

Sudan's egregious treatment of Meriam represents the type of human rights abuses our country has long publically condemned. It's important that Members of Congress act now to pressure the Executive Branch to act and to signal their support for religious freedom and human rights. The wife of an American citizen, Mariam Ibrahim, is sitting in a prison in Sudan and sentenced to death for refusing to renounce her Christian Faith. At the time of her sentencing, Mariam was eight months pregnant and her execution was postponed until she gave birth and weaned her child. Mariam gave birth yesterday. # Democrats just announced their plans to rewrite the First Amendment's protection of free speech. *S.J. Res 19* will propose an amendment to the Constitution giving Congress the power to regulate political contributions of all kinds

## **Action/Prayer/FYI Item #4:** **Join FRC in Participating in the March for Marriage on June 19<sup>th</sup> on the National Mall in Washington, D.C.**

Marriage matters for our society because it is the institution that brings together a man and a woman to be father and mother to their children. At FRC, we believe that marriage matters because children matter, and we are proud to stand on behalf of the millions of Americans who share that belief. The March for

Marriage offers you the opportunity to join with us in standing in support of natural marriage.

You can find more information about the March at [www.MarriageMarch.org](http://www.MarriageMarch.org).

As a sponsor of this event, FRC will be partnering with other pro-family organizations to affirm the public importance of the institution of marriage. Not only will the March for Marriage celebrate the positive good of marriage, it will also underscore the fact that support for natural marriage continues even in the face of a hostile judiciary and liberal media.

We know that the fight over the definition of marriage is not over, despite recent media celebration of judicial activism. Just last week, new polling came out showing a majority of Americans still oppose redefining marriage—a reality contrary to the notion that same-sex unions inevitably will be accepted as marriage. Because a national debate over what marriage is and should be is still occurring, it's all the more important that we boldly and winsomely stand for the importance of marriage.

Consider joining us in Washington on June 19<sup>th</sup> and help us make a difference for this truly noble cause.

**The March will take place in Washington, D.C. on June 19th, beginning at 11:00 am.** Please check out the [2014 March for Marriage website](#) for more details. On the site, you'll find all the resources you need to get involved and participate in this year's March, including:

- Information about [how to organize a bus](#) from your community to attend the March (and if you do want to plan a bus, be sure to [drop us a line and let us help](#));

## **What Rand Paul Isn't Telling You in His Filibuster by KrisAnne Hall**

Department of Justice document, The White Paper, was leaked to Michael Isikoff from NBC. Isikoff reported and released this paper to the world and attempted to show the DOJ's intentions to secretly assassinate U.S. citizens in the name of national security. This DOJ White Paper is a quasi-legal analysis justifying the government's use of lethal force to assassinate US Citizens, classified as a potential hostile by the President or by any "high level official of the U.S. government", anywhere on the globe, with no due process, even when there is no evidence to support such an accusation. Sound too "Orwellian" to be true?

What about the fact that the government has already redefined who is a "terrorist"? Just look at Janet Napolitano's report, as head of the Department of Homeland Security, warning America regarding who is a terrorist; "rightwing extremists" concerned about illegal immigration, abortion, increasing federal power and restrictions on firearms – and returning war veterans. "Rightwing extremism in the United States can be broadly divided into those groups, movements, and adherents that are primarily hate-oriented (based on hatred of particular religious, racial or ethnic groups), and those that are mainly antigovernment, rejecting federal authority in favor of state or local authority, or rejecting government authority entirely. It may include groups and individuals that are dedicated to a single issue, such as opposition to abortion or immigration.

### **Heritage Foundation reports: Obama Is Bypassing Congress Again. This Time It's Going to Cost You**

Next week, the Obama administration is planning to unveil a climate action plan that it intends to implement without legislative approval. It's a creative approach to governing, not unlike other executive actions President Obama has taken to bypass Congress.

When lawmakers refused to pass cap-and-trade legislation, Obama announced there was more than one way to skin the cat. Through climate plans, executive orders and regulatory action, he directed his agencies to find ways to curb the country's carbon dioxide output and commit to reducing greenhouse-gas emissions.

Leading the charge, unsurprisingly, is the Environmental Protection Agency, which will release its carbon-dioxide regulations for existing power plants on Monday. The plan will drive up energy prices for American families and businesses without making a dent in global temperatures.

Our infographic explains what it means for jobs, incomes and the states hurt most.

### **Elliot Rodger's mass murder and suicide—another tragedy that did not have to happen! What is the “root” cause of why we are seeing mass murders from young people on the rise in America? And, what is “the” answer to stop the carnage of hurting people killing themselves and other people?**

Please see my writing I sent out on July 4, 2012 titled “*Is There Not a Cause Greater Than Ourselves?*” Part 1 of 4 under the 2012 Prophetic Word by accessing the link below:

<http://www.angeloffaith777.com/2012-prophetic-word.html>

In this writing the Lord placed upon my heart to share with His people I said...

*“Perhaps your children are fortunate enough to have you as their parents but for the vast majority of children in America their most basic need of love and acceptance goes unmet.*

*Therefore, they look for love and acceptance in all the wrong places. So they turn to drugs, alcohol, sex—anything that they feel will make them worthy, loved, and accepted. Why? Because*

*this is what they see their parents doing as they pursue their definition of the American dream and the pursuit of happiness.*

*Our children and many adults in our society are crying out, show us something true, something lasting, something of real value so I can truly feel loved and accepted. Why? Because when we all take off the masks we wear when no one is looking, this is the deepest innate need every individual has—to be love and accepted for who we truly are, not what we pretend to be.”*

After you read the first writing, then read this one dated December 14, 2012 titled "***The Day America's Heart Broke Once Again***" for the rest of the story of why we are seeing an increase in mass murders and suicidal tendencies in our young people in America.

What will it take for us to say enough is enough and do whatever is necessary to stop the carnage of the loss of innocent lives by the hands of young people who are so hurt and wounded in the deep abyss of their soul that they feel they have absolutely no hope! And, as a result, they vent their pent up rage and anger on others they **perceive** need to pay for their deep emotional pain and despondency. Hurting people hurt people! These young people who commit such heinous acts of violence are exhibiting the "*D's of the Devil*" which are from Satan—the one who seeks to kill, steal, and destroy everything we love and cherish—especially our children!

**It is very apparent that the hearts and minds of the people within our nation are firmly in the grip of Satan and we are reaping the "fruit" thereof. Therefore, I am rereleasing a "timely" relevant writing titled, "The D's of the Devil": Being able to identify Satan's "fruit" is the first step of being set free from the snares of the enemy" under the 2014 Prophetic Word which can be accessed at the following link:**

<http://www.angeloffaith777.com/2014-prophetic-word.html>

Also, please take the time to listen to this video from Glenn Beck which says what the antidote is—we need to spend more time in God's Word.

There hasn't been a lot of positive news to report on as of late. On radio this morning, Glenn tried to focus on some real world solutions to the problems that are afflicting each and every one us. Over the weekend, Glenn received some frank advice from a friend who recognized that Glenn is "out of gas" these days. What can we do refuel? The answer stems from spending more time with scripture.

<http://www.glennbeck.com/2014/05/28/you-are-out-of-gas-glenn-shares-the-frank-advice-he-recently-received/>

**In Part 1 of my writing titled, "Is There Not a Cause Greater Than Ourselves?" I wrote...**

*As many of you already know, our children are being consumed by enemy forces in their public schools with the Islamic/Marxist/Socialist/Communist/Homosexual indoctrination taking place all over America.*

*Furthermore, our children and some of us are being ensnared and taken captive by the enemy—the prince of the airwaves, by the lyrics of the songs we listen to, what we watch on television, at the movies, and read in magazines, books, and on the internet. The media and arts/entertainment industry is the number one source for **perpetuating** the moral decay in our society.*

*Unfortunately, just like the type and quality of the food we eat affects our physical bodies, what we listen to with our ears and watch with our eyes also affects our spiritual condition. The bottom line is we become what we meditate and feed on and many have exchanged the truth of*

*God's Word to embrace the worldview of what our society deems acceptable and right in our own eyes.*

*Therefore, as a result, many have left the narrow path which leads to life and are running toward the wide, easy path which always leads to destruction and death.*

And, last but certainly not least, we must spend time in God's presence on a daily basis too so we can be refreshed and renewed by His Holy Spirit and God can instruct us what to do specifically for ourselves and our families. Never before has the need been greater to hear what God is saying to us. Therefore, we must be determined to make the time to silence everything else which demands our attention and most could easily do this by spending less time in front of the TV and on Face Book which leads me to the next Action/Prayer/FYI item.

**In the days of Noah—obedience saved only eight (8) people and disobedience killed everyone else. What can we learn from this historical event since history always repeats itself? Especially, given the fact that God's Word says *“As the days of Noah were, so also will the coming of the Son of Man be...”***

Written by Donna M. Rogers

We are told that prior to Jesus Christ's second return it will be just as it was in the days of Noah. Therefore, we will take a closer look at what happened during the time of Noah, when God's wrath was poured out on the wicked inhabitants of the world.

Below in and Luke 17:26-27 and Matthew 24:36-41 we see it is the wicked, not the righteous, that were removed from earth during the time of the world-wide flood. How were they removed from the earth? They, the wicked, died in the flood, while the righteous Noah and his family were spared.

*“And as it was in the days of Noah, so it will be also in the days of the Son of Man: They ate, they drank, they married wives, they were given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all.” ~ Luke 17:26-27 (NKJV)*

*“But of that day and hour no one knows, not even the angels of heaven, but My Father only. But as the days of Noah were, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away, so also will the coming of the Son of Man be. Then two men will be in the field: one will be taken and the other left. Two women will be grinding at the mill: one will be taken and the other left.” ~ Matthew 24:36-41 (NKJV)*

And, for all of you “*left behind*” fans who think we will be raptured before the tribulations of these days based on the theories of men, rather than what God’s Word actually says, we are shown the truth of who will be taken and who will be left behind in Luke 17:30-37 below.

Jesus is clearly teaching that those who will be taken are the wicked not the righteous. His disciples ask, “Where, Lord?” His answer is very clear. The ones who are suddenly taken will die and their bodies will be food for vultures on the day the Son of Man is revealed.

*“Even so will it be in the day when the Son of Man is revealed. In that day, he who is on the housetop, and his goods are in the house, let him not come down to take them away. And likewise the one who is in the field, let him not turn back. Remember Lot’s wife. Whoever seeks to save his life will lose it, and whoever loses his life will preserve it. (In other words, flee to a place of safety leaving behind your worldly possessions and don’t look back!) I tell you, in that night there will be two men in one bed: the one will be taken and the other will be left. Two women will be grinding together: the one will be taken and the other left. Two men will be in the field: the one will be taken and the other left. And they answered and said to Him, “Where, Lord?” So He said to them, **“WHEREVER THE BODY IS, THERE THE EAGLE (VULTURES) WILL BE GATHERED TOGETHER.”** Luke 17:30-37 (NKJV)*

Yes, indeed as in the Days of Noah so it shall be at the return of the Son of Man—Jesus Christ. Moreover, it is quite apparent that most believers have no sense of urgency of the season we are entering into.

This is no different than those who lived during Noah’s time because it says, “*they knew nothing about what would happen...*” They, like many today, were more concerned about enjoying their life on earth than walking closely with the Lord. And, as a result, many are not “hearing” what the Spirit is saying to His Church in this hour.

Moreover, just like the people in Noah’s day must have thought he was out of his mind and sought to discredit and ridicule him, many believers today are scoffing at the people God is using as watchmen to warn about events which will shortly take place.

We need to carefully study and understand why of all the people inhabiting the earth in the time of the world-wide flood, God chose Noah to escape His wrath on the wicked. The story of Noah is found in Genesis Chapter 6 and 7.

Noah was spared because he was righteous, like Abraham, due to his faith and obedience to God. Also, because Noah walked closely with the Lord he was told to prepare well in advance for what was to take place by building the ark, getting the supplies he and his family would need, including provisions for the animals God would bring to the ark.

Likewise, those of us who are hearing what the Spirit is saying to His Church have been told to prepare for at least the last two years if not longer.

Also worth mentioning is this fact. God spared both Noah's family and Lot's family from destruction based on Noah's and Abraham's righteousness alone, not the righteousness of their family members. So for those of you who are praying for unsaved family members keep interceding and know your righteousness and devotion to God will count regarding God's mercy He extends to your loved ones because of what you choose to do. God said to Moses as proclaimed in Romans 9:15 (NKJV) "For He (Yahweh) says to Moses, *"I will have mercy on whomever I will have mercy, and I will have compassion on whomever I will have compassion."*

As indicated by Hebrews 11:7 below, because of Noah's faith as evidenced by his obedience, he was divinely warned of things to come that were not yet apparent to most people. Furthermore, action was required from Noah as he "moved" and "prepared" to do what he was instructed by the Lord to do. Noah demonstrated his faith in God which was evidenced by him "doing" what God told him to do!

***"By faith Noah, being **divinely** warned of things **NOT YET seen**, **moved** with godly fear, **PREPARED** an ark for the saving of his household, by which **he** **condemned the world** and **became heir of the righteousness** which is according to faith."*** ~ Hebrews 11:7 (NKJV)

First, Noah had to build the ark as he was instructed by the Lord despite the fact there had never been rain on the earth up until this point. If Noah had not obeyed and prepared by building the ark and storing food for his family and the animals he too would have perished.

Many believers say it is wrong to prepare for calamity and they quote Scriptures taken out of context which proclaim "...the just shall live by faith." However, as the story of Noah building the ark and the story of Joseph preparing for the famine in Egypt portrays, faith without action is dead and meaningless!

I can only imagine the ridicule and persecution Noah endured as he built the ark warning people as he did so, despite the sunny days and clear blue skies. Then he, his family, and the animals, got into the ark seven days before the floodwaters came on the earth. In Genesis 7:16 (NKJV) it states, *"So those that entered, male and female of all flesh, went in as God had commanded him; and **the LORD shut him in.**"*

There were probably hundreds of people beating on the door of the ark seeking to escape the raging floodwaters. Yet, once the Lord shut the door to the ark it was too late to be saved.

When Jesus returns the second time it will be too late to be saved once His glorious appearing is seen splitting the eastern sky (to understand why Jesus shall appear in the eastern sky see Matthew 2:2; 24:27; Ezekiel 43:2; 43:4; 46:1; Zechariah 14:4; and Revelation 7:2).

At His second coming, He will return to render judgment and make war with the unrepentant wicked (the tares) and bring salvation to those who believe in Him AND **keep** His commandments (the wheat). In other words, He will be rendering His judgment based on our righteousness (symbolized by the wheat) or unrighteousness (symbolized by the tares) up until that point in time.

This truth is conveyed in the Scriptures below which says when He comes He will render His verdict ("...and My reward is with Me, to give to everyone according to his work...") and people will remain as they have chosen to be. In other words, there will be no opportunity to appeal the Supreme Judge of Heaven's decision! In this hour, God is already separating the wheat from the tares who are allowed to grow together until the very end. In other words, there are many wolves in sheep's clothing in His church!

*"Behold, I am coming quickly! Blessed is he who keeps the words of the prophecy of this book."*  
~ Revelation 22:7 (NKJV)

*And he said to me, “Do not seal the words of the prophecy of this book, for the time is at hand. He who is unjust, let him be unjust still; he who is filthy, let him be filthy still; he who is righteous, let him be righteous still; he who is holy, let him be holy still.” ~ Revelation 22:10-11 (NKJV)*

*“And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last.” ~ Revelation 22:12-13 (NKJV)*

*“Blessed are those who **DO** His commandments that they **may** have **the right to the tree of life, and may enter through the gates into the city.** But outside are dogs and sorcerers and sexually immoral and murderers and idolaters, and whoever loves and practices a lie.” ~ Revelation 22:14-15 (NKJV)*

Let's take another look at Revelation 22:14-15 above which says “...Blessed are those who “DO” His commandments...” Only those who **do** our heavenly Father's will and **keep** His commandments may have the right to the tree of life and may enter into the gates of Mount Zion, the city of the living God, the **heavenly** Jerusalem located in the *kingdom of heaven* based on Hebrews 12:22!

Like Noah, we must be “doers” of the Word! When we receive instructions from the Lord, either based on His written (logos) Word or based on His spoken (rhema) Word, we must “do” exactly what He tells us to do. No deviating or doing things as we see fit in our own eyes and obeying only those Scriptures we agree with based on the way **we** decide to live our lives! Moreover, partial or delayed disobedience is still DISOBEDIENCE!

Again, we are entering into the time as it was in the days of Noah. Noah was OBEDIENT and did everything exactly as the Lord commanded him to do as illustrated in Genesis 6:22 and 7:5. Like Noah, it is only by us being obedient to “do” what the Lord has already instructed us to do, will we have God's providence, protection and provision in the days ahead.

In Noah's day the Lord instructed him to build an ark to escape the flood which would wipe out every living thing on the earth. The ark for today's believers is Jesus Christ. We must get into the ark now so we can escape the calamity in the times and seasons ahead.

Like Noah, only those who have a personal intimate relationship with both Yahweh our heavenly Father and His one and only *begotten* Son Jesus Christ, and “do” the will of our Heavenly Father—Yahweh, will survive the days ahead by being led by the Holy Spirit and protected by the blood of the lamb and the words of our testimony (saying God's Word out loud).

Obedience is everything! This will especially be critical in the times and seasons ahead so we may overcome whatever trials and tribulations we must walk thru to finish the race while maintaining our faith until the end.

*And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Romans 12:2*

Dear Praying Friends,

Over three million people have come to Christ through Billy Graham's long ministry. Over 2.2 billion have heard his radio and TV broadcasts. Of his nearly three dozen books, many were bestsellers, now classics. Entrepreneurs have created a library of free "apps" that allow modern believers to access his quotations, crusade videos, radio programs, and magazine articles on their phones and tablets. These excerpts from "Be a Nonconformist" are in May's *Decision Magazine*:

*When Rome was at the height of her glory and power, there appeared a disturbing sect called Christians...these people dared to be different. In an era when immorality, lavishness and luxury were stylish, Christians refused to be defiled by the sensual practices of a disintegrating civilization. In a period when human life was cheap, they put a high value upon human beings, their souls and their destinies...*

*The Roman high tribunal initiated a drive to stamp out Christianity as a disturber of pagan unity... [they] had a false notion that a person's conscience could be controlled by law, so they made it illegal to be different. All had to bow to Caesar. All had to conform to pagan custom... Nonconformists were threatened with death, and many chose death rather than to conform to Rome and to compromise their consciences...*

*Times have changed, but human nature hasn't. The pagan world is still trying to put its stamp of conformity on every follower of Jesus Christ. Every possible pressure is being brought to bear upon Christians to make them conform... The Apostle Paul [Rom 12:2] urges Christians everywhere in all ages to be nonconformists as far as the world system is concerned. A true Christian, living an obedient life, is a constant rebuke to those who accept the moral standards of this world.*

*In our desire to make Christ known and to increase the influence of the church, we are prone to think that Christians and the church can be made popular with the unbelieving world. This is a grave mistake. Christ crucified is anathema to Satan, and the message of the Gospel is still a stumbling block and foolishness to the world. Our Lord warned His disciples, "If the world hates you, you know that it hated Me before it hated you" (Jn 15:18). The Apostle John writes, "Do not marvel, my brethren, if the world hates you" (1 Jn 3:13).*

*Christians may be shown a grudging respect at times, but if we are faithful to Christ, we will surely incur the wrath of the world... The Scripture teaches that popularity with the world means death. Satan's most effective tools are conformity and compromise. He is aware that one man standing in the midst of a pagan people declaring, "I am not ashamed of the gospel of Christ..." (Rom 1:16), can move more people [toward] God than thousands of insipid professors of religion.*

*"How could the early disciples turn the world upside down when millions of Christians can't even keep it right side up today?" ... They didn't conform their faith to the world. They had the truth, and refused to water it down. They had faith they would not compromise.*

*Because they dared to buck the tide of public opinion and be different, because they dared to believe when other people doubted, because they were willing to risk their lives for what they stood for, because they chose death rather than to live an empty life, the world took notice... In due time, they turned the philosophical and religious world upside down (Billy Graham, 2005, BGEA, Decision Magazine, May 2014; Read the rest of the article [here](#)).*

Franklin Graham, who now leads the ministry his father began, addressed pastors last week at the [Watchmen on the Wall](#) Briefing See his video by accessing this link:

**Imprisoned Sudanese Christian Gives Birth** - The woman we requested prayer for last week has given birth to a baby boy while imprisoned in Sudan. A Sudanese doctor, Meriam Ibrahim, is married to a Daniel Wani, a Sudanese immigrant who became an American Citizen. Convicted of adultery and apostasy in a Sudanese Court (the court claimed she married "illegally," and she refuses to recant her Christian faith), Meriam was sentenced to death by hanging. She was imprisoned while pregnant and recently gave birth, so she is enduring these harsh conditions along with her newborn and her 20-month old son. FRC [has launched a petition to the White House](#) to requesting immediate action and to expedite Meriam's request for refugee status (see [First American Birth in Sudan Prison](#), [New Life on Death Row](#), [Sudanese Statement](#), [Petition](#)).

- **May God intervene to save Meriam and her children! May God and the American people move our President and State Department to take action to see this lady and her American children freed! (Ps 6:4-5; 35:17-28; 50:15; Is 58:6; Dan 4:1b-3; Lk 17:2)**

**[Call2Fall](#) Sunday, June 29, 2014** - The race is on to get out the word about Call2Fall Sunday, which is just a month away. Word-of-mouth is the only way pastors and people learn about this important day for believers to humble ourselves before God, and to acknowledge our dependence upon Him before we celebrate another year of Independence. With no advertising budget, we must rely upon our friends to help get the word out! Please help by pointing friends to the [website](#) and [Facebook page](#). Urge them to "like" us and click "I'm in!" Let's repent, pray and honor God on Sunday, June 29, before we fire up

the grills and break out the picnic baskets to celebrate the 4<sup>th</sup> of July!

- ***May God supernaturally grow participation in Call2Fall this year! May He hear our repentant cries! (2 Chr 7:14; Ps 86:5; 110:3; Joel 1:14; 2:12-18, 32)***

**LGBT Pride Month** - On [Call2Fall](#) Sunday, June 29<sup>th</sup>, the very day believers and churches across America will fall to their knees to pray for our nation, those who self-identify as homosexuals will be celebrating "LGBT Pride Day," a grand finale for June's observance of "LGBT Pride Month." President Obama will announce the observance and the White House, federal agencies, the Pentagon, many state agencies, many businesses and likeminded organizations across America will join the celebration. Only heaven knows exactly how this brazen departure from the moral law of God will impact our nation. But we are called to intercede with an Almighty God ([White House Celebrates Activist Harvey Milk](#), [New Postage Stamp 2013 WH Proclamation](#)).

- ***May the Lord hear out intercessions stop the advance of this official celebration of sin! (Gen 20:18-23; Rom 1:16-32; 3:10 ff; Heb 13:4; Jude 7, 21-25)***

**Religious Liberty in the Military** - Last Thursday, the U.S. House of Representatives passed the 2015 National Defense Authorization Act with an important religious liberty provision included. Together with Congressmen John Fleming (R-La.) and Randy Forbes (R-Va.), Congressman Doug Lamborn (R-Co.) advocated for an amendment calling on the Department of Defense and the Air Force to clarify their policies on religious expression in order to comply with the law and protect the ability of our service members to freely practice and express their faith. Numerous violations of religious freedom have been reported in recent years at military installations and service academies such as the U.S. Air Force Academy. Efforts by Lt. General (Ret.) William G. (Jerry) Boykin, FRC's Executive Vice President, and a diverse coalition of officials and organizations who strongly support the military and religious liberty have helped Congress move to reverse the terrible trend. We have prayed over these matters for more than two years and have cause to rejoice! Yesterday, Rep. John Fleming delivered a special lecture on this topic at Family Research Council's headquarters (see [Fleming Lecture](#); Gen. Jerry Boykin [Commissions Pastors](#) and speaks to the intercessors' role; [NDAA Passes House](#); FRC Update: [Clear and Present Danger](#)).

- ***Pray that the U.S. Senate will pass the NDAA with these measures intact. May God and His people in America keep watch over our men and women in uniform to make sure these gains do not erode. May believing servicemen use their liberty for God's glory! (Dt 9:5; 28: all; 1 Chr 12:32-33; Pr 14:34; Ps 127:1; Jer 1:12; Act 5:29)***

**Finally**, FRC's 11<sup>th</sup> annual Pastors Briefing surpassed all expectations. FRC is networking pastors to "Pray, Preach and Partner" to impact our culture for righteousness. Over 55% of the 650 registrants were first-time attendees. [Briefing session videos are online for viewing without cost](#). They will help those who pray seriously for our nation! ## Action/Prayer/FYI Item #1:

Using Property Owners to Promote Sustainable Development:  
*“The NID in South Downtown Orlando”*

*Property owners beware!*

Local government has a way to use a small percentage of property owners to increase your property taxes in the name of neighborhood improvements and redevelopment.

Here’s how it happened in Orlando.

Florida state law permits a local government to create a neighborhood improvement district and conduct a referendum to approve additional taxation for improvements (up to 2 mills per year).

In 2010, The City of Orlando created the Downtown South Neighborhood Improvement District (DSNID) and appointed an advisory committee. The city’s large municipal hospital and the district’s largest property owner, Orlando Health (OH), advanced large sums of money (into than six figures) to pay for studies and proposed plans. Many of the proposed plans originated in the City-approved South Downtown Vision Plan (2008).

The potential plans include sustainable development concepts such as transitioning the area into a “walkable

urban community,” encouraging the use of mass transit (such as Sun Rail), “streetscape” beautification projects, subsidizing affordable housing, modifying intersections to accommodate freight movement, and increasing local infrastructure to accommodate urbanization, to name a few.

The referendum was a by-mail vote. Only property owners were allowed to vote (not renters or business owners). Ballots, mailed in early May, were to be returned by May 20.

### **The Outrage**

The vote was based upon *property assessed value, not the traditional American way* of a one-vote-per-owner basis. That gave owners with a greater assessed property value a greater percentage of votes. OH’s vote represented 22% of the total assessed value in the district, but since the vote was based on turnout, OH knew in the beginning, its vote would increase due to the typical low voter participation in this type of special referendum.

**CPR**, with the help of local property owners, made efforts to inform owners of this referendum using advertisements, personal contacts, and a special informational mailing to property owners. Despite these efforts, barely over 50% of the properties (by value) voted resulting in Orlando Health’s percent of the vote to grow to *more than 40%*.

### **The Vote**

**CPR** was present at Orlando City Hall this week as the vote count began. A spreadsheet listing every parcel and the assessed value of that property was projected on a screen. As ballots were opened, the property was identified and its assessed value moved into columns either “FOR” or “Against” the district.

Had *the traditional American way of voting* been used, according to the Orlando Sentinel, the referendum to create the DSNID *would have been rejected*:

**Voting “YES” – 49 property owners (26.3%).**

**Voting “NO” – 137 property owners (73.7%).**

But, when *the assessed values were tallied, the measure* to create the “DSNID” (and accept its tax increases) *passed*:

**Voting “YES” - Owners representing \$143 million in assessed value (62.35%).**

**Voting “NO” – Owners representing \$86.4 million in assessed value (37.65%).**

Even worse, had OH’s assessed value of \$93 million not been a part of the vote, the referendum would have failed with \$53 million voting for and \$86.4 million against. In this case, it is clear that the one vote of the largest property owner (Orlando Health) controlled the outcome of the referendum, either for or against.

The concept of property owners uniting for local benefit is a worthy purpose. But, the means for achieving that end is flawed. Owners of private property and elected officials should take a lesson from this referendum, so skewed by using assessed value. While an overwhelming majority of owners disapproved of this district creation, a small minority prevailed due to their wealth. When the rich and powerful can dictate the future of an area through a manipulated vote, *“We the People”* must take notice and fight for change.

If you would like to see this form of voting prevented in the future, please email your opinion to: [info@proprights.com](mailto:info@proprights.com). This kind of change will only come if property owners unite en-masse and express themselves with one voice.

## Operation Save America (OSA) Regional Event: Kissimmee, Florida - June 11-14, 2014 to Stop Planned Parenthood of Kissimmee

**“Then I said to the nobles, the rulers, and the rest of the people,  
‘The work is great and extensive, and we are separated far from one another on the wall.  
Wherever you hear the sound of the trumpet, rally to us there. Our God will fight for us’”  
(Nehemiah 4:19,20).**

Daily sidewalk events at the Kissimmee Planned Parenthood abortion mega center with the pro-life group, Operation Save America. Nightly meetings at Centro de la Familia Cristiana de Poinciana beginning at 6:30 pm.

## Stop Planned Parenthood of Kissimmee

During this month of May 2014, Planned Parenthood of Greater Orlando (PPGO) is preparing to open the doors of a \$2 million, 8,800 square-foot abortion mega center at 610 Oak Commons Blvd. This is in the heart of Kissimmee across the street from Osceola Regional Medical Center. It will be the largest abortion center in central Florida. The only service offered by PPGO that cannot be found for a lower cost or for no cost in the Kissimmee area is abortion!

The spiritual effect that the shedding of innocent blood will have on our community will be devastating. The availability of abortion so close to our schools and neighborhoods will certainly have a horrific impact on our young people. The Word of God is clear that “the Lord hates the hands that shed innocent blood” (Proverbs 6:16,17). Surely, if we stand idly by and allow this to happen, our churches will share in this blood-guiltiness (Numbers 35:33,34; Proverbs 24:11,12).

Therefore, we are sending out a “Macedonian Call” to all churches and ministries in the central Florida region to help us expose this evil in our community. Join us as we live out our faith on the streets of Kissimmee. We will become a beacon of righteousness to a city and a nation losing its way. Abortion will come to an end in the city of Kissimmee when the Church of Jesus Christ makes up its mind it will come to an end.

The times and places of afternoon events will be announced at the evening rally at Centro de la Familia Cristiana. All are invited to all daily events and seminars. Registration is free. Call or email OSA for more information.

**Operation Save America unashamedly takes up the cause of preborn children in the name of Jesus Christ.**

We employ only biblical principles. The Bible is our foundation. The Cross of Christ is our strategy. The repentance of the Church of Jesus Christ is our ultimate goal. As the Church changes its heart toward unborn children, God Himself will hear from heaven, forgive our sin, and bring healing to our land. We believe that Jesus Christ is the only answer to the abortion holocaust. It is upon our active repentance in the streets of our cities that the Gospel is visibly lived out. We become to the church, to our city, and to our nation living parables which rightly represent God’s heart toward His helpless children. There are no cheap political solutions to the holocaust presently ravaging our nation. Abortion is preeminently a Gospel issue. The Cross of Christ is the only solution.

**Together** we CAN make a difference for **His Kingdom** and **America!** Blessings until we meet again.
