Action/Prayer/FYI Item #1:

URGENT PRAYER REQUEST FOR AMERICA-Call for United Prayer from Cindy Jacobs-United States Prayer Reformation Network (USRPN)

June 25, 2014

A few months ago The Lord had me issue a warning called 'Shields Up' to pray for the protection of our nation. Tonight, while reading my Bible, the following passage leapt off the page:

And He has confirmed His words which He spoke us and against our judges, and judged us, by bringing upon us a great disaster, for under the whole heaven such has never been done as was done in Jerusalem. (Daniel 9:12)

It does not take a prophet to realize that America is in trouble! We know there are many radical extremists who hate us--this is not new. However, as I read the verse this evening I was shaken by it. This is what I am hearing: "There is an another attack on the scale of 9/11 being planned!"

As I prayed to pinpoint how to intercede, I immediately heard these words: "Close the gates! All borders must be closed to terrorists and those who would aid them." This includes all airport customs checkpoints as well as border crossings. We must pray for our customs and border agents to have eagle eyes to "see" any potential persons trying to make their way into the United States. We must also pray for all points of public transport.

The good news is that prayer works! This is a call upon every praying person everywhere to stand in the gap and pray for the protection of the nation.

Family Research Councils: Call2Fall - Join Thousands in Prayer for America on June 29!

On Sunday, June 29, 2014, faithful Christians across America will be on their knees, praying for our nation. To join this movement, visit Call2Fall.com and click "I'm in." When you do, you will see your first name and your state pop up on the front page of the website.

In 2009, I was challenged by an elderly lady to use my influence to call our nation to "our knees" in prayer (see 2 Chron.7:14). That same day I read about the Continental Congress' call to prayer in 1775 that resulted in 3 million colonial Americans gathering on their knees in repentant prayer for our troubled, fledgling country. That was the beginning of Call2Fall.

Watch our short video about the first prayer in the Continental Congress. Many of our Founding Fathers were moved to tears and to greater dependence on God as they faced grave uncertainty on the eve of war with Great Britain. May we, too, humble ourselves in prayer before God in this pivotal year for our nation!

<http://www.call2fall.com/videos>

Forward the video to your pastor and ask if your church could set aside a few minutes in your June 29 worship services to pray for our nation. There are many church-friendly tools and resources like this brief video that can help your church have a meaningful Call2Fall.

Sounding the Alarm: An Urgent Call to Prayer July 1-7, 2014, Plus a video ever Christian need to watch by Anne Graham-Lotz—Billy Graham's Daughter titled, "What Time Is it?"

Blow the trumpet...sound the alarm...for the day of the Lord is coming. It is close at hand-- Rend your heart and not your garments. Return to the Lord your God... Joel 2:1, 13

While at home caring for my husband, I have had time to be quiet and listen more to the whispers of the Spirit. He has revealed things to me in the stillness that I'm not sure I would have heard in my former busyness. One of the things He has impressed on me is that we are living at the end of human history as we know it. In light of this, He has given me some practical assignments. One was to be the Honorary Chair for the National Day of Prayer 2014 this past May. He gave me the message I was to deliver, which was from Joel 1...the Day of the Lord is at hand. It was a message warning of judgment that is coming.

Every Christian needs to watch these messages which can be viewed at the following link by Anne Graham-Lotz, Billy Graham's daughter.

The Great Apostasy Continues to Flourish as the Presbyterian Assembly declares Gay Marriage Is “Christian” Despite the Fact that God’s Very First Covenant He Established and Defined with Mankind is the Covenant of Marriage which God Says is Between One man and One Woman

It's Time to Leave the Presbyterian Church (USA)

Presbyterian Church Leaders Declare Gay Marriage Is Christian

<http://www.nbcnews.com/news/us-news/presbyterian-church-leaders-declare-gay-marriage-christian-n136256>

We may be in the twenty-first century BUT know this indisputable truth: The Covenant of Marriage that God established and defined from the very beginning is still in effect despite the great apostasy we are now witnessing in some denominations of the body of Christ who have compromised and defiled His Word under the guise of loving one another! Same sex-marriage and homosexuality is an abomination to the Lord!

Never before has the need been greater to understand what God's Word says about the Covenant of Marriage that God defined and established between one man and one woman at the very beginning! For this reason, I have posted this teaching titled, "*God's Very First Covenant He Established with Mankind is the Covenant of Marriage and Why It Still Stands!*" under the 2014 Prophetic Word on my website which can be accessed at the following link:

AMERICA'S CHOICE: The Bible? or The Gay Agenda? We can't have it both ways

Does the Bible teach against homosexuality, and thus same-sex marriage, or not? If it does, then the approval of same-sex marriage, that has recently been endorsed by President Obama, would constitute a direct and arrogant attack against the Bible, and thus against God Himself.

9 Statements from Obama This Week That Made a Mockery of God's Word by Tim Wildmon

On Tuesday, President Barack Obama spoke at an LGBT fundraiser in New York City. You can watch or read the entire speech by accessing the following link:

<http://www.c-span.org/video/?320014-1/president-obama-remarks-dnc-fundraiser>

Here are a few excerpts from the transcript of his speech:

1. "The day that the Supreme Court issued its ruling, *United States v. Windsor*, was a great day for America."
2. "So Pride Month is a time for celebration, and this year we've got a lot to celebrate. If you think about everything that's happened in the last 12 months, it is remarkable. In nine more states you're now free to marry the person you love—that includes my two home states of Hawaii and Illinois. The NFL drafted its first openly gay player. The U.S. Postal Service made history by putting an openly gay person on a stamp—the late, great Harvey Milk smiling from ear to ear." (

Editors Note: Read this article: <http://www.saveamericafoundation.com/2014/06/01/saf-activists-please-read-and-distribute-this-disgusting-vile-information/>)

3. **“When I took office, only two states had marriage equality. Today, 19 states and the District of Columbia do.”**
4. **“But because of your help, we’ve been able to do more to protect the rights of lesbian and gay, and bisexual and transgender Americans than any administration in history.”**
5. **“We repealed ‘don’t ask, don’t tell,’ because no one should have to hide who you love to serve the country we love.”**
6. **“I lifted the 22-year ban on people with HIV traveling to the U.S.”**
7. **“Before I took office, only one openly gay judge had been confirmed in history. We have 10 more.”**
8. **“We stopped defending the so-called Defense of Marriage Act in the courts and argued alongside Edie and Robbie before the highest court in the land.”**
9. **“I’ve directed my staff to prepare for my signature, an executive order prohibiting discrimination by federal contractors on the basis of sexual orientation and gender identity.”**

Action Alert: Tell Prime Minister Netanyahu that the Presbyterians don't speak for American Christians!

On Friday, the Presbyterian Church U.S.A. voted to divest from stocks in three companies -- Caterpillar, Hewlett-Packard and Motorola-- which sell products to Israel. It was a sad day.

This vote will have little practical significance. The Presbyterian Church U.S.A. has fewer members than CUFI. And they are shrinking just as quickly as we're growing.

But this vote will have symbolic significance. By singling out Israel for condemnation, the Presbyterians will encourage the very forces that have prevented peace in the first place. This vote sends a dangerous signal that there is no price to pay for refusing to compromise with Israel -- if conflict persists, only Israel will be blamed.

Worst of all, this vote will send a message to Israel that America's Christians are abandoning her.

We know that nothing could be further from the truth. We know that the overwhelming majority of America's Christians stand firmly with Israel. But our Israeli friends won't know this unless they hear from us.

Access the following link to remind Prime Minister Netanyahu and the Israeli public that America's Christians continue to stand with them and that the Presbyterian Church U.S.A. does NOT speak for us!

Let's Get Educated! In Context: Separation of Church and State by KrisAnne Hall

Separation of Church and State. I know of very few statements that carry so much emotion and so much misconception at the same time. Our education system stifles religious expression with this phrase. Our court systems have failed America with their rulings misapplying this phrase. Our churches have been negligent to their responsibilities because of this phrase. The culmination of all this wrong doing has led this nation down a road that, may I boldly say, our founders never intended. And now, even our government has attempted to deny our wounded warriors their very fundamental principles of faith; all because we have failed to understand the history that motivated Thomas Jefferson to make this statement to the Danbury Baptists in 1802.

Let's Get Educated! In Context: Separation of Church and State

<http://krisannehall.com/in-context-separation-of-church-and-state/>

“Every man must give account of himself to God, and therefore every man ought to be at liberty to serve God in that way that he can best reconcile it to his conscience. If government can answer for individuals at the day of judgment, let men be controlled by it in religious matters; otherwise let me be free.” John Leland

A lack of knowledge of true thyroid disorder symptoms—How to Recognize and Care for Your Thyroid Condition

Hypothyroidism symptoms

feeling tired

feeling cold

heart problems

increase in weight

depressed feelings

hair loss

hoarse voice

bowel problems

Please access the following link below to learn more. Also, I was diagnosed with a thyroid problem and the primary culprit which caused my thyroid to go bad in the first place was soy which they are putting in everything these days--even food at the health food stores! Look for it in that protein bar and shake they tell you is healthy! AVOID SOY AT ALL COST!

Soy protein contains a natural chemical that mimics estrogen. In three cancer studies funded by the National Institute of health at the University of Illinois, revealed that estrogen-dependent tumor growth increase in the soy-containing diet. Soy may also promote the growth of estrogen-dependent breast cancer cells already present in a woman's body. According to the FDA, soy can also generate thyroid abnormalities.

Moreover, according to the Pacific Health Research Institute in Hawaii, regularly eating tofu (soy) causes accelerated brain aging that is manifested in accelerated atrophy (shrinkage of the brain), cognitive decline (loss of thinking ability), and even manifestations of Alzheimer's disease we are seeing rise in epidemic proportions.

Action/Prayer/FYI Item #16:

A Time of Reflection as We Celebrate Our Nation's Birthday

Independence Day, more commonly known as the Fourth of July, is a time when fellow Americans commemorate the adoption of the Declaration of Independence on July 4, 1776. Typically this day is associated with parades, barbecues, picnics and culminates with spectacular displays of fireworks. Yet, how many of us take the time to reflect on what it cost our ancestors to secure this freedom we take for granted? How many of us seek to understand why America became the greatest nation ever to exist?

Since its conception America has been a melting pot of diverse ethnicities and cultures. It

is in this vast wealth of different experiences and perspectives the people within our nation created a new cultural climate which gave wind to the human spirit. This ingenuity of collective creative thoughts enabled the people within our country to create the free-enterprise culture which exists today. America is God's spiritual vineyard and He blessed our country because of our compassion to the poor, the homeless, the widows and the orphans; we were instrumental in spreading the Gospel to the nations; and we have always been supportive of Israel. As a result America prospered greatly and became the premier world power.

Let's journey back in time to when our nation was being formed to become the greatest countries ever to exist. George Washington stated in his first inaugural address on April 20, 1789, *"...The preservation of the sacred fire of liberty, and the destiny of the Republican model of government, are justly considered as deeply, perhaps as finally stakes, on the experiment entrusted to the hands of the American people."*

In the Declaration of Independence, July 4, 1776, Thomas Jefferson stated, *"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights that among these are life, liberty and the pursuit of happiness."*

At the Constitutional Convention of 1787, Benjamin Franklin stated, *"Gentlemen, I am convinced that God governs in the affairs of men. If a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid? I move that prayer imploring the assistance of Heaven be held every morning before we proceed to business."*

In August 1862, Abraham Lincoln proclaimed in the Gettysburg Address, *"That these men shall not have lived in vain; that under God the nation they built shall have a new birth of freedom, and that a government of the people, by the people, and for the people shall not perish from the earth!"*

Perhaps foreshadowing things to come, Theodore Roosevelt, on March 30, 1912, stated, *"We, here in America, hold in our hands the hopes of the world, the fate of the coming years; and shame and disgrace will be ours if in our eyes the light of high resolve is dimmed, if we trail in the dust the golden hopes of men."*

America is still the greatest nation ever to exist and we have always embraced people from all ethnic groups. This has not changed. What has changed is that today's multiculturalism seeks to silence, undermine and eradicate our Judeo-Christian heritage and replace it with their unique ethnic viewpoint.

In other words, their worldview of how things should be is the one they would like to see our country embrace. American culture was based upon Judeo-Christian principles, which

was based upon teachings from both the Old and New Testament. Paul wrote, "All Scripture is given by inspiration of God..." (2 Timothy 3:16).

As Christians we all become a part of God's family when we accept His free gift of salvation through His son Jesus Christ. This is not dependent on our race, station in life, or country of origin. As Christians we must know **and** obey God's precepts written in His Word. The same concept holds true when people choose to become citizens of the United States of America.

Did you know the Declaration of Independence, the U.S. Constitution, and the Bill of Rights all contain phrases that originated in the Torah, the first five books of the Bible written by Moses? These early documents were founded upon the Torah, the book of Isaiah, and the four Gospels. The Bills Of Rights are the first ten amendments to our Constitution and correspond to the Ten Commandments outlined in God's Law. Contrary to popular opinion, we were indeed founded as a Christian nation.

The downward spiral for our country started in 1963 when Madelyn Murray O'Hair, an atheist, won a lawsuit against the Baltimore School System, which voted in her favor 8-1 to ban school prayer and label it "unconstitutional". This ruling started America's slippery decline away, not only from our Constitution, but our Creator, too. Where was the outcry from the body of Christ when this happened? As is now the case, the silence was deafening.

As a result we have almost five decades of Americans who don't know the Lord and what His Word says, because they don't take the time to find out. We are all too busy. We have become our own gods and seek to replace the God of Abraham, Isaac and Jacob with many false gods. The majority of these people "who knew not the Lord" are now in a position of power and influence and seek to invoke their "worldview" over God's! They are parents, teachers, government leaders, and more tragically, this majority includes many Christians as well.

The U.S. Constitution is the document which governs the supreme law of our land. There is a thought process of many in our country who believe the U.S. Constitution is no longer applicable to this generation—it has become antiquated—it is no longer relevant to today's issues. These are the same people who believe the same about the Bible. The Word of God is as relevant today as when it was written. It does not matter what is socially acceptable or politically correct. Hebrews 13:8 states, "*Jesus Christ is the same yesterday and today and forever.*"

Freedom is a privilege not a right and it must be protected. Our founding documents were written under the divine providence of Almighty God, and every public official takes an

oath to uphold, defend and protect the Constitution of the United States of America.

This 4th of July, why not renew our commitment to first God, then our country?!

Fellow Americans: Today as we celebrate our 238th birthday, let's ask ourselves as President Kennedy once asked us, "*Ask not what your country can do for you. Ask what you can do for your country.*"

Then we must seek God in order to adequately answer this question! He is the one who gave us the responsibility to be the stewards of this great nation. As stated in *Hosea 4:6*, "*My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. Since you have forgotten the law of your God, I also will forget your children.*"

A good place to start is to get a *One Year Bible*, arranged in 365 daily readings. Will you devote 30 minutes a day to read God's Word, so you can know His truth?

Also, we must educate ourselves about our nation's Judeo-Christian heritage by reading:

And, if you question that our Founding Fathers did NOT write our founding documents based on God's Word and under His divine providence then get *The Founders' Bible—The Origin of the Dream of Freedom* from renowned historian Dave Barton at the following URL:

<https://thefoundersbible.com/>

Moreover, there are some people who are of the opinion that America was NOT founded as a Christian nation because the Illuminati were already working to erode God's vision for America as well. It is just like Satan to use men with evil intentions to try to thwart and counterfeit what God is doing!

Therefore, as we celebrate July 4th, please take the time to read the writing I wrote back in 2013 titled, "*America Bless God!*" which I am releasing for a time such as this. This writing can be accessed under the 2014 Prophetic Word on my website at the following link:

<http://www.angeloffaith777.com/2014-prophetic-word.html>

In addition, here are a few other excellent books I highly recommend you read as well...

Nightmare on Pennsylvania Avenue by Perry Stone

Plucking The Eagle's Wings by Perry Stone

The 5,000 Year Leap – A Miracle That Changed the World by W. Cleon Skousen.

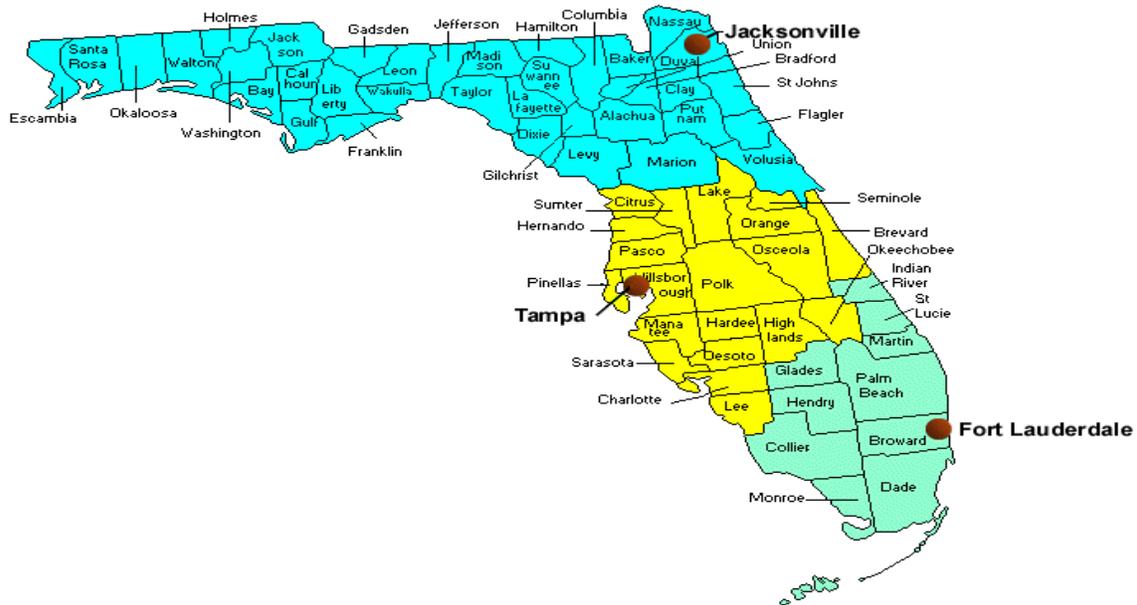

Just as Christians need to read God's Word to understand His precepts and principles so we can obey them and apply them to the way we live, the same holds true for our founding documents. Every American should be required to read and understand the Declaration of Independence, our U.S. Constitution and the Bill of Rights. When people come to our country **legally**, they have to do this. Americans are not against foreigners coming to our country to have a better life. This is part of the original "American Dream."

It is only by giving God first place in our hearts and lives will we once again become the people worthy enough to inhabit the land of the free and the home of the brave! Happy Birthday, America!

*Oh! thus be it ever, when freemen shall stand
Between their loved home and the war's desolation!
Blest with victory and peace, may the heav'n rescued land
Praise the Power that hath made and preserved us a nation.
Then conquer we must, when our cause it is just,
And this be our motto: "In God is our trust."
And the star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave!
