the Spirit of the Lord resides in the hearts of His people and their body is His temple. Therefore, if the Spirit of the Lord no longer resides in His people due to our sins and iniquities, we cannot expect to retain our unalienable rights, to life, liberty, and the pursuit of happiness we have been given by God, our Creator!

So if we are losing our freedoms, which we are, then it means that the Spirit of the Lord is not manifesting in and through His people. Why? The Spirit of the Lord cannot and will not inhabit a defiled man or woman that is chasing after all the false gods in the land rather than God, their Creator **and** living according to their carnal flesh.

Listen to Jesus' own words concerning this matter of His people **not** crucifying our flesh and picking up our cross daily in order to follow Him based on Luke 9:23-26 below.

*Then He (Jesus) said to them all, “**If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me. For whoever desires to save his life will lose it, but whoever loses his life for My sake will save it. For what profit is it to a man if he gains the whole world, and is himself destroyed or lost? For whoever is ashamed of Me and My words, of him the Son of Man will be ashamed when He comes in His own glory, and in His Father’s, and of the holy angels.**” ~ Luke 9:23-26 (NKJV)*

Moreover, we are told by Jesus that we are **not** supposed to be chasing after the things of this world in Matthew 6:33 where Jesus proclaims, “**But seek first his kingdom and his righteousness, and all these things will be given to you as well.**”

Yet, most in Christendom try to squeeze God into their calendar and only act like Christians on Sunday and Wednesdays when they attend church and live like the devil the rest of the week.

WE CANNOT EXPECT TO SAVE OURSELVES OR AMERICA WITHOUT A GREAT OUTPOURING OF THE HOLY SPIRIT!

The bottom line is this. We enact radical reformation and have countless Bible studies, sit in church week after week and hear the Word of God, yet God does not give us the Bible to increase our knowledge. God give us His Word to transform our minds and hearts which will be evidenced by changed lives. So if God’s people continually attend church and have Bible studies and know what His Word says yet there is no evidence of the fruit of the Spirit in our lives, what is wrong with this picture?

It is only through prayer and abiding in His presence can we receive God’s grace through the power of the Holy Spirit to transform our lives and receive His anointing which will empower us to do the work He has called us to do for a time such as this.

If we attempt to put strategic plans into action without prayer it will not work. And, if we just pray without take action it will not work. This is why prayer and action must go hand in hand.

True transformation of America must start by the transforming power of the Holy Spirit permeating our hardened hearts.

Therefore, God’s people will only be willing to be obedient as a result of returning to our first love—Jesus Christ. Only then will we cultivate a personal intimate relationship with God, our Creator, and Jesus Christ, God’s only begotten Son! Only then will we be willing to obey and serve Him with all our heart, mind, soul, and strength!

This is why God's Strategic Plan has seven (7) keys, the first key requiring a fresh outpouring of the Holy Spirit which will be unleashed in this next move of God! Only then will the majority of His people truly repent and return back to our first love—Jesus Christ.

Only then will the majority of His people obey His commandments and crucify their flesh!

Only then will God's army fully arise and become fully engaged in this spiritual battle for America and help bring in the end-time harvest.

Heed the Word of the Lord which is follows:

"All seven keys must be activated to restructure this nation back to God! And, it is by God's people worshipping our King who is "the keeper of the keys," will we turn the key and unlock the doors of revival and restoration!"

"God is reinstating the Tabernacle of David in this hour where worship will move God like never before. And, it is for this reason, in this next move of God which will be initiated at Passover, God will pour out His glory and judgment to shake the root structures of this nation."

Mark my words unless His people become desperate enough to seek and love the Lord with all our heart, soul, mind, and strength we will reap the consequences of our actions.

One last thing...

I will convey why God, our Creator, and His only begotten Son, Jesus Christ is our only hope for saving America.

As you already know, I have been engaged in this spiritual battle to help turn America back to God, our Creator, since 2004 when He had me write my first book titled "*Shattered Dreams-Wake Up America Before It Is Too Late!*" It was during this time the Lord prophetically showed me the demise of America before there were any blatant signs anything was amiss.

Since this time, like many of you, I have spent countless hours trying to make a difference for our nation, despite the indifference and complacency of many people.

Like myself, I am sure many of you have grown weary in this fight to save our nation. A couple of months ago I cried out to God because sometimes I feel like I am beating a dead

horse getting His people to wake up and become fully engaged in this spiritual battle to save our Republic, especially leaders in His Church.

The Lord revealed to me that He is the one who is hardening people's hearts and not removing their spiritual blindness on purpose. Then He told me to read Exodus 14 which details the story of how He told Moses to go to Pharaoh and say and do many things so Pharaoh would let His people go so His people could worship Him. At the same time, God told Moses that Pharaoh would not listen because God would be hardening Pharaoh's heart.

So why is the Lord purposely doing this?

When our sins turn to iniquity, there comes a point in time when God will give us over to the reprobate mind which will always lead to destruction and death unless we stop sinning and turn back to God, our Creator. This is why we have become a nation of people who calls evil good and good evil. This truth is proclaimed in Romans 1:18-32. **Until God's people stop chasing after and worshipping all the false gods in the land there will be NO revival!**

Many believers in the body of Christ are invoking 2 Chronicles 7:14 and many prayer gatherings have been taking place all across America. Yet, we are not seeing revival manifesting and spreading like wildfire. Why? **True** revival starts in the hearts and homes of His people and without **sincere** repentance God will not listen to us.

He is tired of our lip service and wants repentance which results in changed behavior. God is calling His people to consecrate ourselves to Him by removing the sin from our lives period. It is our iniquity which is causing the Lord not to respond to our prayers for revival!

*"Surely the arm of the Lord is not too short to save, nor his ear too dull to hear.
But **your iniquities** have **separated you** from your God;
your sins have hidden his face **from you**, so that he will **not** hear!" ~ Isaiah 59:1-2*

The blame game stops here. Notice God is holding each of us accountable for our sins when in this short passage of Scripture the word "Your" and "you" is being used repeatedly. We need to accept personal accountability and get our own houses in order now!

However, the Lord has already showed me that most of His people will **not** be sincerely repenting **until** after America experiences her darkest days! The Lord has been telling me for a long time now to tell His faithful remnant to say Psalm 91 out loud every day, plead the blood of Jesus over ourselves and our families and to keep the gas tank of our vehicles

on full at all times. He has been preparing His people who have ears to hear for a long time now to get ready. However, on March 1, 2013, God issued the following warning to me which was confirmed by two other servants of the Lord that I know, *“Sequester yourself! Hide, conceal, be absent, keep close, I am about to unleash my fury on this nation. There will be no more delay and the day of reckoning to the inhabitants of America shall commence.”*

9-11 was America’s wake up call to repent and return back to God, our Creator. Unfortunately, with the exception of His faithful remnant, many of His people have not turned from our wicked ways by living according to the precepts and principles found in His Word.

Just like our ancestors, the Israelites, we have sinned. We have done wrong! We have acted wickedly! Even so, God rescued and saved them from their enemies—Pharaoh and Egypt. He redeemed them from their foes. Why? It is all about God honoring His covenant(s). God always keeps His Word, even though His people do not. When God says He will do something He means it!

Therefore, it will be God Almighty that shall save our souls and America not because we deserve it. Rather, it will be to defend the honor of his name and His covenant He established with us when we accepted His Son Jesus Christ as our Lord and Savior. And, the covenant He established with our founding fathers long ago, including the covenant He established with Abraham.

Moreover, it will be to demonstrate His mighty power so His people and the lost will know it is not by might, nor by power, but by “My Spirit,” says the Lord of hosts, that we and America shall be saved.

Therefore, this spiritual battle for our Republic belongs to the Lord and it will be Him, not an elected official or man, who will save our souls and our nation. God will not share His glory with anyone!

The good news is God is not done with America and His purpose for raising us up in the first place. Moreover, God will get His way with or without our cooperation.

STRATEGIES TO INVOKE FOR THIS CURRENT MANDATE FROM THE LORD TO “TAKE THE LAND”

- Where there are duplicate efforts (groups which focus on the same initiatives) in the state of Florida, we need to have them work together to focus on God’s agenda. Many organizations are currently duplicating each other’s efforts. We **must** harness the expertise and resources of these people and/or groups God has raised up for a time such as this because **we do not have time to reinvent the wheel.**
- Anyone not willing to work together and follow God’s agenda rather than their own, we do not need or want to be part of this mandate from the Lord.
- We cannot judge how successful His Ekklesia is doing based on the activity of just one church or House of Prayer in a particular location. Rather, the true measure of success should be based on how well **all** the churches/Houses of Prayer in one region are transforming their communities by working together.
- Prayer is one of the most critical aspects in this strategic plan and as such, **prayer and action must go hand in hand.** When the intercessors are in the prayer closet they need to rely on the direction of the apostles, prophets and watchmen to see the bigger picture. Jesus emphatically said we are to watch **and** pray. Therefore, we need people in the Body of Christ who are called to be **watchmen** who keep focused on things behind the scenes and events happening in our culture and are sounding the alarm when danger is present. Some of these people are in the grassroots activist groups such as the 912 groups, Tea Parties, etc. They keep up with what is going on in the political arena and the world scene.

We are so focused on our piece of the puzzle (individual mandates) we do not seek to understand the “bigger picture” and are still working independently of each other. What is happening is everyone is still doing their own thing and we are not an organized, united, or focused army of warriors.

Some are called to intercede and bring down the spiritual strongholds of the enemy in the Heavenly realms during this hour; while others are called to be activists transforming the seven mountains of culture in our society. This must be a

coordinated effort! Prayer and action must go hand in hand to win this spiritual battle we are engaged in.

An example of what I am talking about is when many intercessors created a fortress of prayer and prophetically declared and decreed God's will to be done at the capitol in Tallahassee. At the same time many Christian activists all over the state of Florida sent emails, letters, and telephoned their congressmen concerning pro-life legislation. Based on the passage of five pro-life bills during the last legislative session I would say prayer and action are crucial in establishing God's Kingdom in our society and will allow us to take back America for Him.

Any officer in the military knows you must first attack the enemy with an airstrike and then you must deploy troops on the ground to win the war. The missing link in this current strategy being truly successful is we have not coordinated the assault against the ploys of the enemy in an organized, unified manner. As such, we are being reactive instead of proactive.

- We need a centralized website not only for the state of Florida, but for the entire nation. I know of a platform that can be used for God's strategic plan, but at this time the owner of this platform refuses to enlarge his vision and dedicate this platform for God's use. We must have one platform to coordinate His end-time warriors to take this nation back to Him in an organized, focus manner which sole purpose is dedicated to this effort.
- We need to harness and embrace technologies like conference call capabilities and web conferencing so we are able to come together for prayer and meetings on a regular basis. Due to our individual mandates and the costs associated with traveling, meeting face to face all the time is prohibitive.

Part Two - How do “We the People” restore our Constitutional Republic?

Our founding fathers knew that if we were going to preserve and keep our Republic, this was solely dependent on “We the People” playing an active role to do so. So the million dollar question is this. How do “We the People” save America?

1. We need each other and must be willing to work in tandem with one another putting aside our own agendas, spiritual pride and egos before it is too late to save our Republic.
2. God’s people who are called by His Name must sincerely repent and return back to God, our Creator by **living** according to the precepts and principles found in His Word. After all it is God, our Creator, which gave us certain unalienable rights in the first place. Correct? It is only then will we save our beloved nation.
3. We need to restore the sovereign commonwealth to every state in America as was envisioned by our founding fathers as they penned our U.S. Constitution, Declaration of Independence, and our Bill of Rights under God’s divine providence.
4. Believers must be the salt and light by infiltrating the seven mountains of culture in our society which radical rulers in high places have already infiltrated and taken control of. The only mountain of seven they have not totally infiltrated and taken control of is the religious mountain. How do we do this? By forming strategic alliances on a county by county level with groups which represent the seven mountains of culture in our society in every state.
5. Our Republic must also be restored our Judeo-Christian values this nation was founded on as well. This is accomplished by reading and studying the Word of God and then by doing what it says by living our lives accordingly.
6. Also, we must elect Godly men and women with conservative values who will keep their vow to protect, defend, and uphold the U.S. Constitution. Those who once they are elected and appointed as a servant in public office will influence, legislate, and introduce God’s precepts and principals as public policy (legislation).
7. Our elected officials and legislation must return to functioning and passing legislation according to the law of the land—our U.S. Constitution. I am continually astonished and dismayed at the number of people in the various grassroots organizations who say, “*May God Bless America*” or “*We are “One nation Under God,”*”

then the very next thing they tell me is to leave religion or God out of the conversation. Most patriots in these grassroots organization then work fervently to protect, defend, and uphold our Constitution, not realizing all our founding documents are based on God's precepts and principles found in His Word written by our founding fathers under His divine providence.

8. We must become an organized, focus army ready to take our country back one neighborhood, city, county and then one state at a time. Where there are duplicate efforts (groups which focus on the same initiatives) in each state we need to have them work together to focus on God's agenda. Many organizations are currently duplicating each other's efforts. We **must** harness the expertise and resources of these people and/or groups God has raised up for a time such as this because **we do not have time to reinvent the wheel.**
9. Just as when God first called Nehemiah to rebuild the broken down walls in Jerusalem, Nehemiah found a disorganized group of people with no effective leadership. There was no one to show them where to start and what direction to take. **The current problem we are facing is the lack of effective leadership and delegating specific tasks within the five-fold ministry of Jesus Christ.** No one person or group can accomplish this mandate from the Lord by themselves. We need each other and must be willing to work in tandem with one another before it is too late for America.
10. Just as Glenn Beck has repeatedly stated for at least the past two years, the Radicals/Islamists/Communists/Socialists are working together to create the New World Order (One World Order). Currently they have their eyes set on Israel and America. Removing America's sovereignty is their **only** stumbling block for them to fully realize their agenda. It is clear the enemy's army does not have a problem unifying in an organized, focused manner. It is for this very reason they are winning the battle to fundamentally transform America. They have embraced and perfected the power of having a fortified army based on their expertise in community organizing. God's people must do the same. Nehemiah found a disorganized group of people with no effective leadership. There was no one to show them where to start and what direction to take.
11. **The current problem we are facing is the lack of effective leadership and delegating specific tasks within the five-fold ministry of Jesus Christ, including the hundreds if not thousands, of grassroots organizations in America!** Again, no one person or group can accomplish this mandate from the Lord by themselves. Therefore, we need leadership that will be accountable:

- a. In every county in each state
- b. Providing leaders at the state level their actions plans decided by the teams for each county. In other words, the leader of each county will provide a status to leaders at the state level periodically to ensure a focused plan of action for each particular state.
- c. Then collectively the actions plans to be implemented in each state will then be enacted on a national level. We need leaders on a national level to share this plan with leaders at the state level in all 50 states.

If not now, when? If not, you who? We need each other and must be willing to work in tandem with one another before it is too late for America.

How do “We the People” Save our Republic?

It must be done on a county by county level in every state across this nation. While electing new representatives is a critical component of this strategy, the success of restoring the sovereign commonwealth back to the states is contingent on “We the people.” Our founding fathers knew that the success of our Republic was contingent on “We the people” and this is why all our founding documents were written guidelines for “We the People” to use as guardians of this Republic we were blessed with by God, our Creator. In August 1862, Abraham Lincoln proclaimed in the Gettysburg Address, *“That these men shall not have lived in vain; that under God the nation they built shall have a new birth of freedom, and that a **government of the people, by the people, and for the people** shall not perish from the earth!”*

We cannot and must not expect to accomplish restoring the sovereign commonwealth back to the states on a national level. We will only truly be successful in this endeavor by implementing on a county level, then a state level, and it is only then will we impact the federal level. We must change the way we have always done things if we expect different results!

Furthermore, this strategy will not work by establishing it on the national level. Do you think the federal government and those they are accountable to by being bought by promises of more power and/or money will roll out the red carpet for us to implement this strategy at the national level? No.

While I am not claiming to be an expert on the Constitution, I understand no principle was emphasized more vigorously during the Constitutional Convention than the necessity of **limiting the authority of the federal government**. Unfortunately, with the passage of

the Seventeenth Amendment in 1913, the **sovereign commonwealth of the states** began to be **undermined** as they lost their representation on the federal level.

The 4 principal reasons why our federal government was formed in the first place: "(1) The common **defense** (national security); (2) the preservation of **public peace**, as well against internal convulsions as external attacks; (3) the **regulation of commerce** with other nations and between states; (4) the superintendent of our intercourse, political and commercial, with foreign countries (**foreign affairs**)."
~ Alexander Hamilton, a founding father, Federalist Paper No.23, 1787

Therefore, unless we are in favor of a bigger **federal** government and want to come under a tyrannical rule of a dictator, it is absolutely critical leaders enact the following actions:

While everyone is totally focused on the national Presidential election, equally important is that we must also be vigilant concerning the local election in our own back yards. Our local elections are where "We the People" can really enact change. This is where the real hope for change in our government is at the local level—right in our own back yards. Leaders in the various Grassroots organizations and leaders in the Church must take time to get to know their county commissioners, school board members, city council members, sheriffs, etc. Why? So we can investigate what their policies are and understand why they choose to support certain issues. Last, but certainly not least, how they cast their vote! After all, they make decisions everyday that will impact our quality of life where we live and their decisions affect and infect all of us, especially our children. Furthermore, it is where we have direct access to our local elected officials to let them know if they are acting in accordance with their constituents.

As James Robison once shared with FOX News commentator, Bill O'Reilly, "*Our 'enemies' manifest themselves in people through ideas that destroy the foundational truths upon which this country was built, such as the idea that there is no right and wrong, the widespread acceptance of sexual debauchery, and the self-centered lifestyle that has become the norm. **We should know the positions of every political candidate—from the President down to our local school board.** However, electing someone to office will not save or destroy our nation. **Allowing bad ideas to go unchallenged will be our downfall.**"*

Then we must elect public servants who will protect, defend, and uphold our Constitution. Another critical factor is we must vote for candidates who have **demonstrated** integrity above all else—those who keep their promises.

Candidates will say anything to get out vote. The proof of what they really stand for will be substantiated by how they vote once they get in office. Following is a website which will

empower “We the People” to hold our elected official’s feet to the fire, to hold them accountable, after all they are supposed to be working for us.

<http://www.ontheissues.org/default.htm>.

First and foremost, they need to know that “We the People” are watching how they vote. Secondly, they know we intend to hold them accountable for their voting record when their term is up.

“We the People” will only get the results we want by us keeping them honest and holding our elected officials accountable by how they vote concerning legislation which is circumventing our U.S. Constitution. If we are diligent in ensuring we will hold them accountable, then “We the People” will begin to restore our Constitutional Republic.

One example which readily comes to mind is this. In 2010, we just elected new public servants in the state of Florida which promised us with their “political rhetoric” that they would be different. They promised “We the People” that they would uphold, defend, and protect our constitution. Guess what folks? Once again we were given empty promises. We were lied to.

Attached please find three documents for your review and action. The first document lists all elected officials in the state of Florida who broke their oath to defend, uphold, and protect our U.S. Constitution against enemies foreign and domestic. How did they break their oath? With the exception of three, they all voted for the Patriot Act and the National Defense Authorization Act (NDAA). These elected officials all voted for the passage of the NDAA, with the exception of Connie Mack, (R), Bill Posey (R) and Alcee Hastings (D).

Document #2 is a list of contact information, including phone numbers, for these elected representatives and they need to be contacted by us and held accountable.

Attachment #3 is a synopsis provided by Andrew Nappi from the Tenth Amendment Center in the state of Florida which describes how with the passage of the NDAA, we are well on our way to tyranny. With the passage of the NDAA we have lost our shield of protection of the following constitutional rights:

- Article I Section 9, Clause 2’s right to seek Writ of Habeas Corpus;
- The First Amendment’s right to petition the Government for a redress of grievances;
- The Fourth Amendment’s right to be free from unreasonable searches and seizures;
- The Fifth Amendment’s right to be free from charge for an infamous or

capitol crime until presentment or indictment by a Grand Jury;

- The Fifth Amendment's right to be free from deprivation of life, liberty, or property, without Due Process of law;
- The Sixth Amendment's right in criminal prosecutions to enjoy a speedy trial by an impartial jury in the State and District where the crime shall have been committed;
- The Sixth Amendment's right to be informed of the nature and cause of the accusation;
- The Sixth Amendment's right confront witnesses;
- The Sixth Amendment's right to Counsel;
- The Eighth Amendment's right to be free from excessive bail and fines, and cruel and unusual punishment;
- The Fourteenth Amendment's right to be free from deprivation of life, liberty, or property, without Due Process of law;

It is past time that "We the People" hold our elected officials accountable for how they vote on issues which are circumventing our U.S. Constitution and are stripping away our freedoms we have been given by God, our Creator! If we do not, our nation's sovereignty will be lost.

We must get busy with appealing Obamacare, the Patriot Act and the NDAA on a state level all across America!

In addition, we need to encourage all patriots in every state in our Republic, to expose anyone or anything which is eroding America's sovereignty. The time is now and we must all draw the line in the sand and say "Heck No! *Not on our watch.*"

We need vigilant "watchmen" who will keep up with this important aspect long after the election is over. I recommend every grassroots group appoints someone who is reliable and accountable to keep watch on how our officials vote and report back their findings to all groups in each state.

THIS COULD BE EASILY DONE IF THERE IS A PLATFORM OR DISTRIBUTION LIST WHICH CONTACTS EVERY LEADER WITH ONE CLICK OF THE SEND BUTTON. This must be addressed because for some reason all the leaders of these groups like to keep hidden their contact information which stifles and undermines our ability to quickly send actions items to everyone who needs to get their people under their circle of influence to take action.

This strategy must be invoked and enacted by “We the People” under the leadership of those willing to set aside their own agendas to answer the call to save this nation. This strategy will only work by being implemented on a county by county basis in every state across this nation. The attached strategy is based on the state of Florida, because Florida is the forerunner state for reformation and awakening to sweep across this nation. Based on the ability on the leaders in the state of Florida getting their act together and implementing this plan first in Florida, and then in every state in the nation, we can save our Republic.

I guarantee you of this one thing. **If** we implemented this strategy in the state of Florida it would spread like wildfire across this nation when others see the “fruit” of us implementing it in Florida coming to pass. They will be running to us for answer on what we did here in Florida. We have no business implementing it anywhere else until we see the success of implementing it in one state in this nation.

Unfortunately like I have said before, but it bears repeating, most will put all their focus on this upcoming election, and as a result, of putting their trust in an elected official to save this nation, they will be astonished and blown away by the horrific events which will hit America like the financial collapse and other cataclysmic events. It will be then that they realized they put all their eggs in the wrong basket. It will be then they will realize they missed “the” answer and it will only be then most will be willing to come on board with those organizations who understand the “big” picture and what the total solution is.

While electing new representatives that will protect, defend, and uphold our U.S. Constitution is a critical component of this strategy, the success of saving this Republic lies in our collective ability to restore the sovereign commonwealth back to each state across this nation. The victory in our ability to do so is contingent on the actions of “We the people.” Let’s take one example of the recent passage of the NDAA. We need to repeal this action by the federal government at the state level! Another example worth mentioning is this. Look at what the state of Georgia did with moving to get Obama off the ballot in their state. Why isn’t this being done in every state across this nation?

We cannot and must not expect to accomplish restoring the sovereign commonwealth back to the states on a national level. We will only truly be successful in this endeavor by implementing this strategic plan first on a county level, then on a state level. It is only then will “We the people” impact and take back our power and authority at the federal level and restore it back to where it belongs—to each state.

Therefore, we must change the way we have always done things if we expect different results! It begins by enlisting the help of leaders all over this nation, and the people they influence, who understand the only way we will save our Republic is to join in unity sharing our expertise and resources (people and money) to do so.

Everyone receiving this email has all said the same thing. The money supply is dwindling in all grassroots organization because many are giving their money to the upcoming election. This is why we must pool our resources—get a bigger bang for the buck!

We must work together in tandem with one another under the leadership of those who are able to see the “big” picture and take action in a focused, organized fashion.

Leaders of Tea Parties and 912 groups and Leaders within the Church must form strategic alliances with other like minded groups in their county. They must form committees on the various issues in their county which seeks to erode our solvency and which impact every man, woman, and child in America.

Moreover, I am actively involved as a leader in my community and the with various grassroots organizations all across this nation. As such, what I see going on is lots of infighting amongst members of the same team and other like minded organization in their own county due to pride and inflated egos! If we do not put aside our childish antics for the sake of our nation then everything we are currently hoping to achieve will be done in vain. This is the number one ploy of the enemy. He knows if he can create strife and cause us to be divided he can keep us from saving this Republic. United we shall stand, and divided we shall fall!

Also, there is lots of complaining, lots of blogging, lots of everything but taking action in an organized, focus manner to effectively deal with the many issues which are eroding our society and our solvency as a nation.

Then we must build relationships aimed at establishing mutual trust and respect with members of our school board, county commissioners, city council members, leaders in the Church, and sheriffs.

Why am I including leaders in the Church and Houses of Prayer? Because without prayer and action both being invoked we will not be successful in restoring this Republic. After all it is God, our Creator who blessed us with certain unalienable rights in the first

place? Again, the “root” cause of everything we are facing as a nation is because we have forsaken and rebelled against Him.

I am encountering many people in the grassroots initiatives that don’t want to talk or hear about God and are putting their trust in man’s ability to save our Republic.

Please listen! Without God we will not save this nation. The attached strategy is what the Lord has placed on my heart on how “We the people” can turn this nation back to the Judeo-Christian values this nation was founded on. This plan will be successful—for there are no “ifs” in God’s plan. The only “if” involved in the success of this strategic plan will be determined by if “We the people” will respond and implement this plan.

This is how “We the People” will take back our power and authority impacting the seven mountains of culture in our society that they enemy has taken control of! Once the enemy camp achieves total infiltration and control over the religion mountain—America will cease to exist.

“We the people” must to revert back to restoring the sovereign commonwealth to the states. Furthermore, leaders in the Church have the capability to mobilize large numbers of people to become engaged in this battle to save our nation.

We will be successful in this endeavor only if we get “We the people” on a local level to step-up-to the plate and get engaged in their own backyard. It is time that “We the people” take back the power and authority we have given away to our elected officials. They work for us and must be held accountable for how they vote not what they say.

Furthermore, our sheriffs are our last line of defense. See attached article from Fred Brownbill, President of Save America Foundation.

Each leader of the various grassroots organizations (i.e. Tea Party, 912 groups, etc.) must first determine what legislative issues or actions of local officials are currently being implemented in their particular county that are eroding America’s solvency, indoctrinating our children, taking away our God given freedoms, etc.

Each leader then must come up with a flow chart or outline and assign members of their groups or better yet work with other grassroots groups on a county level (this is the best way to ensure we transform our region) to different committees who will focus only on the task they are assigned to do.

This same scenario applies to leaders in the Church who have a massive army ready to be plugged in and engaged to take action. Again, we will only be successful by working together to transform our communities, counties, regions, state, and then our nation!

One of the problems currently existing is we try to focus on too many issues all at once. Unless we can figure out a way to clone ourselves this is unrealistic and keeps us distracted and paralyzed to take action because we are bombarded with too much information and things to do.

1. Investigate and research the particulars involved with each issue which needs to be addressed that is circumventing our constitution and eroding our nation's sovereignty. This is to include those elected officials who are doing so as well and how to get them replaced with new public servants.
2. Provide ongoing education to **members in our groups, congregations and people in our communities** who are ignorant concerning the intended destruction of our nation.
3. Formulate a plan of action with those members on the team who are dealing with only one issue, in a focused, organized manner.
4. Share with other leaders on a county by county level a plan of action after brainstorming and getting feedback from the different committees you have formed for each group or region.
5. Every month all groups must get together to hold a roundtable and brainstorm how to effectively invoke their plan of action first in their county then on the state level. You can choose to meet face to face (this is highly recommended to foster relationships with one another). Or, it can be done by holding web meetings or conference calls. Again, you must include members of the Church and the Houses of Prayer. Prayer and action must be done simultaneously.
6. Then report this information to the leaders at the state level for them to take action to deal with those issues which will impact the whole state.

It is only by the actions of a focused, organized army at the state level, will we then be able to restore our Republic at a national level.

We must keep in mind while we want to stop all the issues that are eroding America's sovereignty; we also want to implement new solutions to restore America to the Constitutional Republic based on Judeo-Christian values this nation was founded on. This is the end goal.

WE MUST FORM INITIATIVES ON A COUNTY AND THEN A STATE LEVEL FOR THOSE LEGISLATIVE ISSUES WHICH ARE ERODING OUR COUNTRY'S SOVEREIGNTY

In other words, we must form other initiatives with the sole focus on what individuals are most passionate about. Some people are passionate about the election, others are passionate about the indoctrination of our children with Islam and the homosexual agenda, others are passionate about laws and legislative issues circumventing the constitution, others are passionate about stopping the out sourcing of our jobs overseas so people in America can earn a living, some are passionate about stopping illegal immigration, etc. The list goes on and on. There is no way we can effectively combat all the issues eroding our solvency as a nation all at once by one group or person. However, we can build the infrastructure of all these different groups under one umbrella after we identify all the issues eroding our nation's solvency, and get a leader who is passionate to head up each issue and build a team under their leadership. We must have more resources to do this.

So how do we begin to accomplish this? By engaging the leaders of the people in the grassroots organizations and leaders in the religious mountain to take back the power and authority from the federal government and restore the sovereign commonwealth to every state in America.

I have tried to do this with leaders of the Church, but so far the results have been less than stellar to say the least. Therefore, I am focusing on getting through to the sheep and having them put pressure on their pastors! Perhaps we must employ the same strategy to the people who are members of these grassroots organizations (i.e.: Tea Party, 912 groups) rather than rely on the leaders of these groups too. I hate to say it, but the truth is, too many leaders are still busy building their own kingdoms and allowing their egos to get in the way of working in tandem with one another to save our nation.

I can't tell you how many grassroots leaders I have talked with who refuse to work with other grassroots' leaders in their own region. They are still doing their own thing when

they would be more successful pooling their people, resources, ideas with one another to impact their communities! The same problem exists within the Church! We cannot base how successful His church is based on the activity of just one church. Rather it should be based on how well **all** the churches in one area are transforming their communities by working together.

INITIATIVES AT THE NATIONAL LEVEL TO RESTORE OUR CONSTITUTIONAL REPUBLIC

This means that leaders in this army must work together in tandem with other leaders in the county, then each state. This is the only way this plan will work to restore our Republic at the national level once we restore each state's sovereignty at a county by county level in every state across this nation.

Both Karen Schoen, and I are currently on the board of Save America Foundation (SAF) under the leadership of a man I respect very highly, Fred Brownbill. Karen is a fiercely dedicated woman who devotes the majority of her time and passion, to stop Agenda 21 on a national level.

SAF has already established nation-wide initiatives and we have painstakingly fostered personal relationships and have many affiliates to harness the resources and expertise of many influential, knowledgeable people such as KrisAnne Hall, G. Edward Griffin, Sherriff Mac, Oath Keepers, Judge Napolitano, and many others.

Therefore, we do not need to reinvent the wheel because someone wants to be "*King of the hill*" at the national level. We need leaders from every state to bring their input, expertise and share their resources (time, people and money) from every state for their influence at the national level. Furthermore, we desperately need volunteers to work with us at the national level too. Our intent and motives are **not** to steal each other's sheep! **If** we continue to have this mentality we might as well just stop what we are doing to save this Republic.

We cannot be successful without forming specific groups at the national level who are passionate about a particular issue like Agenda 21. Karen Schoen has been doing this with the Agenda 21 initiative by holding weekly conference calls and conferences which educate her Agenda's group focused **only on Agenda 21 issues** based on their research

for the sole purpose of taking action in an organized, focus manner to stop Agenda 21 dead in its tracks.

When you think about Agenda 21 picture an octopus with tentacles infiltrating all seven mountains in our society based on the UN agenda of a One New Order. We must build the infrastructure now and get your people engaged at the national level to fight the following issues:

TOGETHER WE MUST BUILD THE INFRASTRUCTURE NOW OF FORMING STRATEGIC ALLIANCES FOR THE SOLE PURPOSE OF INFILTRATING AND TAKING BACK CONTROL OF THE SEVEN MOUNTAINS IN OUR CULTURE

We must continue to build the infrastructure comprised of people who are willing to form strategic alliances with leaders of the various organizations for the purpose of infiltrating all seven mountains of culture in our society with all the issues currently eroding America's sovereignty. We need manpower and focused attention on each of these various issues/facets which are eroding the seven mountains of culture in our society which are as follows:

1. Religion
2. Family
3. Government
4. Business
5. Education
6. Arts and Entertainment
7. Media

I am sure most of you know this is exactly what the enemy (the global elitists and certain leaders in our government and in the church) have already done and is why they are fundamentally transforming America before our very eyes. They are eroding the foundation of what made our nation great in the first place. Most in this movement are focusing their priorities on mountain #3, the governmental mountain, when the truth is everything is contingent on mountain #1 the religion mountain and mountain #2—the family mountain. If they erode these two foundational mountains—they will take total control of our nation by removing America's sovereignty and they will have achieved their New World Order.

The only mountain they have not totally infiltrated and obtained total control over yet is the religious mountain. I feel we need to add one more mountain in this equation—our military and law enforcement officers. When they are able to have total control over the religious and family mountain, including members of our military and local law enforcement officials—this fight to save our Republic will be over.

So I ask each of you what is the most important element we must focus on in order to save our Republic?

Other, than repenting and turning back to God, our Creator, in my opinion, we need to amass an army of warm bodies of individuals who will devote their time, energy, expertise, and resources (which includes money) to come together in an organized, focus manner to not only stop agendas, people, legislation, and policies which are eroding America's sovereignty, but more importantly, replace agendas, people, legislation, and

policies that will restore our Republic to be in line with both our U.S. Constitution and the Judeo-Christian values which made America great in the first place.

What strategy will we have to enact to accomplish this mandate? The strategy I have received from God, our Creator, since 2010. Only God knows what the future holds and what it will take to save this nation He established by His divine providence with our founding fathers.

In summary, this strategic plan can and will be eventually be implemented in every state in this nation for there are no “ifs” in God’s plan. The only “if” which remains to be seen is which organization of leaders will decide to set aside their own agendas and implement this plan so we can save our Republic?

PART THREE – IDENTIFYING ALL THE HOUSE OF PRAYER THE LORD IS RAISING UP FOR A TIME SUCH AS THIS

We need to identify all Houses of Prayer (HOP) for the state of Florida the Lord is currently raising up. Not only are these HOPs to be for prayer and intercession, some are to be places of refuge as well. Following is the mandate God placed on my heart.

The Lord wants us to publish a list and have a website for all the Houses of Prayer across this state. This is to include those prayer groups He is raising up for a time such as this because we will need people to have access to this list so they can run to these houses of refuge when our nation experiences the catastrophic events heading our way. Many of these houses of prayer will be places of refuge when calamity strikes our nation. **Some of these houses of prayer have food and other provisions to provide as well.**

I know beyond a shadow of doubt when calamity hits our nation most HOPs will need to become places of refuge. This is why the Lord placed it on my heart to start working with His people in identifying all the HOPs for the state of Florida now rather than after the fact. We need to begin building the infrastructure now and have it in place BEFORE the need arises.

As such, this initiative is not to be solely for our purposes. Rather, it is to make available a list for people who will be running to the HOPs during the days ahead. They will need to know where to turn to for prayer, a place of refuge, provisions, discipleship, healing and

deliverance. Perhaps there will be some HOPs which will be used just to pray and intercede, but the majority will be needed to become places of refuge.

The **long-term vision** the Lord has placed on my heart for His HOPs throughout the state of Florida, and the nation as well, is as follows.

In the next few years His church (which includes His HOPs) will be going back to the Book of Acts and do what the early disciples did. They met at the temple for prayer, but then they were sent out to share the gospel, heal the sick, set the captives free, and convert people to accept Jesus Christ as their Lord and Savior. Then they disciplined the new converts so they too could go forth and share the gospel and set the captives free. In the next few years, the harvest will never be more ripe and the need so great. Before we can hope to meet the needs of people in the days ahead, first we need to ensure we are ready ourselves so we can help bring in the end-time harvest.

Like King Jehoshaphat did in 2 Chronicles 17:1-18-34, we need to start leaving the four walls of the churches/HOPs and share the Gospel within our communities meeting the spiritual needs of the people in the marketplace. However, it is by first meeting their physical needs, will most allow us to pray, heal, and set them free and accept Jesus Christ as their Lord and Savior. This can be done on a regional basis if there are not enough HOPs for each county.

Furthermore, just like King Jehoshaphat did we need to build fortresses and storage cities throughout America where supplies and provision are stored for the time when we will need to provide for people's physical needs first, and then we can address their spiritual needs. As a matter-of-fact, we need to start buying food and water in bulk to meet the needs of people within our circle of influence as well.

We will all need to work together to come up with the best way to approach this mandate from the Lord. All of us should lift this up in prayer further to see what the Lord leads us to do regarding His mandate. However, it is critical we come back together and make this a reality as soon as possible.

We need to identify **all** Houses of Prayer in the state of Florida **before** calamity hits this nation.

Some of these Houses of Prayer may have facilities available to be places of refuge for people to come on a temporary basis. We could visually identify these with an icon of a house.

- Some of these Houses of Prayer may offer medical treatment. We could visually identify these with an icon of offering first aid.

- Some of these Houses of Prayer may be designated as food and water distribution centers. We could visually identify these with an icon of a fork and water symbol. The Lord had me send out an email beseeching churches and HOPs to buy food and water in bulk to stock the storehouses.

- Some of these Houses of Prayer may solely be used to pray and intercede. We could visually identify these with an icon of praying hands.

- Some of these Houses of Prayer would be accessible 24/7 while others are not yet operating as a 24/7 facility. We could visually identify these with an icon of a clock with the hours this HOP is operational.

- Some of these Houses of Prayer may disciple and equip people in order to send them back out into the mission field. We could visually identify these with an icon such as this.
