

Dear sisters and brothers in Christ,

Please pray about this critical issue and take action now. I also feel led to share this commentary with you at this time about the **illegal** immigration issue because many of you may feel that as believers of Jesus Christ the loving thing for us to do is to grant amnesty to close to 11 million **illegal** aliens.

In addition, this writing will also convey it is time for God's people to become who we say we are as followers of Jesus Christ and what that truly means! It is one thing to profess we are Christians, but it is entirely a different matter to truly be a disciple of Jesus Christ. Jesus told us to make disciples of all nations, not converts of people who refuse to follow His teachings. If we are truly a disciple of Jesus Christ, we would only do those things that Jesus did and tells us to "do" based on the **whole** counsel of God's Word, not just on select passages of scripture that justifies what we deem right in our own eyes.

Furthermore, based on a recent notice I sent out calling for a prayer vigil concerning immigration reform, some of you may perceive that I was condoning granting amnesty for **illegal** aliens, which I can assure you I was not, for many reasons **that** I will share with you in this writing.

However, I do believe this issue, like many issues we are facing as a nation, absolutely warrants us to seek God's will through prayer concerning this matter first and foremost. Then as a result of us doing so, we will pursue the best path for both the American people and the **illegal** immigrants **while following the laws of our land** written under God's divine providence—our U.S. Constitution, the Bill of Rights, and our Declaration of Independence which were written by our Founding Fathers based on the precepts and principles found in God's Word!

We the People of the United States of America do **not** have a problem with immigrants coming to our country **legally**, for America has always been a melting pot of different ethnic groups of people from other countries seeking the opportunity to live the *American Dream* based on their hard work to achieve their God given destiny!

However, the problem that *We the People* have with the **illegal** immigration problem which is out of control and must be dealt with now is the fact that they have come here ILLEGALLY! Many men and women from other countries have done what is necessary and gone through the proper channels to become US citizens who then give back to our society through their hard work as taxpaying citizens.

As a result, they have become productive members of our society and pay their share of taxes and abide by the laws of the land.

IF we allow amnesty to be given to close to 11 million people who broke the law to get here **illegally** we are basically telling them that the law of our land does **not** matter!

An analogy I will use to drive this point home is this. When I was a kid I stole something and you know what prevented me from ever stealing again? I almost got caught and knew if I ever stole anything again I would have a high price to pay because of the dire consequences of breaking the law! As a result, of me weighing the cost associated with reaping the consequences of my actions, I never stole anything again!

With this current amnesty legislation being proposed there is no personal accountability for doing something illegal and wrong in the first place. What we are essentially saying to close to 11 million people **if** we grant amnesty to those who came to this country **illegally** is this. *“Don’t worry if you choose **not** follow the law in the United States—no problem! Not only will we **not** prosecute you, we will also reward you!”*

We are a nation of laws, and when we choose **not** to enforce our laws based on the U.S. Constitution, the Bill of Rights and our Declaration of Independence, anarchy and tyranny prevails! In addition, our open borders are the portal of access into our nation for not only **illegal** aliens, but also members of the drug cartel and terrorists too!

Now let’s talk about this issue based on God’s Word

Many Christians are using God’s Word to justify or not justify our **illegal** amnesty problem and the most common thing I am hearing from various leaders in the body of Christ on this issue is that God calls us to love one another. Therefore, we are **not** showing the love of Jesus Christ if we do **not** show them mercy and extend amnesty for these good people who now find themselves caught in the middle of this heated debate about immigration reform. They are poor, innocent victims and are being taken advantage of and being used for cheap labor, etc.

While this may indeed be true, again, there is no personal accountability and the fact that these poor innocent victims came to the United States **illegally** seems to **not** matter at all, just like the fact that we have come to tolerate our public officials lying almost on a daily basis to the American people. After all, everyone tells white lies now and then. Besides we cannot expect that our politicians will serve us with integrity and not lie to us because after all they are politicians—this is what they do! Only because we do not hold them accountable for doing so, I might add!

Anyways, all in the name of loving one another, what many evangelical leaders are saying seems to be in line with what many in the pulpit are getting into agreement with all in the name of *“political”* correctness and *“toleration”* because God commands us to love one another. This mindset is also in line with the *“interfaith”* movement!

These same evangelical leaders are totally dismissing the truth that our God is a God of order and obedience to His law is everything! And, it is for this same reason that many leaders in the body of Christ see nothing wrong with homosexuals preaching from the pulpit—all because God expects us to love one another! I hear the same stance on why we should allow same-sex marriage to be legalized! I hear the same thing concerning **NOT** labeling terrorists what they truly are—our enemies!

Many evangelical leaders are twisting and perverting scripture to justify their positions because they have been **deceived** and **indoctrinated** by the *“crafty”* counsel of certain government leaders who are serving the god of this world—Satan.

And, many of these evangelical leaders who are in favor of granting **illegal** aliens amnesty, are the same leaders who are also *“buying”* into the move by our elected officials calling for gun control which will lead to gun confiscation!

I believe many leaders in the body of Christ are buying into what the government is doing which is extremely dangerous. Just before Hitler’s reign of terror happened Hitler targeted the leaders in the church and assured them they

Page 2 *“Under the Guise of Love—Anarchy and Tyranny Prevails”* by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

would be fine. Why? Hitler knew the pastors and leaders in the church could influence large populations of the people for his agenda to prevail!

Therefore, for everything we do we should ask ourselves what does the **whole** counsel of God's Word have to say about marriage, about homosexuality, about abortion, and about our God given right to defend ourselves against those who seek to inflict harm on us based on God's natural law to defend ourselves and our families!

Moreover, shortly I will share what God's law has to say about people paying their taxes and if they do NOT work they will NOT eat!

The bottom line is this. If what our leaders in the body of Christ and in the government are proposing is against God and His Word the answer is simple. **WE SHALL NOT COMPLY!** However, we must be prepared to reap the consequences of standing on the Word of God as we seek to enact God's justice and righteousness throughout our land like the early disciples and our Founding Fathers did! This is based on Acts 5:29 (NKJV) which Peter and the other apostles answered and said: "*We **ought to obey God rather than men.***"

Therefore, just based on the fact that the God we serve is a God of order and has given His people His laws found in His Word, should drive home the point that God expects His people to be in compliance with and take a stand on the absolute truth of His Word. And, this includes following and abiding by the laws of our land—our U.S. Constitution, the Bill of Rights, and our Declaration of Independence!

Unfortunately, many evangelical leaders are **not** standing on God's Word, and Jesus issues a serious warning for those who are leading the great apostasy we see going on with many evangelical leaders in this hour. And, this warning also applies to those who are blindly following them as well. Our spiritual leader is supposed to be Jesus Christ!

When Jesus says in the following passages of scripture "*you workers of iniquity*" and "*you who practice lawlessness*" Jesus is talking about the transgression of the law, violation of the law, contempt of the law, which leads to iniquity and wickedness!

*"And He said to them, "**Strive** (it takes work on our part) **to enter through the narrow gate, for many, I say to you, will seek to enter and will not be able. When once the Master of the house has risen up and shut the door, and you begin to stand outside and knock at the door, saying, 'Lord, Lord, open for us,' and He will answer and say to you, 'I do not know you, where you are from,' then you will begin to say, 'We ate and drank in Your presence, and You taught in our streets.' But He will say, 'I tell you I do not know you, where you are from. Depart from Me, all you workers of iniquity.'** There will be weeping and gnashing of teeth, when you see Abraham and Isaac and Jacob and all the prophets in the kingdom of God, and **yourselves thrust out.** They will come from the east and the west, from the north and the south, and **sit down in the kingdom of God.**" ~ Luke 13:24-29 (NKJV)*

*"Not everyone who **says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven. Many will say to Me in that day, 'Lord, Lord, have we***

Page 3 "*Under the Guise of Love—Anarchy and Tyranny Prevails*" by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

*not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ And **then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!**’ ~ Matthew 7:21-23 (NKJV)*

The word **“iniquity”** as used in the passage of scripture in Luke 13:24-29 above, according to *Strong’s Greek Lexicon Number G458* is the Greek word **“anomia”** which means illegality, i.e. violation of law or (genitive base) wickedness derivation: from [G459](#); KJV Usage: iniquity, X **transgress(-ion of) the law, unrighteousness. G459** Thayer:1) the condition of **without law** 1a) **because ignorant of it** 1b) **because of violating it** 2) **contempt and violation of law**, iniquity, wickedness.

In addition, in the King James Version the word **“iniquity”** is used instead of the word **“lawlessness”** as illustrated in Matthew 7:21-23 above. Therefore, the same definition still applies!

And, this is exactly why many leaders in the body of Christ and our government give no thought to following the law of the land—our U.S. Constitution, Bill of Rights and our Declaration of Independence! Because they have twisted and perverted God’s love and mercy to triumph over following God’s other commandments calling for obedience to the law above all else!

God’s Word tells us to not steal or covet what belongs to our neighbor and to pay our taxes. Yet do these **illegal** immigrants pay their taxes? No! Rather, they take welfare from our government and steal what hard working Americans have paid for with OUR taxes that God’s Word tells us to pay!

In addition, God’s Word says if we do **not** work, we do **not** eat. Now does that seem like something a loving God would say? However, this is what His Word says!

Yet, we have allowed the practice and have embraced the mindset that it is more loving to keep enabling people not to work and instead give them the money of hard working people as they redistribute OUR wealth to those who are not willing to work! Read the account of Joseph providing food during the time of great famine in Genesis 47:15-26. Joseph did not give free handouts to those needing food. Rather, everyone had to **buy** food as proclaimed by Genesis 41:57 (NKJV) which says, *“So all countries came to Joseph in Egypt to **BUY** grain, because the famine was severe in all lands.”* Then when the money failed in the land of Egypt and in the land of Canaan (it was a worldwide economic collapse which we are on the brink of), they had to give up their livestock for food. Then when their livestock was gone, they had to sell their land for food. The only exception was concerning the land of the priests that Joseph did **not** buy; for the priests had rations allotted to them by Pharaoh, and they ate their rations which Pharaoh gave them; therefore they did not sell their lands.

Yet, in a twisted and perverted use of God’s command to love one another, many evangelical leaders support our government in America giving out FREE handouts to not only **illegal** aliens, but terrorists too, as they redistribute OUR wealth to whomever THEY choose, even terrorists!

This also includes giving our tax dollars to give financial aid and weapons to enemies of Israel and America too! To date we have allowed our government to give a total U.S. contribution for humanitarian assistance of \$510 million for those suffering from the violence inside Syria as well as the estimated 1.4 million refugees in the region.

Also, worth mentioning at this time is the fact that our government officials and the IRS, under the leadership of President Obama, is also using OUR tax dollars to pay for abortion under Obamacare which is “unconstitutional” because they believe they know what is best for the American people. If this plan is so great for the American people, whom they work for, then why **HAVE THEY EXEMPTED THEMSELVES FROM OBAMACARE?!**

This socialist health care initiative has been rammed down the throats of the American people because of the complacency and silence of most leaders in the body of Christ and other American’s who believe the lies they are told in the main stream media!

And, now we all have the shedding of innocent blood on our hands—which truly grieves our heavenly Father’s heart and is an abomination to Him!

So when do we draw the line in the sand and seek the whole counsel of God's Word? Just standing on the fact that the God we serve is a God of order and obedience to His commandments should be the end of this dilemma concerning **illegal aliens or any other issues currently circumventing the law of the land—our U.S. Constitution!**

Are we so deceived to think that God does **not** expect us to follow the laws of our land—our U.S. Constitution, Bill of Rights, and Declaration of Independence that our ancestors shed their blood to pen by God's divine providence which was in alignment with His Word?

As a matter-of-fact, why do we believe we should just give amnesty to **illegal** aliens and not back bill them for NOT paying any taxes during the entire time they were given handouts from our government without ever paying a dime in taxes? The same applies to those who sit on their backsides doing absolutely nothing and collect welfare too!

Just think if every citizen of the United States did NOT pay their taxes and looked to the government to take care of our needs—we would quickly be bankrupt! Oh, that is right we are already bankrupt and it is just a matter of time before we will reap the consequences of living beyond our means both in our personal lives and as a nation. God's Word says His people are **not** to be a servant to the lender and Proverbs 13:22 says, "*A good man leaves an inheritance to his children's children, But the wealth of the sinner is stored up for the righteous!*" Yet, we keep allowing ourselves and our government to spend OUR money with no personal accountability and live for the moment with no thought for future generations!

Again, **if** we are standing on God's Word to justify our position concerning this matter, Jesus paid the temple tax to get into His own house in Matthew 17:24-27 **because it was the law** of Rome! Jesus is following the law of the land even though He has all authority in the heavens, on the earth, and under the earth for goodness sakes as an example to us all! This is why Jesus said in Matthew 22:21, "*...Render therefore to Caesar the things that are Caesar's, and to God the things that are God's.*"

Page 6 "*Under the Guise of Love—Anarchy and Tyranny Prevails*" by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

Therefore, it is my opinion based on the Word of God, everyone, including churches, should pay their taxes because we are commanded to based on Jesus' example in Matthew 22:21 above and on Romans 13:1-7 below.

Also, we are to be subject to governing authorities as long as they do not ask us to do something contrary to God's Word! As believers in Jesus Christ we owe our total allegiance to God, rather than man! Also, note that all authority that is in power is because God has allowed it to serve His purposes. As I keep saying, based on revelation from the Holy Spirit, the leaders we keep electing to represent us in America, is a direct reflection of the spiritual darkness inhabiting the hearts of "*We the People*." Therefore, if we have leaders who lie, steal, cheat, do not keep their word and do not live within their means, or are rebelling against and forsaking God, our Creator, we need look no further than ourselves to know God is letting us reap exactly in proportion to what His people have sown in our nation! Notice in the scripture below it specifically says, "*For rulers are not a terror to good works, but to evil.*" Therefore, if we have rulers which are evil, it is because **the works** (fruit) of God's people are evil not good! God's Word gives us the answer to our problem when it says, "*Do you want to be unafraid of the authority? Do what is good, and you will have praise from the same.*" In addition, see what God's Word has to say will happen if His people practice evil rather than good!

"Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. Therefore whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves. For rulers are not a terror to good works, but to evil. Do you want to be unafraid of the authority? Do what is good, and you will have praise from the same. For he is God's minister to you for good. But if you do evil, be afraid; for he does not bear the sword in vain; for he is God's minister, an avenger to execute wrath on him who practices evil. Therefore you must be subject, not only because of wrath but also for conscience' sake. For because of this you also pay taxes, for they are God's ministers attending continually to this very thing. Render therefore to all their due: taxes to whom taxes are due, customs to whom customs, fear to whom fear, honor to whom honor." ~ Romans 13:1-7 (NKJV)

Again, God's people do **not** want to accept personal responsibility! We are still too busy playing the blame game! And, until we experience enough pain caused from remaining the same, and will not repent and turn from our wicked ways back to God, our Creator, we will continue to reap destruction and death! For God's Word clearly states that the wages of sin is death! And, Proverbs, 14:34 also says, "***Righteousness exalts a nation, But sin is a reproach to any people.***"

Therefore, if you get nothing else from this writing, get this truth. God will use His enemies like evil leaders and radical Islam as His instrument to judge His people's apostasy! And, if we are workers of iniquity, and do not repent and turn from our wicked ways back to our first love—Jesus Christ, we will lose our eternal salvation!

Page 7 "*Under the Guise of Love—Anarchy and Tyranny Prevails*" by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

In addition, as you well know, the truth is the church is supposed to take care of the widows and the orphans NOT the government. Only those who truly cannot earn a living should be taken care of—not all those who choose not to work! Why is the body of Christ, for the most part, abdicating this responsibility to the government? The answer is most churches are in debt and have huge bills to pay because for the most part many of His leaders are nothing more than hirelings and they have turned God's church into a business! Many do not truly care about His sheep! And, it is for this very reason God is about to overturn the money changing tables in His House!

What many evangelical leaders are practicing is based **only** on God's love and mercy and is exactly why many in the body of Christ believe they can live like the devil as soon as they leave the church parking lot and no matter what they do, they have their ticket to heaven, after all isn't that what God's love and mercy is all about!

This one-sided perverted teaching about God's mercy and love is leading His sheep straight to the slaughter and our country into enslavement by the enemy!

I tremble for my country when I see leaders in the body of Christ who are compromising and twisting God's Word for the sake of "political" correctness, tolerance, and inclusiveness all in the name of loving one another. This is totally against God's Word and why we should not have anything to do with the "*ecumenical movement*" or "*interfaith movement*" or "*Chrislam*"!

Tragically, many leaders in the body of Christ are leading their people straight to the slaughter all in the name of loving one another because God told us to while negating the **whole** counsel of God's Word.

What many evangelical leaders are saying seems to be in line with what many in the pulpit are getting into agreement with all in the name of "*political*" correctness and "*toleration*" because God commands us to love one another. This mindset is also in line with the "*interfaith*" movement!

I believe many leaders in the body of Christ are buying into what the government is doing which is extremely dangerous. Just before Hitler's reign of terror happened Hitler targeted the leaders in the church and assured them they would be fine. Why? Hitler knew the pastors and leaders in the church could influence large populations of the people for his agenda to prevail!

Yet, many of these evangelical leaders who are in favor of granting **illegal** aliens amnesty, are the same leaders who are also "buying" into the move by our elected officials calling for gun control which will lead to gun confiscation and give God's people the inability to protect ourselves and our families against tyrannical leaders intent on their evil agendas!

These same evangelical leaders are totally dismissing the truth that our God is a God of order and obedience to His law is everything! And, it is for this same reason that many leaders in the body of Christ see nothing wrong with homosexuals preaching from the pulpit—all because God expects us to love one another! I hear the same stance on why we should allow same-sex marriage to be legalized! I hear the same thing concerning **NOT** labeling terrorists what they truly are—our enemies! Many evangelical leaders are twisting and perverting

Page 8 "*Under the Guise of Love—Anarchy and Tyranny Prevails*" by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

scripture to justify their positions because they have been **deceived** and **indoctrinated** by the “*crafty*” counsel of certain government leaders who are serving the god of this world—Satan.

For everything we do we should ask ourselves what does God’s Word have to say about marriage, about homosexuality, about the God given right to defend ourselves against those who seek to inflict harm on us based on God’s natural law to defend ourselves!

Again, in summary, the bottom line is this. If what our leaders in the ministry and in the government are proposing is against God and His Word the answer is simple. **WE SHALL NOT COMPLY!** However, we must be prepared to reap the consequences of standing on the Word of God as we seek to enact God’s justice and righteousness throughout our land like the early disciples, and our Founding Fathers did.

Jesus Christ did not shed His precious blood for you and me so we could be enslaved by the enemy. Jesus Christ died for the salvation of the whole man—body, soul, and spirit while we are living on the earth so **we** could establish God’s law on the earth as we love God, walk with Him, and serve only Him so that His Kingdom purposes would prevail for His glory!

The Apostle Paul substantiates this truth in Romans 3:27-31 below. Therefore, if our elected leaders are enacting laws contrary to God’s Word, it is because God’s people are “the” problem! He is holding us **ACCOUNTABLE!**

As the scripture below clearly conveys God’s grace and mercy does NOT make God’s law found in all 66 books of the Bible null and void! Nor does loving one another make the laws of this once great nation written under God’s divine providence based on the precepts and principles of His Word no longer relevant either!

“Where is boasting then? It is excluded. By what law? Of works? No, but by the law of faith. Therefore we conclude that a man is justified by faith apart from the deeds of the law. Or is He the God of the Jews only? Is He not also the God of the Gentiles? Yes, of the Gentiles also, since there is one God who will justify the circumcised by faith and the uncircumcised through faith. DO WE THEN MAKE VOID THE LAW through faith? CERTAINLY NOT! On the contrary, WE ESTABLISH THE LAW.” ~ Romans 3:27-31 (NKJV)

As stated by Romans 3:21-31 above both Jews and Gentiles are saved by righteousness through faith. However, I want to focus your attention on this profound statement from the Apostle Paul, in which he says, “...DO WE THEN MAKE VOID THE LAW through faith? CERTAINLY NOT! On the contrary, WE ESTABLISH THE LAW.”

Therefore, this statement substantiates this truth. Just because we are saved through faith in Jesus Christ, this in no way makes all the laws established by our heavenly Father Yahweh in the Old Testament null and void, especially concerning His moral laws for being set apart (consecrated) and living holy because He is Holy! Moreover, as His Ekklesia God commands disciples of Jesus Christ to establish His law on the earth as it is in

Page 9 “*Under the Guise of Love—Anarchy and Tyranny Prevails*” by Donna M. Rogers, founder of Angel of Love and Light Ministries www.angeloffaith777.com

heaven as we take dominion and walk in the authority we have in Jesus Christ! This is based on what the Apostle Paul clearly states, “On the contrary, **WE establish the law.**”

In other words, disciples of Jesus Christ are to uphold and establish God’s laws on the earth! A timely and relevant example of this is concerning the Covenant of Marriage that God ordained and defined in the Old Testament that says marriage is between one man and one woman and the two shall become one. Just because we are under the New Covenant established by the shedding of Jesus’ blood does this make this Covenant of Marriage that Yahweh established in the Old Testament under the Old Covenant null and void? Of course NOT!

Every Christian leader should be leading their flock to pray and protest in front of the Supreme Court demanding they do not change and redefine God’s Covenant of Marriage! Yet, the silence is deafening!!! And, faith without works is dead! For every issue we are currently facing as a nation, the same applies, including granting amnesty to people who broke the law!

Choose this day whom you will serve and decide to be God’s voice, hands and feet in ALL seven mountains in our society, including the governmental mountain. We must fight this spiritual battle in an offensive mode, rather than a defensive mode like we are currently doing. God’s people are to be the head and **not** the tail! As such, **if** we favor God’s righteous cause, and put our faith into ACTION, then this spiritual battle will then belong to the Lord of Heaven’s Armies! If we are on God’s side, then we shall be victorious! God will only intervene when His people decide they will “do” what He has called us to do for a time such as this based on 2 Chronicles 7:14, repent and turn from our wicked ways. In addition, God’s people must take dominion over the authority of the kingdom of darkness permeating our hearts, our homes, our cities, our states, and our nation NOW!

The trumpet has been sounding throughout our land for years and it is past time that God’s people turn this spiritual battle for the hearts and souls of the people in this nation around by STANDING on the uncompromised, **whole** counsel of God’s Word before it is too late and we lose everything we cherish, including the eternal destiny of our very souls!
