

Wake Up and Repent Before It Is Too Late! A Word from Maurice Sklar for the United States

July 1, 2012

Dear sisters and brothers in Christ,

Please see the article below written by Robert McCurry, which if we are honest with ourselves, we cannot deny. Then read the Word of the Lord for the United States from Maurice Sklar which is "deadly" accurate, and is not the usual "ear tickling" feel good prophetic message most deliver in this hour. As a matter-of-fact, I felt the reverential fear of God as I read it three times.

I know this prophetic word Maurice Sklar released is from God because I was led to send out two warnings recently and this is what I have been hearing too. The first warning I sent out was on June 1st and was titled, *"Word of the Lord: Choose Life, Not Death, Blessings Not Curses!"* The second warning I sent out was on June 17th was titled, *"Should I not avenge myself on such a nation as this?"* says the Lord.

Furthermore, God has had me proclaim since 2004 without sincere repentance which results in our brokenness, we will not save this nation. We can pray and fast until we are blue in the face, but He will not listen! He has repeatedly shown me Jeremiah 11:14 which states, *"Do not pray for this people nor offer any plea or petition for them, **because I will not listen when they call to me in the time of their distress.**"* And, Jeremiah 7:16 which states, *"Pray no more for these people, Jeremiah. Do not weep or pray for them, and don't beg me to help them, for I will not listen to you."*

Read Isaiah 58 and you will know the type of fasting that truly pleases God which is demonstrated by our actions. It is only then will He respond when we cry out to Him and will answer our prayers. Many believers say and believe God will not judge us like He did in the Old Testament. Again, Malachi 3:6 says, "I the LORD do not change..." Moreover, Hebrews 13:8 states, *"Jesus Christ is the same yesterday and today and forever."*

There comes a point in time when our sins turn into iniquity and God will allow us to reap what we

have sown. This truth is proclaimed in Ezekiel 18:30 which states, "Therefore **I will judge you**, O house of Israel, every one **according to his ways**," says the Lord GOD. "**Repent, and turn from all your transgressions**, so that **iniquity will not be your ruin**."

Without **sincere** repentance, which results in changed behavior, we will reap the judgment of God, it has already begun. Why? Because...

- **We** have broken the covenant God established with us when we accepted His only begotten Son, Jesus Christ, as our Lord and Savior.
- **We** have broken the Abrahamic covenant He established with Abraham. Many people do not realize His church, which is comprised of both Jews and Gentiles that believe in our Jewish Messiah Jesus Christ (Yeshua), **and** America was birthed as a result of one of the many promises God gave to Abraham. This is an **everlasting** covenant and is why America has spiritual ties to Israel and the Jewish people! This is why as Israel goes, so goes America!
- **We** have broken the covenant He established with our Founding Fathers, including the Pilgrims, when this nation was founded on Judeo-Christian values!

Yet, **we** still believe God will bless us and America. America, how are we blessing God? We say "God is on our side" when we should really be saying "We are on God's side." The truth is when **we** break the covenant God established with us we have no right to expect His blessings, protection, and provision.

I will fully convey this truth and more when I release a sobering and relevant word on July 4th which will paint the "big" picture of what we are facing and why returning to God is our only hope for saving ourselves, our families, and our nation.

All we can do at this point is pray for God's mercy, repent, and return to God before it is too late! Which is why I wrote my first book for Him titled "*Shattered Dreams-Wake Up America Before It Is Too Late!*" back in 2004, when God prophetically showed me the demise of America.

Now eight years later we are on the brink of losing everything we cherish because we still don't get it! Just like our ancestors, the Israelites, we keep going around the same mountain again and again while expecting different results.

**Righteousness exalteth a nation:
but sin is a reproach to any people**
(Prov 14:34).

Does a righteous nation get a Barack Obama for a president? But we have become a nation of greedy, covetous, immoral morons, and it will take a long time to dig our way out of the hole we've dug ourselves.

A nation of clowns will have a clown for president. A nation of thieves will have a thief. Take a good, long look, America, at the president we have. It's as good as looking at a mirror.

We have what we want—public funding for abortions, public schools that teach children how to live like chimpanzees, “gay pride” parades, and elected representatives who pass 2,500-page “laws” without even reading them. When we used to be worth something as a people, we didn't have such things.

There's not much point in asking how fallen, sinful human beings could descend to such a state. Unless we try very hard to avoid it, we always do. And we Americans stopped trying at least 50 years ago.

John Adams said, “Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

Chai Feldblum, currently our deputy attorney general, said, “There can be a conflict between religious liberty and sexual liberty, but in almost all cases the sexual liberty should win.” Which of those quotes more accurately describes the kind of nation that we are today?

Satan is a liar and the father of lies (John 8:44). Satan and those who work in concert with him have come to steal, and to kill, and to destroy (John 10:10). Look at the mess we are in today because of lies:

They tell us that:

- There is a separation between the church and the state.
- We should keep our religion to ourselves.
- There is no such thing as absolute truth.

They tell us that:

- An unborn baby is not a person.
- That an unborn baby cannot feel pain.
- That abortion will make “the problem” go away.
- That a baby's life is a mother's choice.

They tell us that:

- The Supreme Court has the final say on all laws.
- The Supreme Court's decisions are law.
- The Supreme Court is unbiased.
- In America, the Supreme Court is wiser than the Supreme Being.

They tell us that:

- Our elections are honest.
- Personal liberty must yield to government sovereignty.

They tell us that:

- God does not judge nations.
- God loves everyone.
- God does not get angry with sinners.
- Jehovah and Allah are the same God.

They tell us that:

- Our schools are doing a good job of educating our children.
- Secular education does not affect the spiritual condition of a child.
- College is worth the exorbitant price and worth the debt.
- Parents do not have the right to choose where their child goes to school.

They tell us that:

- Gold and silver is not money.
- The economy is getting better.
- The dollar is sound.
- The banks are solid.

They tell us that:

- A person is a Christian if he/she says he/she is one.
- Christians should not offend people.
- Truth is relative.
- Christians are not supposed to judge.

They tell us that:

- The Rapture will save us from trouble.
- Obeying evil government is a Christian's duty.

They tell us that:

- Homosexuality is no worse than any other sin.
- Two homosexual parents are healthy for a young child.
- Homosexual behavior is not as dangerous as smoking.
- God honors homosexual marriage.

They tell us that:

- FEMA camps do not exist.
- Martial Law will never be declared.
- Talmudic Jews do not control the banks and the media.
- All conspiracy theories are bogus.

They tell us that:

- The Chinese are our friends.
- All Americans are required to pay income tax.
- There are many paths to God.
- God accepts everyone just the way they are.

Could it be that what you what you've been told is not really true? Who do you trust, God or man?

Wake-up, Pastors! Wake-up, Christians!

WORD FOR UNITED STATES by Maurice Sklar

Dear Friends,

The Lord spoke to me today as I was watching SCOTUS decision regarding Obamacare and the

contempt hearing of Eric Holder. We all need to pray and keep praying for the next several months and make sure you vote and share the gospel.

Thus saith the LORD:

"Though hand join in hand, the wicked shall NOT go unpunished. I hear the cries and the prayers of My people. But why do you cry out to Me now? Go to your idols that you worship, and the king you voted for. Let them deliver you now. Oh America, America! I am weary of your sins. I am grieved at My very heart at your whoredoms and your wickedness. Oh My church, how you have fallen into lukewarmness, apathy, and sleep! How long shall I bare with your idolatry and whoredoms. These are a stench in My nostrils. You are worse than the pagans that surround you. Your wicked deeds scream at Me louder than your prayers. Why do you cry to Me now? You are only beginning to reap what you have sown. I can bear your sins no more. How can you escape the wrath that is to come? Upon the head of John Roberts lies the guilt and the blame for this Supreme Court ruling, but upon the the nation as a whole lies the guilt of shedding of innocent blood by the millions through abortion; the open and legal embracing of sodomy and all manner of perversion; the daily abominations and sexual perversion through the internet; the departure from My Holy Word in the pulpits; and the greed, lust, selfishness, and disregard for the poor and needy.

You are worse than Sodom and Gomorrah. You are more filthy in my sight than Nineveh. You have broken My covenant I made with the Pilgrims, and the Founding Fathers. But, was that enough for you? No! You turned on the very nation and people that you swore in sacred oath to protect and cherish. Israel is My nation and My land forever. You broke covenant with her and pressured her to divide My land, and empowered her enemies to attack her. Why are there fires, and floods, and storms, and earthquakes, and financial disasters, and calamities hitting you from all sides? Repent of your sins, or it shall become seven times more severe than it is. Do you dare provoke me to My face? I am a great God and a Holy King! I hold your breath in My hand! You are only one thread away from the fires of hell, as my servant Jonathan Edwards preached to you during your first days, where you professed your love and espousals to Me.

Return, oh return to Me, America, before it is too late!

Concerning, Barak Obama, Thus saith the LORD:

This court ruling, though seemingly in his favor, will be his Waterloo. He shall be disgraced, shamed, and removed from office. For the sake of My Bride, and those few who have not defiled themselves, and have turned to Me in prayer, I will answer. But, as surely as I live, I shall visit this land with judgment. As you have done, so shall it be done to you."
