

Wake Up Call Ministry “Believers in Action”

Alan Hoyle Evangelist, Street Preacher, Patriot, Missionary, Protector of the Unborn
Calling For Repentance Before: Destruction of America and the Coming of Yeshua (Jesus)
www.WakeUpCall.at

Is it your plan to elect a man who believes in Allah and holy jihad? Or is it your plan to elect a man who believes he is god or becoming god? I still lack understanding what you are doing or planning to do to stop the loss of freedom in America and defending the Constitution.

These were the questions that I was asking each of you as a person and some as leaders. Then:

Our citizenship is of USA and for those that are true believers, Heaven the Kingdom of Christ. Ultimately, prayer with fasting in humbleness (in sackcloth), and action will bring revival are our only true hope... so do we withdraw from the political arena and simply hope for the best and just pray. NO! We must REPENT of OUR SINS! Personal sins look at Ten Commandments (go through the list and if needed go to the above website). National sins Abortion-Murder, Homosexuality-Abomination, false religions; We, You are supporting these with tax money! SO WHERE ARE THE PASTORS, EVANGELIST, and LEADERS CALLING FOR REPENTANCE???. We must cry out to the Lord for help to give us a man to vote for! BUT YOU DID NOT! So many decided to vote for an ungodly man who was against Christ instead of taking a true stand. You placed your trust in the arm of flesh. You are like the children of Israel who was scared to stand and fight Goliath because of sin. He was calling Jehovah bad names and was against Him. This is what the presidential candidates were doing by them believing in abortion and not believing that Jesus IS the only sinless son of God Jehovah. So many joined the other side with their vote. So now you had better Repent and Stand for Jehovah!

Vote absolutely! But according to His Word. To vote for men who stand according to His Word. And vote for those who do not worship Satan by calling Jesus a liar. But is this all that we can do and should do? Especially, now? Oh, I know you plan to be ready for the next vote in 4 years. And so you believe this is all that we are to do. And it ends here. Mainly because you believe more in a party than you do in our Creator, and you also believe the lie of separation of church and state. Some of you want to blame those who voted for Obama and called themselves Christians, and you are just as wrong for voting for Romney instead of trusting Christ and what He said. If you are just going to wait until the next 4 years then, you do not realize that it will be all over before then.

NO don't wait! God does not ordain sin. He gives us what we ask & sends leanness to our soul! Jehovah gives us or allows things because of the hardness of our evil hearts. God ordains & desires a righteous man who believes in Him. That is His choice not any other. If this was our desire He would answer & give us such a man. Repent & seek the face of God. NO king but KING JESUS! It is no doubt Obama is a God appointed man, a king to rule over us. Because of our sins! And there is NOTHING you can do to get him removed (Except one, REPENT). Have you not learned this already? Why do you think he can get away with not having a birth certificate? Treason? Ripping up the Constitution? And the list goes on and on. Do you have eyes to see with but you cannot see? Ears to hear with but you cannot hear? My people are destroyed because of a lack of knowledge. And because you have rejected me (Jesus) I have rejected you (America and whoever your name is). We made it our main goal to be for economic recovery instead of giving up the pleasure of sins that is causing it all. We want comfort so we pray for comfort and against anything that would take away our comfort even if the Lord sends us problems and irritations to bring us back to Himself. You thought all you needed was more money for more ads to get the one you wanted elected to turn this all around instead of repenting. You had better start reading Jesus' Word and Joel, Amos, Hosea and these other prophets who warned Israel. And you think you are better than Israel? If He did not spare His beloved people do you think He will spare America? DO NOT BE SO FOOLISH! What is the Main thing on our prayer list at church the sick! WHAT ABOUT THE LOST? WHAT ABOUT OUR COUNTRY?

Any problem that you have, to put an end to it, you must get to the root of the problem. So what is the root of the problem? The church! Sin is in the church. There is no leadership in the church. The church is not being governed by the Bible the Word of Jesus. If you are not living by the Bible then what are you living by? People are not being trained, equipped and lead to go out (to be my witnesses). What are churches doing now? Same as before, dinners, singings, etc.. No care, no concern, no sense of urgency, no witnessing to the lost, no standing against abortion, just a standoff approach and do nothing (yes I know a very few are doing something). Oh, God is in control. The church has believed the lies of separation of church and state, and God is in control (so we are to do nothing) for so long. If we want different results we must do things differently than what we have been doing. So what works, or what should we be doing? Let's only look back to see what works from previous history from what Jesus did and taught and what our fore fathers did:

Revival comes to us by us truly seeking the Lord Jesus Christ Yeshua. When we seek Him we will be turning away from our sins and desiring to know what pleases Him. This will lead us to read His Word and to find out from Him, not from man, with error teaching the doctrines of men for the Commandments of God. This will lead us to be holy and set apart for His use. We will then be obeying scripture along with the Ten Commandments. Please do not believe the lie that we do not have to obey them. If you believe this which one do we NOT have to obey? Oh you say the 4th. Oh really. If you believe this you are a fool. For you have declared yourself to be God. For nowhere has the Father declared we do not have to keep them even the 4th (we have been delivered from the curse). This is why we are at where we are. The problem IS NOT God nor the world, nor the president but rather US (Christians). Father wants to heal our land but we stop Him. Jesus stated that the second greatest Commandment is to love our neighbor as ourselves. Do you do this? Let's see if you are. Are you passing out Gospel Tracts to people or witnessing to them verbally? No? Then you lie! How can you love someone even as much as yourself and not care if they go to Hell. How can you allow someone to be murdered and tortured? You are, by allowing abortion to go on, and even pay for it (you do not love the children). You will be compelled to Door to door witnessing or any other means if you love people and Jesus. Even though there may be ordnances against it which violates the 1st amendment. You will say you must witness even to those who offend you. If you really loved you would stop the abortion.

Stand against all evil. Abortions, go to the abortion sites and Planned Parenthood, and help Pregnancy help centers. God is in control. No He is not! There is nothing out of the control of my Father but He is not to be blamed for all that is going on (we are guilty). He is allowing things to happen because we ask Him for it. Also because of our sins He is bringing judgment onto us. My Father put us in charge and we are the ones with His help is to fight evil and bring it down. But we are doing nothing! All we desire is for comfort and money so our lifestyle is not altered. Share with those who are in sin, homosexuals, Muslims, Mormons etc.

Remember Faith without works are dead. So if all you believe to do is pray than you are defeated before you even get started. The Word of God tells us to stand. What makes this different? It is because so many are sitting or lying down asleep. You are commanded to put on the armor of the Lord. What is this for? For battle! Not to be sitting doing nothing in a church building. Our King said the gates of Hell cannot stand against us. When? When we are going against Hell, the sins. When we marching into the battle to the very gates of Hell; where abortion is taking place or other sins. We are called to go to the battle not wait until the battle comes to us. Of which this is what we have done. And in so doing our homes are destroyed, our churches are destroyed and in shambles. In the military of the USA, we have been going to other lands to fight the battle there so that we would not have to fight on our homelands. We need to learn this principle. But now even in the military the battle has come to our homeland because of our sins. So rise up men and go to the battle. The Word tells us to pray that the Lord to teach, train our hands to war and our fingers to fight. We must tear down the idols that have been raised in our homes, churches, and in America. Why do we have the police, military and everything else if all God wants us to do is pray against evil?

The Lord can heal our land, but He will not hear our prayers until our hands are free of innocent blood until we cry out. We MUST stop the murdering of the babies. We must stand against sins. Will you allow pride to stop you from admitting you have done wrong and sinned? Please repent as I have had to do. We could work together as true Believers in Action serving the Lord in these final days of America, to redeem America. Father wants to forgive you and for you to come back to Him and serve Him. Stand in the gap!

Do you really want economic recovery? It seems all that so many want is to put someone in office to do your job for you. So that you do not have to get your hands dirty, you have been allowing someone or wanting someone to do your job so you hire a pastor to do your job of being a witness, wanted a judge, justice, president, governor, etc. to do your job to stop abortion and other problems that we have. Oh, you do not believe that abortion is wrong because our leaders say it is ok and that it is not murder? Or that you cannot do anything about it because our government says it is legal. Just wait your turn. When you turn 60 if you live that long, they will be saying it is your time to go, that you have outlived your usefulness and it would be more humane to put you to sleep to prevent you from experiencing anymore pain. You give money to a ministry so you will not have to show compassion to anyone yourself and help them personally. Get involved yourself! Do not ask others whether they are a pastor or the president to do things you will not do yourself and unwilling to take a stand.

The Lord God Almighty Jehovah, our Yeshua Jesus is telling you to stand and go do your job that I require of you to witness, show compassion, help needy, protect the unborn! He declares abortion IS murder, homosexuality IS sin and an abomination. You are your brother's keeper. The blood of the babies is crying out to God. When He said to Cain, your brother's blood cries out to me how much more will the blood of all the babies not cause God to answer and respond?

Am I telling you not to sign petitions? No I am not. But if you believe for a minute that this is good enough you have been fooled. Unless we scare the heaven into them, then they will continue ignoring us. As well as anything else that we do or say. We Must back up what we say and do with meaning, emotion, not backing down, and going the extra mile. If you do not do this you are wasting your time and your money and allowing our Country to die. We must demand! They work for us! They must do what we say or else and I do not mean that they can stick around for 3 more years till they may be removed by a vote. Enough is enough. YOU MUST STOP PAYING FOR ABORTIONS, SUPPORTING CHINA, HOMOSEXUALS, OR ANYTHING ELSE EVIL. We must hold them accountable! By the way, STOP buying from any and all businesses that is evil or supporting evil. If you need a list go to my website. You will be held accountable where your money goes and what it goes for.

Are you going to allow Judges, Supreme Justices, Lawyers, Senators, Representatives, President, and etc. tell you what you can and cannot say, do or not, especially when it goes against the very Word of Jehovah God, the God of Abraham, Isaac, Jacob and yes the God of America or at least was at one time? The Word is Yeshua Jesus Himself! I remind you it is better to obey God rather than men regardless of the consequences.

- Our Country was founded for religious freedom Christianity. We declared a Declaration of Independence from England because of the king's tyranny. It started by us fighting against taxes and pouring tea into the harbor. It is time for a tax revolt again. But we must be ready and prepared and the only way to do this is to repent for our sins unto God. And the main reason to do this is because the government is forcing us to pay for abortion the murdering of children in America and other countries. Thomas Jefferson best illustrated this point when he said, "Man is not made for the State, but the State for man, and it derives its powers from the consent of the governed."

I do not know what you choose to do, but as for me, Give me Liberty or Give me death! FREEDOM! I give up all to serve Christ and to stand for God even when it means going against our government's sins. Remember you have a duty that God gave you to do, remember you have a duty that our fore fathers of this Country gave you and required of us to do and for some, you took the oath!

Rise up men! Become Godly, Holy, and Righteous. If You are a Leader, Lead. If You were put in charge of men. Lead! If You have a following, LEAD! If You are a Pastor, Lead! We need a new movement to follow CHRIST!
LEAD! Become a Believer in Action!

WARNING: WE MAY HAVE LOST OUR LAST OPPORTUNITY FOR FREEDOM AND SAVING OUR COUNTRY! AND FOR JEHOVAH TO HEAL OUR LAND! 22 JANUARY IS THE 40TH ANNIVERSARY OF ROE vs. WADE! Father has allowed us 39 years to put a stop to this idol worshipping, but we have NOT! FATHER WILL NOT BE MOCKED HE WILL INTERVENE TO PUT A STOP TO THE SHEDDING OF INNOCIENT BLOOD (IF HE DOES, YOU WILL SUFFER) WAKE UP Call!
