### **PRAYER ALERT Possible EMP**

**by Maurice Sklar sent out on Sunday, October 13,  
2013 2:30 a.m.**

PRAYER ALERT! The LORD spoke to me in prayer tonight to alert the intercessors concerning an imminent threat to our electrical systems in America.

THIS IS SERIOUS! Fast and pray to stop this terrible terrorist attack on our power grids! I saw a vision of the East Coast of America completely blacked out, and with no way to restore the power. I am not sure whether it involves an EMP bombing attack or some other means of killing our electrical systems. But to me, it looked like a nuclear device was detonated in the upper atmosphere over the East Coast, in this vision, and just knocked out all the power. ...

I believe that the LORD showed me this in order to stop it. We have authority, Body of Messiah, to pray in Yeshua's Name and stop this terrible evil! THIS IS FOR REAL AND SERIOUS! Please cry out to the LORD for mercy, as we are vulnerable and a sitting duck unless the angels intervene! God have mercy on us! It was such a scary vision...and a VERY STERN warning from the LORD.

Blessings,

Maurice Sklar

I was just sent the following link below by a leader in the grassroots organizations after I posted this prayer alert on several prayer forums on Face Book. This could be why this prayer alert was issued. Therefore, do not dismiss this prayer alert. Remember the shooting which took place in Washington D.C. in the Navy yard was issued as a prayer alert from Cindy Jacobs BEFORE it happened.

### ***Donate to help the relief efforts caused by a record-setting blizzard that hit South Dakota.***

**100% of Mercury One's donated money goes to relief efforts; no "overhead" or "administrative costs" are funded by donations.**

On his radio program during the morning of October 11, 2013, Glenn Beck spoke of a record-setting blizzard that has killed 75,000 cattle in South Dakota. The storm dropped upwards of 5 feet of snow, closed over 200 miles of roads - and it is still snowing in some areas. The national media has largely kept silent on this disaster, and especially due to the government shutdown, the people of South Dakota and other areas of the Great Plains are in need. As Glenn said, *"Everything that could go wrong in a storm went wrong in this storm...Mercury One is trying to figure out how we can even get resources up to help them, what we can do to help them, but parts of the state are just completely out."*

The Blaze reports here that, "at least four deaths were attributed to the weather," "early estimates suggest western South Dakota lost at least 5 percent of its cattle," and "more than 22,000 homes and businesses in western South Dakota remained without power into this week." Silvia Christen, executive director of the South Dakota Stockgrowers Association, said, *"This is, from an economic standpoint, something we're going to feel for a couple of years'."*

When so much of the media is keeping silent, now is the time for us to come together and "do more, so government can do less." If you know anyone who has been affected or know what supplies these people need, please email us at [questions@mercuryone.org](mailto:questions@mercuryone.org).

# ***Invitation to the National Awakening Summit in Kissimmee Florida this Saturday, October 19<sup>th</sup>***

I have been involved with what God is orchestrating in and through World Trumpet Mission from the very beginning and we are looking for people in the body of Christ who have fervently been praying for revival for many years who are willing to help raise up forerunners for the state of Florida to establish prayer altars in our homes, churches, schools, businesses, neighborhoods, counties, state, and then the nation. This will help usher in and sustain God's manifest presence in the state of Florida, which is the forerunner state for awakening and reformation to sweep across America. As such, ministry leaders from all over the state and the nation will be gathering in Orlando, Florida this Saturday, October 19<sup>th</sup> for this purpose.

I beseech you to attend this summit and experience firsthand what the Lord is doing in and through World Trumpet Mission to help reestablish the prayer altar of the Lord first in the state of Florida, and then the nation.

Pastor John Mulinde, founder of World Trumpet Mission, has been used by God as a catalyst for revival in his homeland of Uganda, the nation of Taiwan, and nations around the world. For the past three years, as we have gathered together in prayer seeking God's face and heart, we have heard many testimonies concerning the transforming revival which swept across the nation of Uganda and Taiwan as God poured out His Spirit. As a result of God's manifest presence and outpouring of His Spirit, the hearts of the people in these nations were transformed by the power of the Holy Spirit as a result of their commitment to establish prayer altars in their hearts, homes, neighborhoods, churches, and where they worked. Also, they agreed to saturate themselves in God's Word on a consistent basis.

The revivals which took place in Uganda and Taiwan can be likened to the one which took place in Fiji. If you haven't watched the documentary of the Fiji revival, please do so by accessing the link below. This is exactly what needs to happen in America. More than anything else, God's people and the lost need to **experience** the transforming power of God Almighty!
