

'Hear Ye, **Hear Ye**' Let us Arise and hear the verdict of the Lord Part 1

January 29, 2013

Dear sisters and brothers in Christ,

Our President and *We the People* have been weighed on the scales according to God's **righteousness** and **justice** prevailing throughout the land. As proclaimed by Psalm 89:14, "Righteousness and justice are the foundation of your throne..."

Therefore, God's verdict has been rendered, and on our present path, **heed** the Word of the Lord based on the book of Daniel Chapter 5 which exclaims, "*Tekel: You have been weighed on the scales and found wanting.*"

If we do **not** change course, we can expect to reap the rest of this passage which says "*Mene: God has numbered the days of your reign and brought it to an end* **and** *Peres: Your kingdom is divided and given to the Medes and Persians.*"

As is the case in which the final judgment or decree of any court is subject to review with a *writ of certiorari*, the execution and enforcement of such judgment or decree **may** result by the Judge rendering a stay of execution which postpones or averts the enforcement of a judgment being executed against a litigant who has lost a case.

Hence, this email has a three-fold purpose which is as follows:

1. I have included an action alert at the end of this email for us to stop Obamacare at the state level from requiring **every** American to comply with the accounting requirement, which plans to collect \$1 abortion surcharge from **each** premium payer to fund abortions.
2. A final call for God's people to respond to the clarion call to repent and return to our first love—Jesus Christ so we **may** receive a stay of execution based on God's verdict.
3. In this critical hour, God is speaking through many of His servants and He always confirms things based on the testimony of two or three witnesses according to Deuteronomy 19:15 and Matthew 18:16. The issue of **abortion is the common denominator of all three prophetic words I am sharing with you in this email**. Therefore, the three (3) timely prophetic words issued recently are as follows:

The **first** prophetic word was delivered by Jonathan Cahn, author of the book titled *The Harbinger*, that he delivered at the Presidential Inaugural Prayer Breakfast. This video can be accessed at the following link:

<http://www.youtube.com/watch?v=aed-zca52Ag&sns=fb>

The **second** prophetic word is from Matt Lockett, Bound4LIFE Director; titled ***Divine Timeline*** which can be read by accessing the following link:

<http://bound4life.com/blog/2013/01/22/divine-deadline/>

The **third** prophetic word is from Jeremiah Johnson who accurately details what God's

people **must** do in order to rule and reign based on God's righteousness and justice during the next four years if we hope to stop reaping the curses of Deuteronomy 28 because of our rebellion and forsaking God our Creator, and His Son, Jesus Christ.

Based on the word Jeremiah Johnson received from the Lord; in the next four years God's people must heed God's warning concerning the following: 1) Abortion 2) Sexual Immorality in His Church 3) Tolerance and Rebellion 4) Hillary Clinton 5) Israel

This prophetic word from Jeremiah Johnson can be found in its entirety in writing or by a video presentation at <http://www.chronicsoftheunknowndreamer.com/> .

As far as the dream Jeremiah Johnson shares in his prophetic word proclaiming that the Lord is calling His people to build Him a *House of Hope*, rather than a *House of Terror* for these babies who would otherwise be aborted, I wept as I read what he wrote and watched his video presentation and knew what Jeremiah was saying was from God's heart.

One of the many mandates the Lord has placed upon my heart is to build Him a "*Haven of Hope*." This home will be a place of refuge for young mothers who decide to keep their babies they would otherwise abort.

This mandate the Lord has decreed to His people to build Him a *House of Hope* leads me to ask a question we should all search our hearts to answer which is this. Many of His people say they are against abortion, yet what are we going to "do" about it?

Yes, we must continue our fight against legislation and those individuals proliferating abortion to be the law of the land, however, His people must also address the issue of what shall we do for these babies who will enter this world by women who do not want them or have the means to care for them too.

Are God's people prepared to form long lines to adopt these babies who would otherwise be aborted? Are we placing our money where our mouth is and building houses for these young unwed mothers who decide to keep their babies instead of aborting them so they can have a place to live with their babies until they can be taught to stand on their own?

It is not enough for us to fight against abortion, we must also answer the call from our heavenly Father to give these children a good, Godly home where their basic needs are met and they are loved unconditionally.

Even now we have many children in the system who have been abandoned by their parents, and as a result, are tossed to and fro from one temporary living arrangement to another. These children who are already born need good, Godly people to step up to the plate and provide them with a loving home where they can experience God's love for them, have their physical needs met, and be brought up with the admonition of the Lord.

Last, but certainly not least, this email is a final call for His people to respond so we may receive a stay of execution based on God's verdict.

Based on 2 Chronicles 7:14, God is beseeching **His** people to turn from our wicked ways by living consecrated lives **according** to His Word, not based on humanism which is what we deem right in our own eyes! God is calling **His** people to be set apart and live holy, because God is Holy. God is **not** looking for us to **say** we repent. Rather, He is looking for **His** people to be so grieved by the evil in our society that it propels us to **do** something about it!

In conclusion, God's righteousness and justice can only prevail throughout our land **if** His people awake and arise from their slumber and become fully engaged in this spiritual battle for the hearts and souls of people in this nation.

As God's *Ekklesia* we are called to rule and reign on the earth with Jesus Christ our King of Kings and Lord of Lords. We have been given the mandate to take dominion as we legislate and enact God's government on earth as it is in heaven in order that God's Kingdom prevails against the kingdom of darkness. Does our nation look like God's Kingdom is prevailing against the kingdom of darkness seeking to kill, steal, and destroy everything we cherish?

God is counting on His *Ekklesia* to be His voice, hands, and feet based on our prayer Jesus told us to pray which is proclaimed in Matthew 6:9-13 which begins "*Our Father in heaven, hallowed be your name. Your kingdom come, your will be done, on earth as it is*

in heaven...”

The only way God’s will can and will be accomplished on earth as it is in heaven is through His people He has called to be His army to bring His righteousness and justice throughout the land. We are God’s foot soldiers dressed for battle and we must arise and take back America from the hands of the enemy forces now!

In Part 2 of this series I will convey why abortion grieves our heavenly Father’s heart and how abortion plays an instrumental role in us losing our unalienable rights to Life, Liberty, and the Pursuit of happiness people in America were blessed with by God, our Creator.

ACTION ALERT-STOP OBAMACARE IN YOUR STATE NOW!

This past weekend I attended a summit in Orlando Florida for grassroots leaders in the state of Florida where we were blessed by a visit with Matt Staver, Founder of Liberty Counsel, who came to give us an update on Obamacare. Guess what? When this unconstitutional mandate from people who think they are God goes into affect we will all have the shedding of innocent blood on our hands! Mr. Staver confirmed the following:

*Nestled within the “individual mandate” in the Obamacare act — that portion of the Act requiring every American to purchase government — approved insurance or pay a penalty — is an “abortion premium mandate.” This mandate requires all persons enrolled in insurance plans **that include elective abortion coverage to pay a separate premium from their own pockets to fund abortion.** As a result, many pro-life Americans will have to decide between a plan that violates their consciences by funding abortion, or a plan that may not meet their health needs.*

As a knowledgeable pro-life source on Capitol Hill informed LifeNews, as authorized by Obamacare, “The final rule provides for taxpayer funding of insurance coverage that includes elective abortion” and the change to longstanding law prohibiting virtually all direct taxpayer funding of abortions (the Hyde Amendment) is accomplished through an accounting arrangement described in the Affordable Care Act and reiterated in the final rule issued today.

“To comply with the accounting requirement, plans will collect a \$1 abortion surcharge from each premium payer,”

This is a clarion call to **all** believers in Jesus Christ to respond to if we do not want the shedding of innocent blood to be on all our hands based on Obamacare requiring **every** American to comply with the accounting requirement, which plans to collect \$1 abortion surcharge from **each** premium payer! In other words, for every premium payer that pays for Obamacare, one dollar will go specifically to pay for the abortions of women. Do the math and this will equate to a bloodbath of epic proportions of the blood of innocent children if we do not stop this from happening on our watch now!

If you think the *Spirit of Death* and the *Spirit of Suicide* which has descended upon our nation coming through an open portal as a result of abortion in the land is horrific now, just wait until every working American funds abortion with **our** hard earned wages!

Therefore, please contact your state representatives, particularly your governor to say no to Obamacare in the state you currently reside; otherwise, we will have the blood of innocent children on all our hands!

Also, sign-up and gain access to the exclusive Block ObamaCare Exchanges War Room, organized by **FreedomWorks**, where you will gain access to the action map to find out what the exchanges are and how to stop ObamaCare in your state. Also you'll find our blog which is updated with the latest news regarding health care. All of this is free!

To help stop Obamacare in your state go to <http://blockexchanges.com> now!

Together we can stop Obamacare dead in its tracks if we tell our elected leaders in our state to say no! However, most won't because of the money they receive from the Federal Government to comply! However, if enough people take a stand now on this critical

mandate, they will listen because they respond to the number of people being a voice on a particular issue! Please also forward this email to everyone you know. Thank you.

For the state of Florida, please call the following elected officials:

Governor Scott

(850) 488-7146

House Speaker Will Wetherford

(850) 717-5038

Senate president Don Gaetz

(850) 487-5001

Together we CAN make a difference for **His Kingdom** and **America!** Blessings until we meet again.
