Severe Tornadoes Hit Midwest - Help Those Affected by Donating to Mercury One's Disaster Relief Fund!

As many of you may have heard, severe tornadoes slammed parts of the midwest today, including areas of Illinois, Indiana, Missouri, Kentucky, and Ohio. Officials report that five people were killed in Illinois, hundreds of thousands are without power, and some neighborhoods have been completely destroyed. Vehicles were flipped, trucks were overturned, and homes were uprooted. Throughout the region, at least 67 tornadoes have been reported, including 11 confirmed tornado touchdowns. Officials only expect the number of injuries and damage report to grow.

Mercury One believes that if we want government to do less, we need to do more. We need to have more charity and be more giving - not because we're told to, but because we want to.

Mercury One is not going to reinvent the wheel. We recognize that there are already good organizations out there helping people in amazing ways. Most are unheard of but do tremendous work in obscurity. Where great work is being done by these organizations, Mercury One will work with them to maximize the value and reach of every dollar.

Please support us in our efforts to "improve the human condition spiritually, emotionally, physically and mentally" one heart, one mind, one soul at a time.

100% of the proceeds that you donate to MercuryOne.org is given to those who need it most!

Free Handbook Shows How We Can Limit the Federal Government by Bypassing Congress and the President

Please take time to watch this video.

Sheriff Mack Power of the County Sheriff Part 1

http://www.youtube.com/watch?v=OiBcC8_goVg&list=PLACDAA6AB2A362FA9&index=1

America’s Last Hope Sheriff Mack’s latest book covers decades of research to prove once and for all that the sheriffs in this country are indeed the ultimate law authority in their respective jurisdictions. The sheriff absolutely has the power and responsibility to defend his citizens against all enemies, including those from our own Federal Government. History, case law, common law and common sense all show clear evidence that the sheriff is the people’s protector in all issues of injustice and is responsible for keeping the peace in all matters. He is the last line of defense for his constituents; he is America’s last hope to regain our forgotten freedom. This short but powerful book is a must read for all citizens, sheriffs, and government officials that we may all work to return America to the constitutional republic she was meant to be. Amazing as it might be, the sheriff can make this happen!

Preempting a House vote on Obamacare that would allow Americans to keep their current health insurance plans, President Barack Obama – in an effort to keep a promise – announced a new administration policy to allow most people keep their current plans.

Obama to Allow You to Keep Your Health Plan, but Also Require Insurance Companies to Say Obamacare Could Be a Better Deal

McCain Is Now Proposing A Total Repeal Of Obamacare

After repeatedly bashing senators like Ted Cruz and Mike Lee over their crusade to defund Obamacare, Sen. John McCain called for the “total repeal” of the Affordable Care Act on Wednesday. It’s a quick turnaround after the longtime senator, in September, proclaimed that it was “not rational” to think Obamacare could be defunded or repealed.

Tell Congress To Live By Your Laws!

Do you remember when President Obama told us “if you like your plan, you can keep your plan,” over and over again?

Please visit LiveByYourLaws.com and sign the petition to demand Members of Congress not exempt themselves from Obamacare.

It was a lie. To make matters worse, the Washington insiders who forced Obamacare into law in the first place made sure to spare themselves from this disaster.

You may have heard about this – there’s a provision of the health care law that says Members of Congress and all of their staff are required to procure their health care coverage on the Obamacare exchange, just like millions of other Americans who are being dumped from their previous employer-provided coverage.

But in a classic case of Washington protecting its own, the Obama Administration is trying to (illegally) “fix” things for the insiders. They invented a backroom rule out of thin air, giving Members of Congress and their staffs a way to stay off the exchange entirely.

And Members of Congress and staff who do decide to go on the exchange would get treated to a huge taxpayer-funded subsidy that is not available to any other American at the same income level!

Sign The Petition Today! By accessing the following link:

http://www.livebyyourlaws.com/?utm_source=newsletter&utm_medium=email&utm_campaign=lbyl

The Obama Administration came up with an illegal administrative fix to this provision of the law in order to take the financial sting out of Obamacare for Washington insiders.

To reverse this Washington double standard, I've introduced legislation that would end this Obamacare exemption for DC insiders.

It would require all Members of Congress and their staff to purchase their health insurance on the Obamacare exchange without the help of special taxpayer-funded subsidies.

The sooner Washington eats its own cooking, the sooner it will start getting things right, on Obamacare and a lot more.

Operation Underground Railroad

MISSION: Rescue children from the child sex industry. Bring their predators to justice.

We often congratulate ourselves for having eradicated nineteenth century slavery. But it has not been eradicated. It is uglier than ever. Its victims today include nearly **two million precious children** in the world*. **They are sex slaves**. That is why we have resurrected the Underground Railroad and we have employed many of the original clandestine techniques.

These poor children are abused daily, thousands of them being imported every year into developed countries like the United States and Canada. These children range from toddlers to teenagers. People have been talking about this problem for some time. But these children don't need more talk. They need action. They need to be extracted from the hell they are living in. **We know how to extract them. This is what we do.** We rescue them and place them into safe havens where they can be rehabilitated. Then we go after the bad guys and break their organizations. Help us do this. Help us help the children.

We have gathered the world's experts in extraction operations and in anti-child trafficking efforts. They are former **CIA, FBI, Navy SEALs, and Green Berets**. They make up what we call the Underground Jump Team. While the United States government is leading the world in such operations, it is largely hindered by bureaucracy and jurisdictional limitations. If there is no U.S. statute being violated, then no U.S. action can be taken. Because most of these suffering children fall outside of U.S. jurisdiction and often find themselves kidnapped and abused in regions where the resources to save them are scarce, it is time for private citizens and organizations to rise up and help. It is our duty as a free and blessed people. If not us, who?

FYI Item #10: **Before you shop at Target...**

Dick Forrey, of the Vietnam Veterans Association wrote:

“Recently we asked the local TARGET store to be a proud sponsor of the Vietnam Veterans Memorial all during our spring recognition event. Remember, that there are also Canadians occupying space on these walls.

We received the following reply from the local TARGET management:

"Veterans do not meet our Area of giving. We only donate to the arts, social action groups, gay & lesbian causes, and education."

So I'm thinking, if the Vietnam Veterans Memorial Wall, and Veterans in general, do not meet their donation criteria, then something is really wrong at this TARGET store.

We were not asking for thousands of dollars, not even hundreds, just a small sponsorship for a memorial remembrance.

As a follow-up, I e-mailed the TARGET U.S. Corporate Headquarters and their response was the same. That's their National policy!

Then I looked into the company further. They will not allow the Marines to collect for 'Toys for Tots' at any of

their Stores. And during the recent Iraq deployment, they would not allow families of employees who were called up for Active duty to continue their insurance coverage while they were on military service.

Now, I'm thinking again. If TARGET cannot support American (or Canadian) Veterans, then why should my family and I support their stores by spending our hard earned American or Canadian dollars in their stores, and have their profits sent to France to Support Muslim Organizations.”

Sincerely,
Dick Forrey

Prayer/FYI Item #14:

Should Christians Celebrate Christmas?

This is an extremely sensitive subject for most believers, including myself, because we have spent the majority of our lives creating memories and traditions with our loved ones this time of year based on what we have been taught by our ancestors, and what is practiced by our society, including His church! Nevertheless, we **must** worship our heavenly Father Yahweh and His Son, Jesus Christ in **Spirit** and in **Truth** above all else.

Furthermore, when we ask the Holy Spirit to lead us into all truth, especially God's truth, sometimes the truth can be very painful when we realize for the majority of our lives we have exchanged the truth of God's Word and embraced the lie of the enemy whose whole mission is to kill, steal, and destroy our inheritance as God's sons and daughters.

One of the reasons Jesus came to the earth the first time was to testify to the truth of His Word. Therefore, for everything believers do, shouldn't we be practicing all that we do according to His Word? Did Jesus and His early disciples celebrate Christmas and Easter or did they observe and commemorate the seven (7) holy convocations our heavenly Father commanded us to keep in His Word?

Therefore, **if** you really want to know the truth concerning many of the traditions of men we dearly hold onto in the body of Christ, please take the time to watch the following video by Jim Staley who I recently found out about. Jim Staley with *Passion for Truth Ministries* truly teaches according to what God's Word really says both in Spirit and in Truth while exhibiting love. Also, before you watch this video please ensure that your young children are not present.

Jim Staley - Truth or Tradition (HD) - Should Christians Celebrate Christmas

<http://www.youtube.com/watch?v=-RdJvOg7YqI>

Then answer the following questions for yourselves **after** you seek the Lord and His Word concerning this matter, after all He is the only One we are accountable to.

“Is the body of Christ setting aside the commandments of God in lieu of holding onto the traditions of men? And, if so, who are we really serving?”

And, as you can see from the previous prayer/action item above and others I have sent out over the past months, the great apostasy is indeed underway. And, as I have said before, but bears repeating, never before has the need been greater to know beyond a shadow of doubt why we believe what we believe and be prepared to back it up with the **whole** counsel of God’s Word!

Moreover, in this hour God is calling those with ears to hear and eyes to see what the Holy Spirit is saying to His church for us to come out of Babylon based on Revelation 18:4 (NKJV) which says, “And I heard another voice from heaven saying, ***“Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.”***”

In addition, countless ministries and Christians during this time of year admonish, *“Keep Christ in Christmas!”* yet...

- ✚ Does Christmas have anything to do with the birth of Jesus Christ?

- ✚ Are believers, by celebrating Christmas, bowing our knee to Baal, Ishtar Ashtart, Astarte, Ashtoreth, Inanna, Isis, Tammuz, and Astor to name some of the “sun” gods which has everything to do with the origins of this holiday?!

- ✚ Are believers, by celebrating Christmas, **not** fully submitting to Jesus’ Lordship in our lives by **living** holy because the One we serve is holy based on Leviticus 20:7 (NKJV) which proclaims ***“Consecrate yourselves therefore, and be holy, for I am the Lord your God.”***

Moreover, the Apostle Paul tell us in Hebrews 10:19-25 that Jesus consecrated us by His flesh and His precious blood so that our hearts would be sprinkled from an evil conscience and our bodies washed with pure water so we are not defiled as we enter the Holy of Holies which is God’s throne of grace and mercy. Moreover, God’s grace is **not** a license to sin, rather it enables us to live for Him and serve Him with all our mind, heart, soul, and strength. Therefore, why would we defile ourselves by **not** living according to His Word and worshipping Him and serving Him the way He has commanded us to?

- ✚ And, by believers being caught up in the things of this world, including participating and celebrating the pagan customs we are commanded **not** to practice, are we truly consecrated (set apart) for God for His purpose and glory to prevail? Especially given the fact that our heavenly Father Yahweh and His Son Jesus Christ, who is the Word made flesh, is telling His people in the scriptures below how we are **not** to worship Him! It is **not** about our feelings and emotions of **how** and **when WE** want to worship Him. Rather, it is all about **how** and **when HE** wants us to worship and serve Him according to **His** truth not ours.

*“Therefore you shall **keep** My ordinance, so that you **do not commit any** of **these abominable customs which were committed before** you, and that you **do not defile yourselves by them: I am the Lord your God.**” ~ Leviticus 18:30 (NKJV)*

[*Avoid Wicked Customs*] *“**When** you come into the land which the Lord your God is giving you, you shall **not learn to follow the abominations of those nations.**” ~ Deuteronomy 18:9 (NKJV)*

While this next scripture in Jeremiah is not specifically talking about the Christmas tree, it did lead up to the Christmas tree being used to celebrate Christmas long ago.

*Hear the word which the LORD speaks to you, O house of Israel. Thus says the LORD: “**Do not learn the way of the Gentiles; Do not be dismayed at the signs of heaven, For the Gentiles are dismayed at them. For the customs of the peoples are futile; For one cuts a tree from the forest, The work of the hands of the workman, with the ax. They decorate it with silver and gold; They fasten it with nails and hammers So that it will not topple. They are upright, like a palm tree, And they cannot speak; They must be carried, Because they cannot go by themselves**” ~ Jeremiah 10:1-5 (NKJV)*

*“And you shall know that **I am the Lord; for you have not walked in My statutes nor executed My judgments, BUT have done according to the customs of the Gentiles which are all around you.**” ~ Ezekiel 11:12 (NKJV)*

Many teach and believe there is no absolute truth anymore. However, as Christians if we do **not** stand on the truth of God’s uncompromised Word, which is His Son Jesus Christ made flesh, then are we truly disciples of Jesus Christ? For Jesus says to us in John 8:31-32, “...**If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.**”

Then Jesus says to us in Matthew 24:35 (NKJV), “**Heaven and earth will pass away, but My words will by no means pass away.**” Therefore, God’s Word is the only absolute truth for the believer. And, as such, we must be willing to humble ourselves and seek God’s truth for ourselves concerning His people practicing these pagan customs/traditions that most in the body of Christ practice and embrace.

And, **if** you are willing to do your own homework you will discover 1) Satan has done an outstanding job infiltrating **some** churches in the body of Christ evidenced by their apostate teachings 2) The gospel which was once delivered to the saints has been twisted and perverted by Satan throughout the ages 3) That many of the denominations in the body of Christ are following the rules and traditions of men which were first established by the Roman Catholic Church and Constantine as it is to this very day!

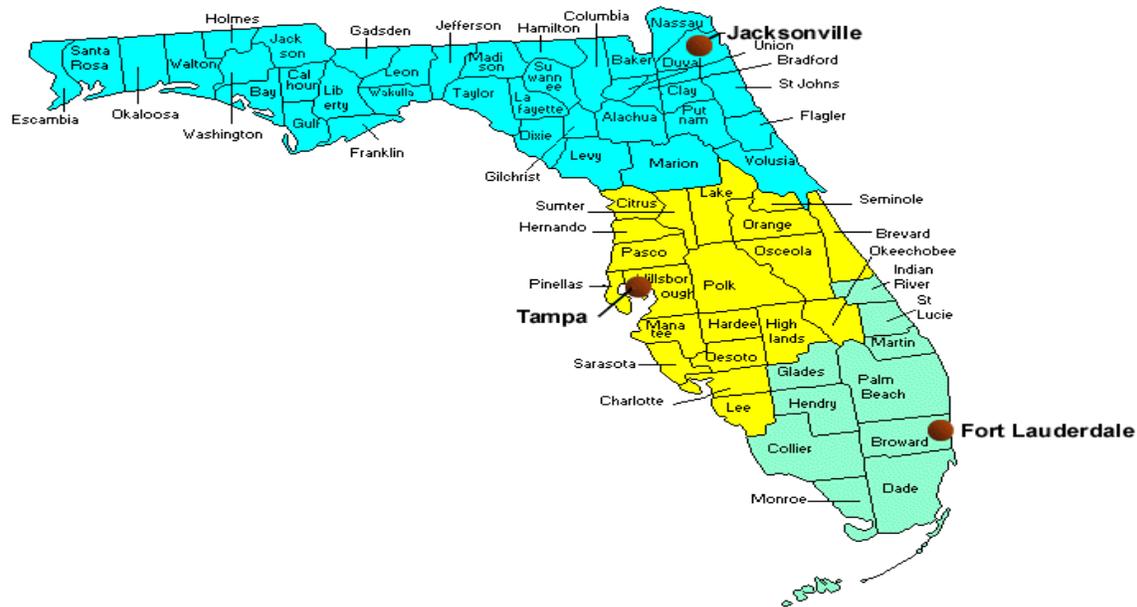

Moreover, I know that all these reasons I have listed above is **not** what Christmas means to us and our intents and motives of our hearts are everything to God. However, we can have pure motives **BUT** still be deceived and dead wrong concerning a matter if it is **not** in alignment with God’s Word! This is especially true when we allow our feelings and flesh to get in the way of standing on His **uncompromised** truth based on the **whole** counsel of His Word.

The truth is due to our ignorance of His Word, in so many ways, we have exchange the truth of God’s Word for Satan’s lie. And, as such, instead of heeding God’s commandments, which are the terms and conditions of the covenant we entered into when we accepted Jesus Christ as our Lord and Savior, we have embraced the doctrines of men and demons.

Last, but certainly not least, to be totally transparent with all of you, the truth presented in this excellent video by Jim Staley titled *Truth or Tradition - Should Christians Celebrate Christmas* will be hard for you to hear if you have never heard any of these things before. As a matter of fact, I have known about these truths for a couple of years now since the Lord led me to discover our Hebraic roots of our Christian faith and I have even written about some of them. Yet, I am still struggling with how to fully let go of my family's beloved traditions during the holiday season, so we can fully embrace and practice the holidays our heavenly Father tells us to **honor** and **keep** according to His predetermined times and in His way. Like anything else in our Christian walk, the Holy Spirit does **not** reveal the things the enemy does **not** want us to see all at once because we would **not** be able to handle it if He did. Therefore, it is a process and it will take some time for us to relearn and let go of everything we have been taught over the course of a lifetime. However, the good news is, as we **submit** to the leading of the Holy Spirit we will then receive God's grace to make a clean break of those things we must leave behind so we can fully embrace and receive all that our heavenly Father wants to bless us with **after** we **walk** according to His will and His Word.

Sign the Unborn Victims of Violence Act Petition

The man who killed a mother and her 21-week unborn baby in Florida was found **guilty of murder!** But unfortunately, he was not found guilty for killing the baby. That's because Florida law incredibly does **not** consider it a crime to murder an unborn baby.

This MUST change!

When **Governor Rick Scott** spoke at Florida Right to Life's 2013 Awards Dinner, the audience heard his strong pro-life position. But for years, the Florida legislature has **refused** to send him a law that he could sign that would make it a criminal offense to kill an unborn child.

Let's make sure Governor Scott has a law on his desk to protect unborn victims of violence by signing our petition. Tell Florida's legislators to pass the Unborn Victims of Violence Act in the next session before more lives are ended without justice.

Join with me and protect life by signing the Unborn Victims of Violence Act petition, right now!

CPR-Christians Praying in Repentance meeting at the cross on Pensacola Beach at 3:00 p.m. on Saturday, December 7, 2013

This cross marks the site of the first religious service in the Pensacola area, which was a mass celebrated on Aug. 15, 1559 at Santa Rosa Island. It was the Feast of the Assumption by the Dominican Friars who accompanied Tristan De Luna.

Many Christians have gathered for services at this location since these settlers found our beautiful beaches over 454 years ago. It is time for all Christians to come together in one mind and one accord to repent of where we have allowed our country to go, and to ask God to save the USA.

Due to parking restrictions at the cross location we will meet at the Pensacola Beach Gulf Side Pavilion (at the Pensacola Ball) to pray for our country.

Invite everyone you know! If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.
